Statewide (special interest in Placer, Sacramento, Yolo, and Los Angeles counties, and the Delta region)	California Department of Fish and Wildlife	Any time	California Nerodia Watch iNaturalist Project	Join the California Nerodia Watch project and help the Department of Fish and Wildlife monitor for the spread of existing <i>Nerodia</i> * watersnake populations, prevent the establishment of new populations, and facilitate rapid response management efforts to control or eradicate <i>Nerodia</i> watersnakes in California. * <i>Nerodia</i> are restricted in California, so take their pictures only, please! www.inaturalist.org/projects/california-nerodia-watch	Yes, register at iNaturalist.org or in the free app
		Wetlands, streams, canals, ponds, lakes, rivers			

Saturday, June 3rd

County	Organization	Time/Location	Project	Details	Registration required?
Alameda	Calflora	1:00 – 3:00pm	All invasive plants on the Cal-IPC list	Join Calflora for an afternoon of removing invasive plants! Additional Weed Management Training for Volunteers will take place from 9am-1pm.	Yes; register at www.cal-ipc.org (under new at Cal-IPC)
		Trudeau Center, Oakland			
Contra Costa	Save Mount Diablo	9am-12pm	Diablo Restoration Team Workday	Come lend a hand in improving habitat for wildlife on Save Mount Diablo's newest restoration site, Marsh Creek 8! What was once a golf course fairway turned residential property, the Diablo Restoration Team will increase native plant abundance and diversity in a high quality portion of Marsh Creek floodplain. Dress in layers, be sure to wear sturdy shoes, and bring plenty of water and sunscreen. Workday will happen rain or shine, there are no restrooms on site. Meet at 14350 Marsh Creek Rd. east of Clayton. Directions: The 14350 Marsh Creek Rd property driveway is 3.6 miles east of the intersection with Morgan Territory Road, and 3.2 miles west of the intersection with Deer Valley Road. East of Aspara and Gill Roads, the canyon will widen out on the south, you'll pass a large faded green barn, and a large flat area along the creek will come into view—right as you're about to pass the driveway. It's the first, westernmost of two side by side straight, north-south driveways. Look for a Save	Yes; register HERE
		Marsh Creek 8

				Mount Diablo sign; no reliable cell phone signal and Google maps will send you too far west.	
Humboldt/ Siskiyou	Mid Klamath Watershed Council	9:30am-12:30pm	Weeding workday	Join us for a weeding workday! Meet in Orleans at the Mid Klamath Watershed Council (same building as the post office). All ages are welcome and encouraged to join.	Yes; email tanya@mkwc.org
		TBD			
Los Angeles	Madrona Marsh Preserve and Nature Center	8:45am – 12:00pm	Habitat Restoration Program and invasive species programming	Join us for Invasive Species Week! Learn to identify invasive plant species and how to remove them from your yards and on the Preserve. Talk about what other types of invasive species there are in California and how you can help with this growing problem. Wear closed toed shoes and long pants. Water and refreshments will be provided. All ages welcome.	Yes; call (310) 782-3989
		Madrona Marsh Preserve and Nature Center			
Los Angeles	National Park Service	9am-1pm	Trail maintenance!	Rangers will be leading volunteer crews in maintaining the Ranch Overlook and Satwiwa Loop trails at Rancho Sierra Vista. Activities will include installing water diversions, removing vegetation, and bridge repair. This event is supported by California State Parks, the Santa Monica Mountains Trails Council, and the Santa Monica Mountains Task Force of the Sierra Club. Meet at main parking lot: Rancho Sierra Vista, Via Goleta and Lynn Road, Newbury Park, CA, 91320. Volunteers should dress appropriately with protective footwear, pants and sun protection. Long sleeves suggested. Tools, gloves, and refreshments will be provided. Participants must be at least 8 years old and minors must be accompanied by an adult. Visit http://www.samofund.org/calendar/ for more information, or find the event on Facebook (https://www.facebook.com/events/1711613612197280/)	RVSPs are appreciated, but not required. Email ryan_stead@nps.gov or call 805-418-3176.
		Rancho Sierra Vista			
Los Angeles	National Park Service	9am-12pm	Weed control	Controlling weeds keeps trails clear and beautiful. One of the most threatening weeds in the Santa Monica Mountains is carnation spurge (Euphorbia terracina), which not only pushes out native plants, but are toxic to animals and humans. Rangers are currently attacking the problem at Zuma Canyon. Meet at the Bonsall Dr parking lot; Zuma Canyon, end of Bonsall Dr, Malibu, CA 90265. Volunteers should dress appropriately with protective footwear, pants and sun protection. Long sleeves suggested. Tools, gloves, and refreshments will be provided. Participants must be at least 8 years old and minors must be accompanied by an adult. Visit	RVSPs are appreciated, but not required. Email ryan_stead@nps.gov or call 805-418-3176.
		Zuma Canyon

Los Angeles	Palos Verdes Peninsula Land Conservancy	9:00am – 12:00pm George F Canyon Nature Preserve	Hike	Join us for a Saturday hike through the preserve!	Yes; register HERE
Los Angeles	Palos Verdes Peninsula Land Conservancy	9:00am – 12:00pm White Point Nature Preserve	Invasive plant removal	Join us for our Outdoor Volunteer Day at White Point Nature Preserve! You will help care for the White Point Native Plant Demonstration Garden by planting native shrubs, removing invasive weeds, watering native plants, grooming trails and more! Your efforts will help restore this habitat for wildlife as well as create a beautiful place for the community to enjoy! White Point is located at 1600 W. Paseo del Mar in San Pedro. Enter the free parking lot from the Western Blvd as it turns into Paseo del Mar. We are located at the end of the road on the left-hand side. We will be working outdoors, so please wear closed-toed shoes, sun protection and be sure to bring drinking water and a snack. Thank you for volunteering!	Yes; register HERE
Marin	Marin Audubon Society	10am-1pm Triangle Marsh	Restoration	Invasive plant removal at Triangle Marsh in Corde Madera, CA. Marsh Directions: From the Paradise Drive exit on Highway 101 go 1.5 miles south of The Village Shopping Center on Paradise Drive. Triangle Marsh is between Golden Hind Passage and the Marin Montessori School.	Yes; please email Bob Hinz at rbrthnz@comcast.net
Mendocino	Mussel Dogs	7am-3pm Lake Mendocino	Quagga/zebra mussel detection dog demonstration	Come to one of our boat inspection stations to learn why it's important to CLEAN, DRAIN, and DRY your watercraft, and meet Captain, Popeye, Nemo, Noah, or Sinbad....our Mussel Dogs!	No
San Diego	California State Parks	8:30am-1:30pm Torrey Pines State Natural Reserve	Habitat Restoration	Volunteers will remove invasive plants, specifically Carpobrotus, by hand. Tools, training, lunch, and smiles provided. No experience necessary. A short hike may be required. Attending this workday is a great way to learn about the importance of native plants to our natural ecosystem. Kids ages 12 and up are welcome with a legal guardian. Preregistration is required to ensure we have enough tools and lunches.	Yes; register HERE

To view the CISAW Map of Events and find additional information, please visit <https://www.wildlife.ca.gov/CISAW>

San Francisco	Golden Gate Audubon Society	9am-12pm	Invasive plant removal	Join us in removing invasive weeds (Salsola soda, Algerian Sea Lavender, Sour Clover) from Pier 94, a wetland for birds, butterflies, and other native wildlife, along San Francisco Bay. Gloves, tools, instructions, and snacks will be provided. Bring your own water bottle. Wear sturdy shoes, long sleeved shirt, and long pants. Bring a hat or wear sunscreen.	No; sign waiver on site
		Pier 94			
San Francisco, San Mateo, Marin	Golden Gate National Parks Conservancy	Varies by program	National Trails Day! Various programs offered	Celebrate National Trails Day in the Golden Gate National Parks! National Trails Day is the nation's largest celebration of trails and the outdoors. Here at Golden Gate, the Trails Forever Team, National Park Service, and our partners, One Tam , REI , and American Hiking Society , will host a series of trail projects throughout the park (Marin, San Mateo, and San Francisco). Help enhance our trail systems, meet fellow park lovers, and enjoy a celebration of our great park!	Yes; register HERE or visit the GGNPC webpage

Orange	Bolsa Chica Land Trust	9:00am – 12:00pm	Invasive and non-native plant removal	The Stewards meet (rain or shine) to restore native plant habitat at the Bolsa Chica Ecological Reserve. Our goal is to restore the degraded former farm land to a sustainable native habitat of California grasslands and Coastal Sage Scrub. We meet at the Reserve parking lot located at the corner of Warner Avenue and Pacific Coast Highway (the entrance at 3842 Warner Ave, Huntington Beach). We supply the tools/equipment, water and some snacks for the volunteers. We ask that volunteers wear long pants and closed-toed shoes that can get dirty along with sunscreen since we will be in the sun the whole morning. We also ask that everyone under 14 be accompanied by a parent or guardian. Please try to carpool if possible because our parking lot is very small.	No

Friday, June 9th

County	Organization	Time/Location	Project	Details	Registration required?
Mendocino	Mussel Dogs	11:30am-7pm	Quagga/zebra mussel detection dog demonstration	Come to one of our boat inspection stations to learn why it's important to CLEAN, DRAIN, and DRY your watercraft, and meet Captain, Popeye, Nemo, Noah, or Sinbad....our Mussel Dogs!	No
		Lake Mendocino			
Monterey	California Department of Parks and Recreation	9:00am-12:00pm	Volunteer workday	Join us for some weeding at Asilomar State Beach! For this project, we will be hand pulling invasive annual grasses and other weeds around the Asilomar Conference Grounds. Please meet at 804 Crocker Ave., Pacific Grove, CA 93950	Yes; email: wes.gray@parks.ca.gov
		Asilomar Conference Grounds			
Sacramento	American River Parkway Foundation	9:00am – 12:00pm	Invasive plant removal (red sesbania)	Join us and help remove Red Sesbania from the American River Parkway. Red Sesbania is an invasive plant that forms thick stands of trees along our shorelines. These plants out compete native plants, limit access to the river, and increase erosion. Volunteers will be removing seedlings by hand. Volunteers should bring water, wear closed toed shoes and comfortable clothes, sunscreen, and extra gloves if they have them. Volunteers will meet at the Harrington Way river access located in Carmichael. Parking passes will be provided for volunteers.	Yes; email: volunteer@arpf.org
		Harrington Way Stopping Point			
Sonoma	Mussel Dogs	11:30am-7pm	Quagga/zebra mussel detection dog demonstration	Come to one of our boat inspection stations to learn why it's important to CLEAN, DRAIN, and DRY your watercraft, and meet Captain, Popeye, Nemo, Noah, or Sinbad....our Mussel Dogs!	No
		Lake Sonoma			

Saturday, June 10th

County	Organization	Time/Location	Project	Details	Registration required?
Alameda	Save The Bay	9:00am – 12:00pm	Invasive plant removal	Join us to help remove invasive plant species (Russian thistle, Fennel, Stinkwort) from within our newest restoration site. No experience necessary. Gloves, tools and instruction provided. Each event is led by Save The Bay staff certified in first aid and CPR. Children under the age of 16 must be accompanied by a parent or guardian.	Yes; register HERE or visit the website
		Bair Island (Redwood City, CA)			
Contra Costa	Friends of Five Creeks	10am-12:30pm	French broom removal	Help keep El Cerrito's 100-acre natural area full of diverse habitats and safe from fire! We'll take a walk with beautiful views to pull out invasive, fire-prone French broom. Wear long pants, long sleeves, socks, and closed-toed shoes with good traction. We supply gloves, tools, water, and snacks, Meet at 10 AM at the main, Schmidt Lane, entrance, east of Navellier and west of the El Cerrito Recycling Center (opposite 7500 Schmidt Lane). Questions? Email f5creeks@gmail.com . Details on these and other F5C events on our calendar page .	No
		El Cerrito's Hillside Natural Area			
Los Angeles	Madrona Marsh Preserve and Nature Center	8:45am – 12:00pm	Habitat Restoration Program and invasive species programming	Join us for Invasive Species Week! Learn to identify invasive plant species and how to remove them from your yards and on the Preserve. Talk about what other types of invasive species there are in California and how you can help with this growing problem. Wear closed toed shoes and long pants. Water and refreshments will be provided. Start time is 8:45 a.m. - 12noon. all ages welcome.	Yes; call (310) 782-3989
		Madrona Marsh Preserve and Nature Center			
Los Angeles	Mountains Restoration Trust	9:00am – 11:00am	Red swamp crayfish removal	Join Mountains Restoration Trust to preserve and protect the streams and creeks of the Malibu Creek Watershed. The invasive, non-native crayfish are harmful to the ecosystem of the Santa Monica Mountains. They prey on native species, reduce water quality, and cause problems with creek bed erosion. We need your help in trapping and removing the crayfish as well as picking up trash along the stream.	Yes; visit HERE

To view the CISAW Map of Events and find additional information, please visit <https://www.wildlife.ca.gov/CISAW>
