**SPEAKING AT THE MEETING**

Committee meetings provide opportunity for members of the public to comment on agenda items during designated times. If you wish to speak on an agenda item, please follow these guidelines:

1. On a 3 x 5 card, write your name, your organization and the topic you wish to address. Give this card to the committee chair.
2. Once recognized, please begin by giving your name and affiliation.
3. Time is limited at meetings. Therefore, the time allotted for each public comment will be determined by the chair. Please keep your comments precise so that everyone has an opportunity to speak.

**WHEN WILL AGENDA ITEMS BE DISCUSSED?**

The Committee begins each session at the time listed on the agenda and generally considers each agenda item in the sequence listed. Exceptions do occur and include items deemed time sensitive.
