A message about invasive species issues in California...

The following information is being forwarded on behalf of Pacific States Marine Fisheries Commission:

Western Aquatic Invasive Species Webinar Series

Please join us for the Western Aquatic Invasive Species webinar series hosted by the Pacific States Marine Fisheries Commission. The series focuses on collaborative activities in the western states to prevent the introduction and spread of aquatic invasive species, such as quagga and zebra mussels.

Webinar #3: October 14, 2016, 11:00 am-11:30 am Pacific Time

Building Consensus in the West: Sharing Information to Reduce the Spread and Introduction of Aquatic Invasive Species in the West

Join the Pacific States Marine Fisheries Commission as we share online databases associated with regional watercraft inspection and decontamination stations, state and provincial aquatic invasive species coordinators, and water quality monitoring!
