March 19, 20, May 14 and 15  
UC Sierra Foothill Research & Extension Center  
8279 Scott Forbes Road  
Browns Valley, CA 95918-9636

1. This junior turkey hunt is co-sponsored by the Sierra Foothill Research & Extension (SFREC) and the California National Wild Turkey Federation (NWTF). Hunters will be selected by lottery. The cost will be \$25 per hunter, there are no costs until the hunter is selected. A current junior hunting license (age 17 and under) will be required. Each junior hunter, or junior hunting party, must be accompanied by a non-hunting adult.
2. Applications are due on **February 5<sup>th</sup>, 2016**. If your name is drawn, you will receive notification by February 12<sup>th</sup>. Only one application per junior hunter. Up to two junior hunters may be selected together as partners and they should submit their applications together (indicate partner's name on your application). **It is important to read the application carefully, follow all the instructions, and print neatly.**
3. **Policy Statement** - If you participated, or secured a spot, in last year's program (Spring 2015), you are still eligible to apply in this year's program, but priority will be given to hunters that were not selected for last year's hunt. This will allow more junior hunters to participate in this program.
4. An orientation, and tour of the area will be held the evening before each hunt. This is **HIGHLY** recommended, but not mandatory. You will be able to scout your assigned area that evening and meet the guides for the following morning's hunt.
5. Any questions, **call (530) 844-6812 (NWTF) or (530) 639-8800 (SFREC)**. Applications may be copied for others interested in this hunt.
