

## How to Find CDFW Bid Opportunities on Cal eProcure

Cal eProcure is the State's website containing thousands of State sales, contracts, and bidding opportunities, including Land Use Agreements bidding opportunities. To quickly find CDFW-specific bidding opportunities on Cal eProcure:

**Go directly to this California State Contracts Register webpage:**  
<https://caleprocure.ca.gov/pages/Events-BS3/event-search.aspx>

The screenshot shows the California State Contracts Register website. The search interface includes a search bar, a Department dropdown menu, and a Search button. The search results list several events, including Zinfandel Classroom HVAC, IFB #306 Employment and Income Verification On-Line Services, Upgrade Exterior and Interior Lighting-Energy Efficiency Project, and Perform planting and construct stamped concrete and rock blanket. The Department dropdown menu is highlighted with a yellow callout box labeled "1: Type 3600 in this field." The Search button is highlighted with a yellow callout box labeled "2: Press Search." The search results list is highlighted with a yellow callout box labeled "Links to CDFW bid opportunities will appear here. These include, but are not limited to, land use agreement opportunities."

### Additional Information:

- **Register with Cal eProcure to receive email updates about bids and other topics.** To register, use the *Login/Register* link in the upper right corner of the web page.
- **View other Departments' solicitations:** The *Department* field includes a menu that lists Departments/Agencies by their unique numeric identifier. For example, the number for Department of Water Resources (DWR) is 3860: entering 3860 in the *Department* field and pressing search, or clicking the menu's 3860 link, will deliver links to DWR bid opportunities.
- **View the Cal eProcure homepage, to learn of all the content the website offers.** Here's the link: <https://caleprocure.ca.gov/pages/index.aspx>
