Shellfish Aquaculture Best Management Practices Stakeholder Discussion

MEETING AGENDA
May 29, 2018, 3:30 – 5:30 PM

Santa Barbara Harbor Marine Center Classroom
132-A Harbor Way, Santa Barbara, CA

This meeting may be audio-recorded.

Meeting Goals

- Communicate Commission intent to consider adopting regulations related to shellfish aquaculture best management practices (BMPs)
- Understand the state's rulemaking process and opportunities for public engagement on aquaculture leases
- Discuss and offer feedback on categories of standard practices and management considerations to address in BMP plans specific to each shellfish growing site

1. Welcome

- (A) Introductions and ground rules
- (B) Statement of meeting goals

2. Overview of background and milestones

(see meeting materials for more detailed background information)

3. Staff overview of the regulatory approach for BMPs and State rulemaking process

4. Group discussion on BMPs

- (A) Discuss factors to consider when developing BMP plans
- (B) Group discussion about BMP categories
- (C) Partnership opportunities

5. Next steps

Adjourn
