## **Proposed Amended Fee Schedule for Lake and Streambed Alteration Agreements**

The Department of Fish and Wildlife (Department) has submitted a change without regulatory effect in accordance with Section 100, Title 1, California Code of Regulations (CCR), to the Office of Administrative Law (OAL). The change amends the fee schedule for Lake and Streambed Alteration (LSA) agreements set forth in Section 699.5, Title 14, CCR. The fee changes are made pursuant to section 1609, Fish and Game Code.

Section 1609 authorizes the Department to adjust the fees annually to pay the costs of administering and enforcing the Lake and Streambed Alteration Program. The adjustment for 2019 is 3.2%.

Pending OAL approval, the LSA fee schedule will be updated on the Department's internet page to reflect a 3.2% increase. All notifications and fees received on or after January 1, 2019, shall comply with the amended fee schedule. The proposed amended fee schedule will be made available on the Department's internet page at upon OAL approval. <https://www.wildlife.ca.gov/Conservation/LSA>.
