

Open Sport Fishing Area for Dungeness Crab, July 1 - 30

Mendocino-Sonoma County Line to the California-Oregon Border

The recreational fishery for Dungeness crab (*Metacarcinus magister*) closes south of the Sonoma-Mendocino county line every year on June 30. North of the Sonoma-Mendocino county line, recreational crabbers may continue to take Dungeness crab through July 30. See the current California Ocean Sport Fishing regulations booklet for complete Dungeness crab fishing regulations. Booklets are available wherever sport fishing licenses are sold, at your local CDFW office, and online at www.wildlife.ca.gov/regulations.
