INSTRUCTIONS FOR COMPLETING DECLARATION OF ADDITIONAL COMMERCIAL FISH BUSINESS PLANT LOCATIONS

Contact one of the California Department of Fish and Wildlife (Department) offices listed below if you need additional information regarding commercial fish business licensing.

A company with more than one main place of business is required to be licensed only once. Each plant, outlet, receiving station or place of business is required to have a readable copy of the license displayed for inspection purposes. If you operate more than one plant you are required to complete a Declaration of Additional Commercial Fish Business Plant Locations.

INSTRUCTIONS

1. Read the preprinted information and add any missing information. Circle any incorrect information and print the correct information beside it.
2. Print the street address of each, outlet or receiving station.
3. Return this Declaration of Additional Commercial Fish Business Plant Locations with your Commercial Fish Business License Worksheet.

NOTICE

Under Fish and Game Code (FGC) §8030-8050, Title 14 of the California Code of Regulations §135, 142, 188, and 231, the Department is authorized to collect information from commercial fish business applicants to maintain a record of licensure. All information requested on this application is mandatory unless otherwise indicated. Other personal information submitted on this application may be released for law enforcement purposes, pursuant to a court order, or for official natural resources management purposes.

An applicant may obtain a copy of his/her licenses maintained by the Department by contacting the custodian of records at the Department's, License and Revenue Branch, 1740 N. Market Blvd., Sacramento, CA 95834, (916) 928-5822, LRB@wildlife.ca.gov. All requests for copies of license records must be submitted in writing and include the requester's name, address and telephone number.
