**ADDITIONAL INFORMATION**

Permits will be issued to reservation holders starting two hours before shooting time. The enclosed Congratulations letter must be exchanged at the **Los Banos Wildlife Area checking station** by one hour before shooting time for a permit to hunt on one of the controlled access areas. Reservations will expire one hour before shooting time.

Congratulations letters will be exchanged for permits in the order they are numbered beginning with #1. This reservation may not be transferred to another person; it is valid only for the person or persons noted on the Congratulations letter.

You (and your guest, if applicable) may only hunt in the section you have chosen or are assigned at the checking station. There is no restriction on the number of shot shells that may be possessed in the field during the September dove season. With the reduction of hunters in these areas plenty of space should be available so please keep safe distances between hunting parties and always look beyond your target before shooting. A map of the area depicting the controlled hunt areas is enclosed for you use.

This hunting opportunity was funded through Upland Game Bird Stamp funds, Fish and Game Preservation Fund (hunting license sales), and Federal Aid to Wildlife Restoration Funds (federal taxes on firearms and ammunition).

If you have any questions regarding opening day procedure please call (209) 826-0463. Good Luck and hunt safely.

**As of July 1st, 2015 Non Lead Ammunition will be required when hunting on all ALL California Department of Fish and Wildlife Lands. Please Plan Accordingly.**

Sincerely,

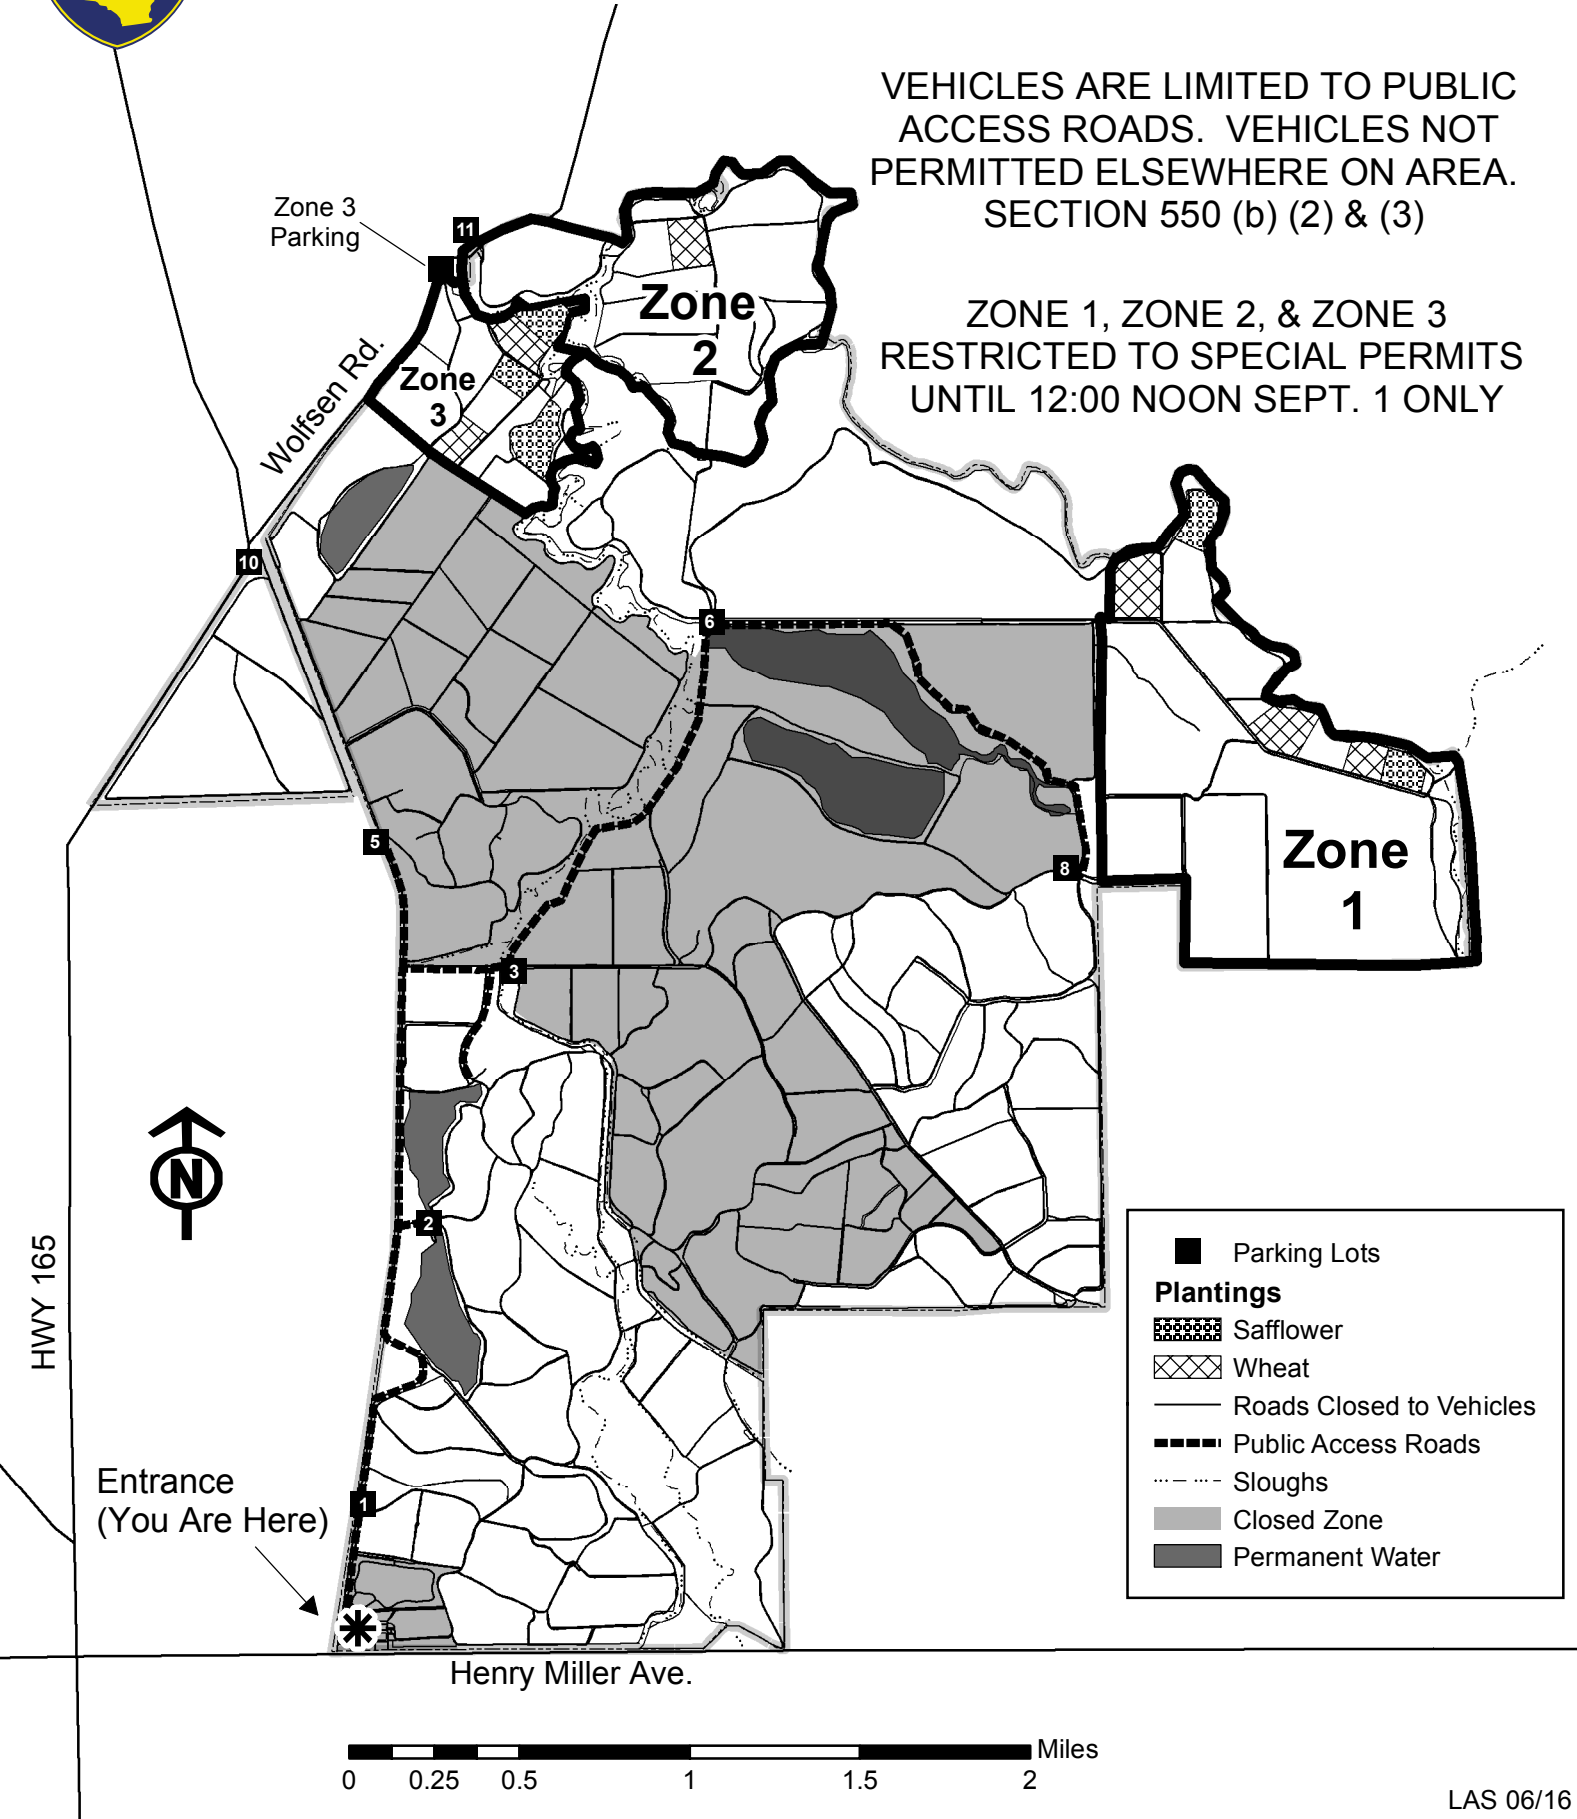

William W. Cook Jr.  
Senior Environmental Scientist
