**This parking area will be expanded, repaved, restriped, and reconfigured to improve traffic flow and increase parking capacity. Three new light standards will be installed as well.**

## 17 Fields Landing Public Access Improvements, Humboldt County

A new parking area will be constructed on this parcel further increasing parking capacity for the boat ramp. Two new light standards will be installed here as well.

# 17 Fields Landing Public Access Improvements, Humboldt County

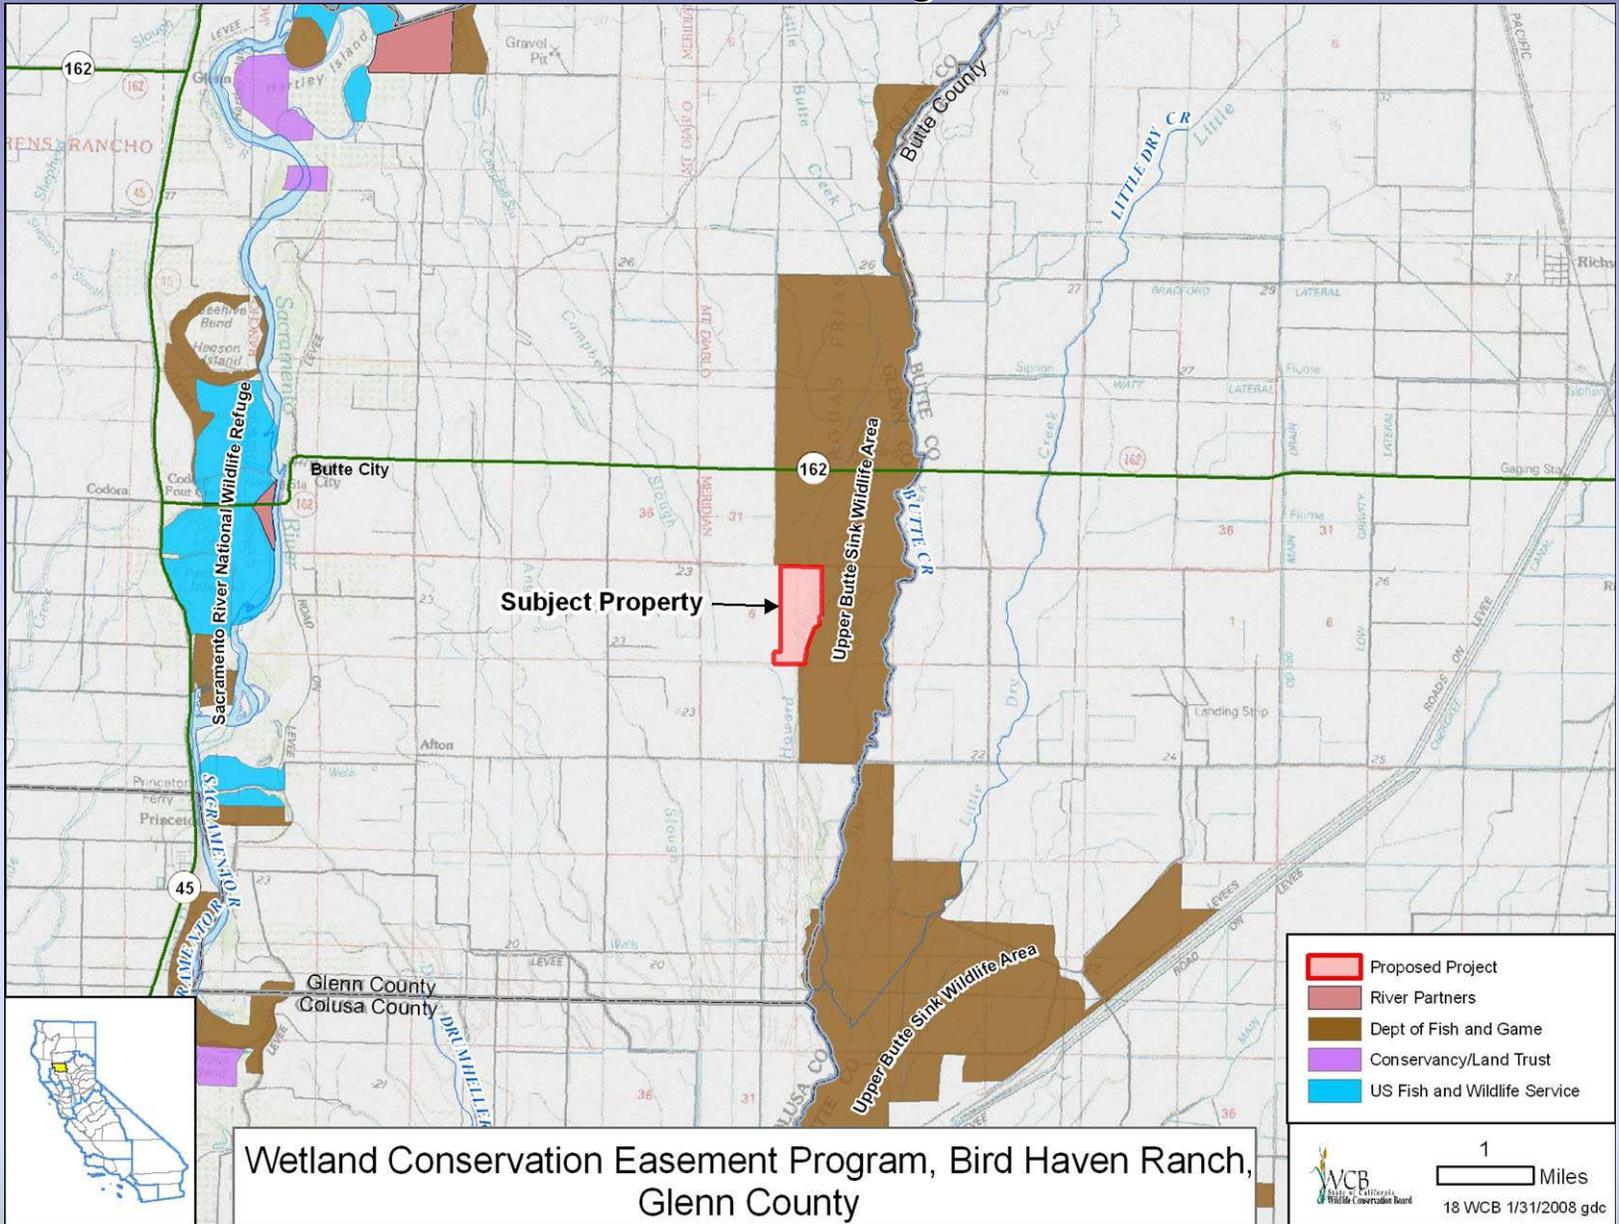

Speed bumps and signage will be installed on the entrance road to alert drivers to the presence of the boat ramp straight ahead. Ramp is behind photographer.

# 17 Fields Landing Public Access Improvements, Humboldt County

The project sign will be relocated. It will be replaced as part of a future project to refurbish the boat ramp.
