NEW HOGAN LAKE CONSERVANCY

2-18-03

David Johnson
Park Ranger
New Hogan Lake

Dear David;

On Feb. 5, 2003 the conservancy, DFG, Vallecito inmates finished the habitat work for 2003 in Wrinkle Cove.

We rebuilt 28 brushpiles and installed the final 10 catfish hotels among these 28 brushpiles.

I will notify you next December, if I can get more funds for Jan. 2004.
