CALIFORNIA DEPARTMENT OF FISH & WILDLIFE
SERVICE BASED BUDGETING
EXTERNAL ADVISORY COMMITTEE

April 8, 2019 Meeting Summary

Following is a summary of the Executive Advisory Committee meeting as prepared by CDFW Staff.

Call to order

The meeting was called to order at 1:07 p.m. by Nathan Voegeli at the Resources Building, 1416 9th Street, 1st Floor Auditorium, Sacramento, CA 95814.

1. Welcome, Introductions and Opening Remarks

Director Bonham provided an overview of where CDFW has been with Service Based Budgeting (SBB) and the Executive Advisory Committee (EAC). Consulting contract with Deloitte was executed in November and the SBB process is on schedule.

Valerie Termini, Acting Chief Deputy Director, provided welcoming remarks and an overview of the meeting agenda. She further highlighted the EAC process and the importance of receiving feedback throughout this iterative process. Ms. Termini encouraged EAC members to represent their interests, share with their interest groups, review the SBB documentation and visit the SBB website for more information throughout this iterative process.

Ms. Termini explained that SBB describes the tasks necessary to deliver the Department’s Mission and describe it to the Legislature and the public. The effort looks at CDFW from the outside in – aiming to capture the public’s perspective of CDFW’s services. The Mission of CDFW is to “manage California’s diverse fish, wildlife, and plant resources, and the habitats upon which they depend, for their ecological values and for their use and enjoyment by the public.”
