Progress Report

CWA Badger Almond Public Hunt Program

Task 1) Advertise and promote hunts: two advertisements in Western Outdoor News Southern CA news publication, CWA Magazine, CWA webpage, E News Blast, and Facebook.

Task 2) Design/implement system: System was implemented designed and running by July 15.

Task 3) Install Wildlife Guzzlers: Guzzlers were ordered and shipped. Waiting to be installed due to ongoing wetland projects on the property. Will be installed the first week of October.

Task 4) Release pheasants and conduct hunts: pheasants were ordered and we are waiting shipment next month.
