

Statewide Regulation (section 7.0)

Fishing districts—section 7.00(a) through (g)—**for trout waters only** (lakes, reservoirs, and streams that are **not** accessible to fish migrating from the ocean; “non-anadromous”) will be replaced by a statewide trout angling regulation. Waters that are not located in the proposed table of changes, or stated as “move to 7.0 statewide reg”, will have the following regulation:

Open year-round, 5 trout bag, 10 trout possession limit, no gear restrictions.

Exceptions to Statewide Trout Angling Regulation

Exceptions to the statewide regulation, found in section 7.50, are selected from the following options:

Seasons

- All Year
- Closed to fishing all year
- Saturday preceding Memorial Day through the last day in February
- Saturday preceding Memorial Day through September 30
- October 1 through Friday preceding Memorial Day
- September 1 through November 30

Bag and Possession Limits and Gear Restrictions

- 5 fish bag, no gear restrictions
- 2 fish bag, 4 fish possession limit, no gear restrictions
- 2 fish bag, artificial lures
- 2 fish bag, artificial lures, 14” minimum
- 2 fish bag, artificial lures, 18” minimum
- 0 fish bag, artificial lures with barbless hooks

Proposed Changes to Waters with Special Fishing Regulations

The table on the following pages includes Department of Fish and Wildlife biologist proposed changes to waters with special fishing regulations (section 7.50). If you have insights on these changes, **please use our online comment form**:
