

Joice Island Wild Pig Hunt Permit
Permit Valid only for April 6-7, 2019

Congratulations! You have been drawn for the Joice Island Pig Hunt
Please call if you cannot attend! There are many others waiting to take your spot!

Location: The wild pig hunt will be held on the Joice Island Unit of the Grizzly Island Wildlife Area in Solano County. From I-80, take Highway 12 East exit (towards Rio Vista). After Approx. 5 miles, turn South onto Grizzly Island Road (Jack in the Box on corner). Proceed 5 miles and turn right at the Joice Island gate (if you get to a boat ramp area you have gone too far).

Sign In: You must sign in at the self-registration booth before crossing over the Joice Island Bridge. Area Use Permits will be in the registration booth. One permit per hunter will be valid for both hunt days. Your non-shooting guest can be accounted for on your area permit under number in party. You must have in your possession: this Pig Hunt Permit, an Area Use Permit, valid California hunting license, and wild pig tag(s) during this hunt. The combination to the gate for your hunt weekend is **"BOAR" 2627**. The gate must remain closed and locked at all times. Shoot hours are from one-half hour before sunrise to one-half hour past sunset.

Sign Out: All hunters must sign out at the self-registration booth at the end of their hunting weekend. You must leave your *completed* Area Use Permit, and if you take a pig, leave the mail-in portion of your pig tag(s), in the box provided at the registration booth. Please reuse your Area Use Permit for the second day of your hunt. Just remember to leave everything in the booth when you leave the Wildlife Area.
