

STAFF SUMMARY FOR DECEMBER 12-13, 2018

37B. ADMINISTRATIVE ITEMS – RULEMAKING TIMETABLE**Today's Item**Information ☐Action ☒

Review and consider approving requested changes to the perpetual timetable for anticipated regulatory actions.

Summary of Previous/Future Actions

- FGC approved changes to rulemaking timetable Oct 17, 2018; Fresno
- **Today consider approving proposed rulemaking timetable Dec 12-13, 2018; Oceanside**

Background

FGC maintains a perpetual timetable for anticipated regulatory actions. At each FGC meeting, staff provides the latest approved timetable along with requests for changes from FGC staff and DFW, highlighted in bolded and underlined blue text (Exhibit 1).

- It is anticipated that DFW will request a delay in the Pacific Herring Fishery Management Plan (FMP) under Agenda Item 13, which will also require a delay to the rulemaking for implementing regulations for the FMP.

FGC staff makes the following recommendations:

- Add reference to Deer/Elk Tag Validation with Mammal Hunting.
- Replace "Sport Fishing (Annual)" with "Statewide Sport Fishing Revisions and Simplification for 2020".
- Correct Klamath-Trinity Salmon to read Klamath River Basin Sport Fishing (Annual).
- Due to the Feb 2019 FGC meeting changing from two days (Feb 6-7) to one (Feb 6), move regulatory action items originally scheduled for Feb 7 to Feb 6, 2019.
- Additions and edits to committee vetting and recommendation days.

Significant Public Comments (N/A)**Recommendation**

FGC staff: Adopt the proposed changes to the timetable for anticipated regulatory actions and provide direction on the scheduling of any rulemaking changes identified during the meeting.

Exhibits

1. Proposed timetable for anticipated regulatory actions, dated Dec 6, 2018

Motion/Direction

Moved by _____ and seconded by _____ that the Commission approves the proposed changes to the rulemaking timetable.

California Fish and Game Commission – Perpetual Timetable for Anticipated Regulatory Actions

(dates shown reflect the date intended for the subject regulatory action)
