	<a href="#">Center</a>				
Statewide	<a href="#">California Department of Fish and Wildlife</a>	At your convenience	Quagga/zebra mussel monitoring	Join CDFW's Invasive Species Program in a statewide citizen science effort to monitor for quagga mussels. Visit the <a href="#">citizen science page</a> for instructions, to print data sheets, and to enter the results of your survey. Did you encounter any other aquatic invasive species? Tell us about those too!	No
		Any (fresh)waterbody			
Statewide (special interest in Placer, Sacramento, Yolo, and Los Angeles counties, and the Delta region)	<a href="#">California Department of Fish and Wildlife</a>	Any time	<a href="#">California Nerodia Watch</a> iNaturalist Project	Join the California Nerodia Watch project and help the Department of Fish and Wildlife monitor for the spread of existing <i>Nerodia</i> * watersnake populations, prevent the establishment of new populations, and facilitate rapid response management efforts to control or eradicate <i>Nerodia</i> watersnakes in California. * <i>Nerodia</i> are <a href="#">restricted</a> in California, so take their pictures only, please! <a href="http://www.inaturalist.org/projects/california-nerodia-watch">www.inaturalist.org/projects/california-nerodia-watch</a>	Yes, register at <a href="http://iNaturalist.org">iNaturalist.org</a> or in the free app
		Wetlands, streams, canals, ponds, lakes, rivers			

### Saturday, June 3<sup>rd</sup>

County	Organization	Time/Location	Project	Details	Registration required?
Alameda	<a href="#">Calflora</a>	1:00 – 3:00pm	All invasive plants on the Cal-IPC list	Join Calflora for an afternoon of removing invasive plants! Additional Weed Management Training for Volunteers will take place from 9am-1pm.	Yes; register at <a href="http://www.cal-ipc.org">www.cal-ipc.org</a> (under new at Cal-IPC)
		Trudeau Center, Oakland			
Contra Costa	<a href="#">Save Mount Diablo</a>	9am-12pm	Diablo Restoration Team Workday	Come lend a hand in improving habitat for wildlife on Save Mount Diablo's newest restoration site, Marsh Creek 8! What was once a golf course fairway turned residential property, the Diablo Restoration Team will increase native plant abundance and diversity in a high quality portion of Marsh Creek floodplain. Dress in layers, be sure to wear sturdy shoes, and bring plenty of water and sunscreen. Workday will happen rain or shine, there are no restrooms on site. Meet at 14350 Marsh Creek Rd. east of Clayton.  Directions: The 14350 Marsh Creek Rd property driveway is 3.6 miles east of the intersection with Morgan Territory Road,	Yes; register <a href="#">HERE</a>
		Marsh Creek 8			

To view the CISAW Map of Events and find additional information, please visit <https://www.wildlife.ca.gov/CISAW>

				and 3.2 miles west of the intersection with Deer Valley Road. East of Aspara and Gill Roads, the canyon will widen out on the south, you'll pass a large faded green barn, and a large flat area along the creek will come into view—right as you're about to pass the driveway. It's the first, westernmost of two side by side straight, north-south driveways. Look for a Save Mount Diablo sign; no reliable cell phone signal and Google maps will send you too far west.	
Humboldt/ Siskiyou	<a href="#">Mid Klamath Watershed Council</a>	9:30am-12:30pm	Weeding workday	Join us for a weeding workday! Meet in Orleans at the Mid Klamath Watershed Council (same building as the post office). All ages are welcome and encouraged to join.	Yes; email <a href="mailto:tanya@mkwc.org">tanya@mkwc.org</a>
		TBD			
Los Angeles	<a href="#">Madrona Marsh Preserve and Nature Center</a>	8:45am – 12:00pm	Habitat Restoration Program and invasive species programming	Join us for Invasive Species Week! Learn to identify invasive plant species and how to remove them from your yards and on the Preserve. Talk about what other types of invasive species there are in California and how you can help with this growing problem. Wear closed toed shoes and long pants. Water and refreshments will be provided. All ages welcome.	Yes; call (310) 782-3989
		Madrona Marsh Preserve and Nature Center			
Los Angeles	<a href="#">National Park Service</a>	9am-1pm	Trail maintenance!	Rangers will be leading volunteer crews in maintaining the Ranch Overlook and Satwiwa Loop trails at Rancho Sierra Vista. Activities will include installing water diversions, removing vegetation, and bridge repair. This event is supported by California State Parks, the Santa Monica Mountains Trails Council, and the Santa Monica Mountains Task Force of the Sierra Club. Meet at main parking lot: Rancho Sierra Vista, Via Goleta and Lynn Road, Newbury Park, CA, 91320. Volunteers should dress appropriately with protective footwear, pants and sun protection. Long sleeves suggested. Tools, gloves, and refreshments will be provided. Participants must be at least 8 years old and minors must be accompanied by an adult. Visit <a href="http://www.samofund.org/calendar/">http://www.samofund.org/calendar/</a> for more information, or find the event on Facebook ( <a href="https://www.facebook.com/events/1711613612197280/">https://www.facebook.com/events/1711613612197280/</a> )	RVSPs are appreciated, but not required. Email <a href="mailto:ryan_stead@nps.gov">ryan_stead@nps.gov</a> or call 805-418-3176.
		<a href="#">Rancho Sierra Vista</a>

Mendocino	<a href="#">Mussel Dogs</a>	7am-3pm	Quagga/zebra mussel detection dog demonstration	Come to one of our boat inspection stations to learn why it's important to CLEAN, DRAIN, and DRY your watercraft, and meet Captain, Popeye, Nemo, Noah, or Sinbad....our Mussel Dogs!	No
		<a href="#">Lake Mendocino</a>			
Orange	<a href="#">Bolsa Chica Land Trust</a>	9:00am – 12:00pm	Invasive and non-native plant removal	The Stewards meet (rain or shine) to restore native plant habitat at the Bolsa Chica Ecological Reserve. Our goal is to restore the degraded former farm land to a sustainable native habitat of California grasslands and Coastal Sage Scrub. We meet at the Reserve parking lot located at the corner of Warner Avenue and Pacific Coast Highway (the entrance at 3842 Warner Ave, Huntington Beach). We supply the tools/equipment, water and some snacks for the volunteers. We ask that volunteers wear long pants and closed-toed shoes that can get dirty along with sunscreen since we will be in the sun the whole morning. We also ask that everyone under 14 be accompanied by a parent or guardian. Please try to carpool if possible because our parking lot is very small.	No
