Personal Information Forms

Please review the following forms and update, as needed. Submit completed forms to your assigned Personnel Specialist.

[Emergency Notification Information](#) provides CDFW the contact names of individuals to notify in the event of an emergency.

[Personal Physician Pre-Designation Form](#) allows an employee to pre-designate a personal physician prior to a work related injury or illness; otherwise treatment is through CDFWS' Medical Provider Network (MPN), Harbor Health. [Designation of Person Authorized to Receive Warrants](#) allows an employee to designate person(s) authorized to receive all State warrants payable to the employee upon their death.

[Employee Action Request \(EAR\)](#) allows employees to update a name change; tax withholdings; change-of-address; and date-of-birth correction.
