Any applicant less than 18 years of age applying for any license, tag, permit, reservation or other entitlement issued via the ALDS shall provide valid identification or a parent or legal guardian's identification as described above.

At all times when engaged in any activity for which a commercial fishing license is required, the licensee shall have in his or her possession, or immediately available to the licensee, a valid driver's license or identification card issued to him or her by the Department of Motor Vehicles or by the entity issuing driver's licenses from the licensee's state of domicile. A current passport may be used in lieu of a valid driver's license or identification card by a holder of a valid nonresident commercial fishing license issued pursuant to FGC Section 7852(b). The licensee's driver's license, identification card or, if applicable, passport, shall be exhibited upon demand to any person authorized by the Department to enforce this code or regulations.
