Subj: 2006 LOS ANGELES-LONG BEACH AREA CONTINGENCY PLAN;  
LETTER OF PROMULGATION

1. As mandated by the Oil Pollution Act of 1990 (OPA 90), the 2006 revision of the Los Angeles-Long Beach Area Contingency Plan (ACP) has been completed and is effective upon receipt. This marks the seventh revision of this plan and replaces the 2000 LA-LB ACP. This edition remains in effect until superseded.
2. Sections of this plan have been updated as necessary through the efforts of this office, Eleventh Coast Guard District, California Department of Fish and Game's Office of Oil Spill Prevention and Response (OSPR) and Area Committee Members.
3. The ACP(s) for each Coast Guard Captain of the Port Zone will continue to be made available to the public via the Internet at <http://homeport.uscg.mil/mycg/portal/ep/home.do> under the Port Directory tab and all ACP's for California can also be found on the OSPR website at <http://www.dfg.ca.gov/ospr/organizational/scientific/acp/acp.htm>. Publication on the Internet allows the Area Committees to update their plans as pertinent information develops and changes. These updates will be noted on the web page as they are posted.
4. Comments and recommendations regarding this plan are welcome and should be submitted through the appropriate Area Committee.
