

**CDFW Service Level Analysis Worksheet**  
June 2019

We welcome your comments on CDFW's service level analysis, as part of the SBB project. Before completing this worksheet, please review CDFW's Service Based Budgeting webpage (<https://www.wildlife.ca.gov/Budget/Service-Based-Budgeting>) to learn more about the SBB process. Referencing CDFW's SBB "What We Do" Chart on the CDFW SBB website, choose a service area and an issue you would like to comment on. Specify and describe your observations in the space provided below. Once completed, please submit to [SBBinfo@wildlife.ca.gov](mailto:SBBinfo@wildlife.ca.gov).

**Perceived Area of Need (list service, program, sub-program, and task below, as applicable):**

<b>Service:</b>	<b>Program:</b>
<b>Sub-Program:</b>	<b>Task ID:</b>

Please specify/describe:

---

---

---

**Current perceived constraints/challenges (select as many categories as apply):**

- a. Staff capacity (e.g., labor, management)
- b. Technology (e.g., systems, automation)
- c. Process (e.g., inefficiencies, duration, structural, accountability, transparency)
- d. Funding/Money (e.g., unfunded/underfunded mandate)
- e. Legal (e.g., legislative mandates, legal mandates, lawsuits)
- f. Environmental challenge (e.g., wildfire, climate)
- g. Facilities and equipment (e.g., buildings, vessels, lands)
- h. Other area (specify): \_\_\_\_\_

Please specify/describe:

---

---

---

**What is the optimal/desired performance standard for the item you specified above? Please specify/describe below.**

---

---

---

**What is your justification for this desired performance standard? (select as many categories as apply):**

- a. Environmental enhancement
- b. Public access and opportunities
- c. Industry standards and benchmarks
- d. Comparison to other state/federal agencies
- e. Greater ease and/or efficiency
- f. Legal or legislative mandate
- g. Financial impact/cost
- h. Personal/organizational preference
- i. Other (specify): \_\_\_\_\_

Please specify/describe:
