At the discretion of Department of Fish and Wildlife (“Department”) staff, all items appearing on this agenda, whether or not expressly listed for action, may be deliberated upon and may be subject to action. Meeting materials will be posted to the Department’s website (<https://www.wildlife.ca.gov/Strategic-Vision-Stakeholder-Advisory-Group>) as they become available.

Meetings of the Stakeholder Advisory Group (SAG) are subject to the Bagley-Keene Open Meeting Act and will include opportunities for public comment. Comments during the public comment period are limited to matters the SAG is addressing.

The SAG functions as a collaborative group of diverse interests that respects the opportunity for input and discussion. Any general public comment not specific to an action item will be taken at least once during the meeting. The Department may request that members of the public complete a speaker card provided at the meeting or that comments be limited in time. If presenters intend to provide exhibits or handouts to the SAG members, copies must be provided to Jan Ortiz ([jan.ortiz@wildlife.ca.gov](mailto:jan.ortiz@wildlife.ca.gov) or 916-653-4633) at least five days prior to the meeting for distribution to the SAG members and to the public in attendance at the meeting.

Any person who wishes to request this notice or other meeting materials in an alternative format, requires translation services, or needs any disability-related modification or accommodation, including auxiliary aids or services, which would enable that person to participate at the meeting, must make that request at least five (5) days prior to the meeting date by contacting Jan Ortiz.
