

Rarity Change Report

from Thursday, June 1, 2023 to Thursday, February 27, 2025

The list below shows changes that have been made to the rarity ranks of natural communities during the time period specified above. Changes are most often made based on data from additional projects ("Update from report") or on use of NatureServe's rarity rank calculator that assigns conservation status ranks ("Rank calculator"). Newly-added communities are also provided with their ranks ("New")
