¹CDFW is hosting the webinar through Skype for Business. You can join the webinar simply by clicking the link (<https://meet.wildlife.ca.gov/randy.shoup/7BS8008V>) and following the instructions to join the meeting as a Guest. Please allow 15 minutes to join the meeting, especially if you have not used the Skype for Business Web App in the past.

²The Resources Building typically requires all entrants to sign in with the guards at the entryway to the building. For this meeting there will be a staffed table near the front entrance where Forum attendees can sign in. You must bring a form of valid identification (e.g., a driver's license) and receive a nametag at the table to gain access to the auditorium. Late arrivals may be asked to sign in with the guards.

³Public comment gives an opportunity for any attendee to verbally present an idea or concern about NSO to all other attendees. These comments may inform future Forum topics. Those interested in giving public comment should fill out a public comment card and will be limited to three minutes of speaking time. Before commenting, please state your name and your affiliation.
