Commercial Ocean Salmon Fishery Information

The 2017 commercial ocean salmon fishery is scheduled to open between Horse Mountain and Point Arena beginning Friday, September 1.

- **September 1-30 or 3,000 Chinook salmon quota**
- **Open five days per week, Friday through Tuesday**
- **Landing and possession limit of 60 Chinook per open period**
- **All salmon caught must be landed between the OR/CA border and Point Arena, within 24 hours of any closure of the fishery, and prior to fishing outside the area**

Other Fishery Requirements:

- All salmon except coho.
- Minimum size limit: 27 inches total length.
- Single-point, single-shank barbless hooks are required.
- No more than 6 lines per vessel.
- All salmon must be made available to Department staff for sampling and must relinquish the head from any salmon that has a missing adipose fin - FG Code §7702, §8226.
- It is unlawful to intentionally conceal, cull, or release into the waters, a salmon with a missing adipose fin that it is otherwise legal to possess - FG Code §8226.
- Vessels fishing south of Point Arena may not land fish north of Point Arena unless the quota has been met and the fishery has been closed at least 24 hours.
- All salmon landed must be documented with a Department landing receipt and submitted to the Department in a timely manner - FG Code §8043-8047.
- Any person required to complete a landing receipt shall accurately record the total number of Chinook salmon landed in the "Note Pad" field of the landing receipt - FG Code §8043.

Retention of Pacific halibut incidental to the commercial salmon fishery is no longer allowed in 2017 due to the Area 2A quota being met.
