Discussion Questions:

1. Are the activities of your organization promoting the goals and objectives of the Wildlife Action Plan?

2. What type of information would assist your organization to implement the Wildlife Action Plan?

3. How can the Wildlife Action Plan be revised to assist your organization with carrying out your mission?

4. What do you consider to be the top three impacts resulting from climate change?

5. How can you lend your knowledge, expertise, and time to the revision process?

6. Do you have recommendations regarding the goals, priority species, and priority habitats?
