

Hunter Education Instructor Correspondence Training Course 2019

*This Correspondence Training Course is for Hunter Education Instructors (HEIs) unable to attend the statewide Conference. It summarizes information presented at the conference, and satisfies your yearly instructor training requirement. **If you have already attended a prior conference or satellite, you are not required to complete this assignment.***

This training course is broken into three parts:

1. Register to the event. This is how we will log your hours!

[Register now](#)

2. Download the Correspondence Course PowerPoint OR PDF.

*Finish all the requirements, and you are done! Your hours will be automatically credited from your registration. If there are any issues, **YOUR COORDINATOR WILL CONTACT YOU**. If you do not hear from a coordinator or hunter education staff member, no further action is required, and you have successfully fulfilled the requirements for the hunter education instructor training in 2019.*

*Thank you for teaching Hunter Education
and Passing on the Tradition!*
