Affected Wildlife - What should I do if I spot oiled wildlife?

The public is advised not to attempt to rescue oiled wildlife. Untrained individuals who attempt to rescue wildlife may cause more harm than good and may injure themselves in the process. If oiled animals are scared back into the water by pets or people, their chances of survival decrease dramatically.

To report oiled wildlife: [1-877-823-6926](tel:1-877-823-6926)
