**CALIFORNIA DEPARTMENT OF FISH AND WILDLIFE (CDFW), FISHERIES  
RESTORATION GRANT PROGRAM (FRGP), 2016 PROPOSAL SOLICITATION  
NOTICE (PSN) WORKSHOPS**

This year's Proposal Solicitation Notice will be available on our web page at <http://www.dfg.ca.gov/fish/Administration/Grants/FRGP/Solicitation.asp> on February 1, 2016. There are important changes in the 2016 PSN. You will need to download the 2016 Solicitation as a reference document to assure compliance with the Department of Fish and Wildlife's proposal requirements.

This year applicants must submit their proposals using the online application process available at <https://nrmsecure.dfg.ca.gov/frgpproposal/Default.aspx> which will be available starting February 1, 2016 at 8 AM. Submittal deadline is March 11, 2016, 5:00 PM.

The CDFW will again be holding PSN workshops to assist applicants in understanding the requirements of the PSN. It is to the benefit of the applicant to attend one of these workshops even if the applicant has submitted proposals in the past. Please attend one of the workshops listed below for information on changes to the PSN.

In recognition of the need to respond to questions and to help guide the preparation for sound restoration proposals, the Department has scheduled multiply workshops for your assistance. All workshops are the same and anyone can attend any workshop. Locations, times, and contacts for workshops are listed on the next page.
