

September 17, 2015

The Department of Fish and Wildlife (Department) has updated its website with 15 Day Notice of California Notice Register 2015, No. 4-Z-2015-0113-07, Re: Dreissenid Mussels. This is the second 15 day continuation notice of proposed regulatory action relative to amendments to the Initial Statement of Reasons for the Department of Fish and Wildlife's proposed Dreissenid Mussel regulations, which were published in the California Regulatory Notice Register on January 23, 2015, Register 2015, No. 4-Z: OAL Notice File No. Z-2015-0113-07 and revised with a 15 day continuation notice on May 11, 2015.

The proposed additional changes for public notice expand the discussion of the necessity of the proposed regulatory provisions pursuant to Government Code Section 11349(a), and add the revised Economic and Fiscal Impact Statement, STD 399, as to the rulemaking file pursuant to Government Code Section 11346.8(d).

All written comments on the proposed amendments to the Initial Statement of Reasons must be received no later than 5:00 p.m. on October 2, 2015.

Additional information and all associated documents may be found on the Department of Fish and Wildlife website at:

<https://www.wildlife.ca.gov/Notices/Regulations/Dreissenid-Mussels>.

If you have any questions regarding this proposed action, please contact Jennifer LaBay, Senior Environmental Scientist, Invasive Species Program at (916) 653-3868. Related comments or questions can also be submitted to the Department via email at the following address: Jennifer.LaBay@wildlife.ca.gov.
