Subj: FIVE YEAR APPROVAL TO THE 2018 SAN DIEGO AREA CONTINGENCY PLAN
(ACP).

Ref: (a) U. S. Coast Guard Marine Environmental Response and Preparedness Manual,
COMDTINST M16000.14A

1. District Eleven reviewed the 2018 San Diego ACP and determined it complies with reference (a) and is hereby approved.
2. District Eleven commends the San Diego Area Committee (SDAC) for their continued teamwork with other federal, state, and non-governmental organizations. Their continued development and noteworthy accomplishments have enhanced local preparedness, and their collective efforts have strengthened interagency partnerships.
3. A current version of the San Diego ACP including all appendices, annexes, and tabs shall be posted to Sector San Diego's Homeport Port Directory site, as well as the California Department of Fish and Wildlife, Oil Spill Prevention and Response (OSPR) website for public access.
