

Refugio Response Snapshot: June 7, 2015

Figures on this page reflect incident status report for daily period 7:00 a.m. June 7 - 6:59 a.m. June 8.

Date	June 3	June 4	June 5	June 6	June 7
Wildlife - cumulative totals					
Birds recovered - live	58	58	58	60	60
Birds recovered - dead	115	123	136	149	156
Total Birds	173	181	194	209	216
Mammals affected - live	42	42	43	44	45
Mammals dead	58	65	67	72	83
Total mammals affected	100	107	110	116	128
Wildlife detail	<p>Teams continue to rescue and recover animals in the response area. Some of the dead animals collected had visible oiling, others did not. Oiling is not an indication of cause of death. The cause of these deaths will not be known until detailed examination of the bodies are performed. The number of animal deaths caused by the spill will not be known until examinations are complete.</p> <p>More detailed information about affected wildlife is available at: www.owcn.org</p>				
Equipment Assigned					
Vessels - skimmers	21	21	17	17	8
Fixed wing aircraft	0	0	0	0	0
Helicopter	2	2	2	2	2
Heavy equipment	7	6	6	6	6
Vacuum/tank trucks	3	3	3	3	3
Boom assigned					
Boom on water - feet		6,000	6,000	6,000	5,000
Boom nearshore - feet		1,080	1,080	1,080	1,080
Total boom - feet		7,080	7,080	7,080	6,080
Personnel					
Personnel in Unified Command	123	127	124	119	101
Personnel assigned in the field	1,082	1,126	1,287	1,147	1,086
Shoreline Cleanup Assessment Techniques (SCAT) Teams (3-4 people per team)	5	4	4	4	4

Estimated Recovery					
Recovered oily water mixture - gallons	14,267	14,267	14,267	14,267	14,267
Oiled vegetation - cubic yards	645	645	645	660	660
Oiled sand - cubic yards	615	630	630	660	660
Oiled soil* - cubic yards	3,840	3,840	3,840	3,840	3,840
*Oiled soil continues to be removed daily, however oiled soil measurements have not been calculated. Oiled soil has not recently been transported to the waste disposal site where it is measured and calculated.					
Oiled debris - cubic yards	240	270	270	300	360
Closures or Restrictions	Description				
El Capitan Beach State Park, Refugio Beach State Park	Camping reservations have been cancelled through June 25, 2015 in an effort to expedite clean-up efforts. Campers with reservation during this time will be provided a full refund through Reserve America. Visitors wanting to find alternative overnight camping opportunities should contact a Reserve America representative at 1-800-444-7275 to locate campgrounds nearby. For current beach areas open for day use during the holiday weekend in Santa Barbara and Ventura counties, visitors should call (805) 585-1850. Information available at: http://www.parks.ca.gov/?page_id=603				
Fishery Closures	Canada de Alegria to Coal Oil Point fisheries still remain closed from west of Coal Oil Point to west of Gaviota State Beach. The closure boundary includes the shoreline and offshore areas between these points to 6 miles offshore. See link to map of fishery closures here .				
Marine Safety Zone	A safety zone remains in effect around the cleanup operations, from Coal Oil Point to Gaviota State Beach, six miles of shoreline extending 500 yards offshore. Mariners in the vicinity may receive broadcasts via marine band radio channel 16. See link to map of marine safety zone here .				
Temporary Flight Restriction	A Federal Aviation Administration flight restriction remains in effect in the area of the response. Aircraft not directed as part of the response may not enter the airspace of Refugio State Beach. The restriction encompasses a five-mile radius around the park with a 1,000-foot ceiling.
