

Mohave Ground Squirrel Bibliography

This bibliography, dated 23 February 2017 replaces the 29 November 2016 version (with six new references) that was compiled and prepared by Ed LaRue with review and comment by numerous entities, particularly Dr. Philip Leitner. If you have comments and, in particular, new materials that can be added to the list of references, please provide that information to ed.larue@verizon.net.
