

Appendix 4. List of Acronyms and Abbreviations

| | |
|----------------|---|
| λ | lambda |
| AC | Activity Center |
| AK | Adaptive Kernal |
| AMA | Adaptive Management Areas |
| AR | Anticoagulant Rodenticides |
| BLM | Bureau of Land Management |
| BO | Biological Opinion |
| BOE | Board of Equalization |
| BOF | State Board of Forestry and Fire Protection |
| CA State Parks | California Department of Parks and Recreation |
| CAL FIRE | California Department of Forestry and Fire Protection |
| CAS | South Cascades Study Area |
| CD | Consistency Determination |
| CEQA | California Environmental Quality Act |
| CESA | California Endangered Species Act |
| CI | Confidence Interval |
| CLE | Cle Elum Study Area |
| CNDDDB | California Natural Diversity Database |
| COA | Coast Ranges Study Area |
| Commission | Fish and Game Commission |
| CWHR | California Wildlife Habitat Relationships |
| DBH | Diameter at Breast Height |
| DSA | Density Study Area |
| Department | California Department of Fish and Wildlife |
| ECS | Eastern Cascade - South Region |
| EIR | Environmental Impact Report |
| EPA | Environmental Protection Agency |
| ESA | Federal Endangered Species Act |
| FEIS | Final Environmental Impact Statement |
| FRGP | Fisheries Restoration Grant Program |
| FGS | Fruit Growers Supply Company |
| FEMAT | Forest Ecosystem Management Assessment Team |
| FK | Fixed Kernal |
| FMP | Forest Management Plan |
| FSC | Forest Stewardship Council |
| GDR | Green Diamond Resource Company study area |
| GDRC | Green Diamond Resource Company |
| HCP | Habitat Conservation Plan |
| HFP | Habitat Fitness Potential |
| HJA | H,J, Andrews Study Area |
| HUP | Hoopa Indian Reservation study area |
| HRC | Humboldt Redwood Company |
| ICC | Interior Coast Region |
| ITP | Incidental Take Permit |

| | |
|------------|---|
| ITS | Incidental Take Statement |
| JDSF | Jackson Demonstration State Forest |
| KLA | Klamath Study Area |
| KLE | Eastern Klamath Region |
| KLW | Western Klamath Region |
| LSA | Late-Successional Areas |
| LSAA | Lake or Streambed Alteration Agreement |
| LSR | Late-Successional Reserve |
| MCP | Minimum Convex Polygon |
| MBF | 1,000 board-foot |
| MMCP | Modified Minimum Convex Polygon |
| MRC | Mendocino Redwood Company |
| NCA | National Conservation Area |
| NCCP | Natural Community Conservation Plan |
| NPS | National Park Service |
| NRIS | Natural Resource Information System |
| NSO | Northern Spotted Owl |
| NTMP | Nonindustrial Timber Management Plans |
| NWC | Northwest California study area |
| NWFP | Northwest Forest Plan |
| OLY | Olympic Study Area |
| Option (e) | Forest Practice Rules section 919.9[939.9], subsections e |
| Option (g) | Forest Practice Rules section 919.9[939.9], subsections g |
| PRNS | Point Reyes National Seashore |
| RA | Recovery Action |
| RAI | Rainier Study Area |
| RDC | Redwood Coast Region |
| RNSP | Redwood National and State Parks |
| RPF | Registered Professional Foresters |
| SE | Standard Error |
| SHA | Safe Harbor Agreement |
| SOE | Spotted Owl Expert |
| SOMP | Spotted Owl Management Plans |
| SORP | Spotted Owl Resource Plan |
| SP | State Park |
| THP | Timber Harvest Plan |
| TYE | Tyee Study Area |
| UCNRS | UC Natural Reserve System |
| USFWS | U.S. Fish and Wildlife Service |
| USFS | U.S. Forest Service |
| USFS | United States Forest Service |
| WCSA | Willow Creek Study Area |
| WHR | California Wildlife Habitat Relationship |
| WNV | West Nile virus |
