Ramona Grasslands Conservation Bank Service Area Description

The Ramona Grasslands Conservation Bank has a service area that would include the East Otay Mesa Specific Plan (EOMSP) area within the South County Segment of the Multiple Species Conservation Program (MSCP) and Planning Units 12, 13, 14, 15, 17, and 23 of the Draft North County MSCP (Attachment 1). Areas outside of this service area could use the bank upon concurrence from the Wildlife Agencies.

Vernal pool credits are limited to Planning Units 12, 13, 14, 15, 17, and 23 of the Draft North County MSCP.
