

CALIFORNIA FISH AND GAME COMMISSION
RESOLUTION RECOGNIZING

**OCTOBER 2016 AS
NATIONAL DISABILITY EMPLOYMENT AWARENESS MONTH**

WHEREAS, about 56.7 million Americans live with disabilities, including veterans who became disabled while serving our country; and

WHEREAS, welcoming the talents of all people, including people with disabilities, is a critical part of our effort to build an inclusive community, strong economy and healthy environment; and

WHEREAS, the State of California is celebrated for its wide array of outdoor recreational activities and diverse wildlife; and

WHEREAS, the most effective methods for improving the lives of people with disabilities are public awareness, understanding and inclusion in the community and workplace; and

WHEREAS, the California Fish and Game Commission is committed to empowering and supporting people with disabilities to achieve self-determined lifestyles through community-based activities and relationships; and

WHEREAS, the California Fish and Game Commission encourages every person with a disability to experience recreation in California's wild places; and

WHEREAS, the California Fish and Game Commission is proud to support access to fishing, hunting, and other outdoor recreational opportunities;

NOW THEREFORE, BE IT RESOLVED, that the California Fish and Game Commission, in concert with the California Department of Fish and Wildlife's Disability Advisory Committee, recognizes October 2016 as NATIONAL DISABILITY EMPLOYMENT AWARENESS MONTH to raise awareness about disability employment issues, celebrate the many and varied contributions of people with disabilities, promote enjoyment of California's fish and wildlife resources by people with disabilities, and urge everyone to dedicate themselves to empowering and fully including these individuals in all aspects of community life all year long.
