

## Refugio Response Joint Information Center

# Research request: I am an academic researcher, how do I request to do research at the response site?

---

Any academic research requests will need to be routed through the Logistics Section of the Unified Command to be considered.

Please fill out a [research request here](#).

Only submitted research requests will be considered.

Please allow 3-5 working days for a response to your request.

Once a request is submitted it cannot be re-submitted.

If you have any changes to your request please e-mail [OSPRLiaison@wildlife.ca.gov](mailto:OSPRLiaison@wildlife.ca.gov), and allow an additional 3-5 days for a response.
