The Committee builds upon CDFW’s Strategic Vision Stakeholder Advisory Group and has been assembled by CDFW SBB project leadership to comply with Fish and Game Code Section 712.1. The Committee represents a diverse range of fishing and hunting interests, non-profit conservation organizations, landowners, scientific and educational interests, and others dedicated to habitat conservation and the use and protection of public trust resources.

PARKING AND TRANSPORTATION
Limited free parking is available at the CDFW Office of Training and Development behind and on both sides of the building. Parking is also available across the street. However, be aware that there is not a direct crosswalk available between the parking lot and the building. We encourage the use of public transportation and carpooling. Do not park in restricted areas, which could result in your vehicle being cited or towed at your own expense.
