CALIFORNIA DEPARTMENT OF FISH AND WILDLIFE (CDFW), WATERSHED RESTORATION GRANTS BRANCH, FISHERIES HABITAT RESTORATION 2017 PROPOSAL SOLICITATION NOTICE (FHR 2017 PSN) WORKSHOPS

This year's Proposal Solicitation Notice will be available on our web page at <https://www.wildlife.ca.gov/Grants/FRGP/Solicitation> on February 2, 2017. There are important changes in the FRH 2017 PSN. You will need to download the 2017 Solicitation as a reference document to assure compliance with the Department of Fish and Wildlife's proposal requirements.

This year applicants must submit their proposals using the online application process available at <https://nrmsecure.dfg.ca.gov/frgproposal/Default.aspx> which will be available starting February 2, 2017 at 8 AM. Submittal deadline is April 3, 2017, 5:00 PM.

The CDFW will again be holding PSN workshops to assist applicants in understanding the requirements of the PSN. It is to the benefit of the applicant to attend one of these workshops even if the applicant has submitted proposals in the past. Please attend one of the workshops listed below for information on changes to the PSN.

In recognition of the need to respond to questions and to help guide the preparation for sound restoration proposals, the Department has scheduled multiple workshops for your assistance. All workshops are the same and anyone can attend any workshop. Locations, times, and contacts for workshops are listed on the next page.
