

# Mendota Wildlife Area 2018 Flood-up Schedule

Schedule	
<span style="display:inline-block; width:15px; height:15px; background-color:lightblue; border:1px solid black;"></span>	Aug 1-31
<span style="display:inline-block; width:15px; height:15px; background-color:purple; border:1px solid black;"></span>	Sept 1-15
<span style="display:inline-block; width:15px; height:15px; background-color:red; border:1px solid black;"></span>	Sept 16 - 30
<span style="display:inline-block; width:15px; height:15px; background-color:blue; border:1px solid black;"></span>	Oct 1 -31
<span style="display:inline-block; width:15px; height:15px; background-color:orange; border:1px solid black;"></span>	Nov 1 - 30
<span style="display:inline-block; width:15px; height:15px; background-color:darkblue; border:1px solid black;"></span>	Dec 1 - 15
<span style="display:inline-block; width:15px; height:15px; background-color:green; border:1px solid black;"></span>	Dec 16 - 31
<span style="display:inline-block; width:15px; height:15px; background-color:white; border:1px solid black;"></span>	Permanent
<span style="display:inline-block; width:15px; height:15px; background-color:purple; border:1px solid black;"></span>	tbd
<span style="display:inline-block; width:15px; height:15px; background-color:white; border:1px solid black;"></span>	Dry
<span style="display:inline-block; width:15px; height:15px; border:1px solid black; text-align:center; vertical-align:center;">P</span>	Parking_lots

Please note: This is a tentative flood-up schedule for MWA.  
 The amount of acreage flooded depends on pumps working and condition of delivery ditches.  
 Pumps 4 and 5 are in the shop and waiting for parts (tbd).  
 There are various moist soil cells not being flooded due to rehab (put in dry with upland).
