

**California Department of Fish and Wildlife
Office of Spill Prevention and Response (OSPR)**

Notice of Drills and Exercises Roundtables to be held at various California locations

OSPR's Drills and Exercises Unit will be hosting eight one-day Roundtables statewide. These events will serve to educate new plan holders on Drills and Exercises regulations and requirements, effective January 1st, 2016.

Note: Participation in one of these Roundtables will fulfill the 2016 Tabletop credit requirement for **new plans**.

The Roundtables and RSVP deadlines have been added to the drill calendar and can be viewed at the following link: <https://calspillwatch.dfg.ca.gov/Calendar>

April 6 and 7, 2016

CDFW Office of Training and Development
1740 North Market Blvd.
Sacramento, CA 95834
0900-1630

April 20 and 21 and July 20 and 21, 2016

Associated Builders & Contractors
19466 Flightpath Way
Bakersfield, CA 93308
0900-1630

May 25 and 26, 2016

CDFW Field Office
4665 Lampson Avenue
Los Alamitos, 90720
0900-1630

Recommended training, in advance of the Roundtable, includes ICS100, ICS200, and ICS700. Online courses can be accessed through FEMA's Website: <https://training.fema.gov/nims/>

To sign up, please send an email with the exercise date, company name, and the company representative's name and email address to osprdrills@wildlife.ca.gov. If more than one representative wishes to attend, please list primary and secondary participants.

For questions about these upcoming events, contact any of the individuals listed below. Thank you!
