PARTICIPATING IN THE REGULATORY PROCESS

The Fish and Game Commission (FGC) is composed of five members who are appointed by the Governor and confirmed by the State Senate. The Commission establishes hunting and sport fishing regulations including seasons, bag and possession limits, methods of take, area descriptions and any special conditions. In addition, the Commission formulates general policies for the California Department of Fish and Wildlife (CDFW). Monthly topical meetings are held to hear regulation change proposals. The public may make recommendations in writing before a Commission meeting or present its proposals verbally at the meeting. The Commission's meeting schedule, including specific topics, dates and locations, is posted on their web site www.fgc.ca.gov.

Written comments can be directed to the Fish and Game Commission at 1416 Ninth Street, Room 1320, Sacramento, CA 95814, or by e-mail to fgc@fgc.ca.gov. Comments sent by e-mail should include a full name and mailing address. The Commission also has established a list server for information distribution available on their web site www.fgc.ca.gov

NONDISCRIMINATION

"Any person excluded from participation in, denied the benefits of, or otherwise subjected to discrimination under any program of the California Department of Fish and Wildlife, on the grounds of age, race, national origin, disability, religious or political affiliation, color, sex, ancestry, marital status or sexual orientation should contact the nearest regional office of the department or its headquarters in Sacramento, California 95814, telephone (916) 653-4711. In addition, you may contact the U.S. Equal Employment Opportunity Commission, Washington, D.C. 20506 or a local EEOC office listed in your phone directory under U.S. Government."

WHAT'S NEW IN 2019?

GENERAL SEASON CLOSING DATE

The Federal Frameworks for waterfowl hunting now allow the latest closing date to be January 31, rather than the last Sunday in January. The Fish and Game Commission adopted the January 31 closing date for general waterfowl seasons in the Balance of State (except for general geese in this zone), Southern San Joaquin Valley, and Southern California zones.

PINTAIL BAG LIMIT

The pintail bag limit has decreased to 1 per day for the 2019-2020 season.

FEDERAL eSTAMPS ARE HERE!

CDFW OFFICES NO LONGER ACCEPT CASH

As of January 1, 2017, CDFW license sales offices no longer accept cash. Checks, money orders, or any debit or credit card with the Visa or Mastercard logo are accepted.

See section 509 on page 20-21.

PHASE-OUT OF PRINTED REGULATIONS BOOKS

As part of a broader effort by the department to go paperless, CDFW is in the process of transitioning to online regulations books and will be decreasing the number of printed books shipped to license agents and CDFW offices in 2019 and beyond. The cost to print and ship regulations books is significant, and money saved will be put toward fish and wildlife conservation. This year's booklets will also be returning to the smaller, mostly black-and-white format.

AS OF JULY 1, 2019, NONLEAD AMMUNITION IS REQUIRED WHEN TAKING ANY WILDLIFE WITH A FIREARM ANYWHERE IN CALIFORNIA.

- The nonlead ammo requirement includes hunting on public land, private property and licensed game bird clubs, and applies to rifles, shotguns, pistols and muzzleloaders in any gauge or caliber for the take of any legal species.
- The nonlead ammo requirement extends to the legal take of nongame birds and mammals and includes firearms used for depredation to take species causing property damage.
- Lead ammunition is allowed for target shooting where that activity is permitted.
- California is the first state in the nation to require nonlead ammunition for all firearms-related hunting. Other states are further and further restricting use of lead ammunition.
- CDFW strongly recommends that hunters acquire and practice with nonlead ammunition well before heading afield, particularly in advance of big game seasons, to make sure rifles are sighted in and to understand how their firearms perform with nonlead ammunition.
- Nonlead ammunition has been required for waterfowl hunting nationwide since 1991, and many California hunters already have made a voluntary change to nontoxic hunting ammunition due to health and environmental concerns.
- All ammunition in a hunter's possession may be inspected by wildlife officers.
- For more information, please visit CDFW's Nonlead Ammunition in California webpage.

STAY CONNECTED TO CDFW

Having your e-mail address and mobile number will enable the CDFW to send you information you can use, such as license renewal and courtesy report card deadline reminders, and California fishing information. When purchasing a license from a license agent or when you log in to the Online License Service, update your communication preferences and provide your e-mail address and mobile number.

Fish and Game Code, Section 1050.6, and California Government Code, Section 11015.5, prohibit the CDFW from selling or sharing your personal information with any third party.

LICENSE PROVISIONS

A valid California hunting license is required for taking any bird or mammal. Hunters must carry licenses and be prepared to show them on request (\$700, T14, CCR). Guns and other equipment used in hunting must be shown on request. A trapping license is required to sell furs of furbearing mammals and nongame mammals, regardless of the method of take. Fur buyers and fur agents: See §696, T14, CCR; contact your nearest CDFW License Sales Office.

Residency: A resident is defined as any person who has resided continuously in California for six months immediately before the date of purchase of a license, tag or permit; persons on active duty with the armed forces of the United States or an auxiliary branch; or Job Corps enrollees. (Section 70, FGC)

IDENTIFICATION REQUIRED FOR LICENSE PURCHASE \$700.4, T14, CCR

Any person applying for any license, tag, permit, reservation or other entitlement issued via the ALDS shall provide valid identification. Acceptable forms of identification include:

- Any license document or identification number previously issued via ALDS
- Valid driver's license or identification card issued by the Department of Motor Vehicles or the entity issuing driver's licenses from the licensee's state of domicile
- US Birth Certificate/US Certificate or Report of Birth Abroad
- INS American Indian Card
- Birth certificate or passport issued from a US territory
- US Passport
- US Military Identification Cards (Active or reserve duty, dependent, retired member, discharged from service, medical/religious personnel)
- Certificate of Naturalization (Green Card) or Citizenship
- Foreign Government Identification Card

Applicants less than 18 years of age may provide any form of identification described above, or a parent or legal guardian's identification as described above.

VALIDATION OF LICENSES

To be valid, every California hunting or sport fishing license shall be signed by the licensee. In addition, the license must contain the following information about the licensee: true name, residence address, date of birth, height, color of eyes, color of hair, weight, and sex.

HUNTER EDUCATION REQUIREMENT

Licenses shall be issued to hunters only upon presentation of one of the following: An annual California hunting license issued in any prior year; a two-day nonresident California hunting license issued after the 1999/2000 license year; a California certificate of hunter education completion or equivalency; a certificate of successful completion of a California-approved hunter education course from any state or province; or hunting license issued in either of the two previous years from any state, province, European country, or South Africa.

For more information, on hunter education requirements or hunter education classes, contact any CDFW license sales office or visit the CDFW web site at www.wildlife.ca.gov/hunter-education.

PROOF OF HUNTER EDUCATION MUST BE PROVIDED TO CDFW BEFORE HUNTING ITEMS MAY BE PURCHASED ONLINE

Hunters who are purchasing a license for the first time must provide their proof of hunter education to a CDFW license sales office or any license agent before they can purchase a hunting license or any hunting items online or by telephone. Alternatively, hunters may provide their personal identification

or GO ID and proof of hunter education to CDFW by fax to (916) 419-7585 or by secure document upload. To upload, please send an email request to LRB@wildlife.ca.gov and follow the link provided in the response. Department staff will update your customer record. Once you receive notification that your customer record has been updated, you will be able to purchase a hunting license anywhere licenses are sold, including online.

DISABLED VETERAN HUNTING LICENSES

A reduced-fee hunting license is available for qualified disabled veterans. To prequalify for a disabled veteran hunting license, submit a letter from the Veteran's Administration documenting that you were honorably discharged from the US military and have a service-connected disability rating of 50% or greater. Send a photocopy of your personal identification, GO ID and documentation of eligibility by fax to (916) 419-7585 or by secure document upload. To upload documentation, please send an email request to LRB@wildlife.ca.gov and follow the link provided in the response. After you receive notification from the department that your customer record has been updated, you will be able to purchase a low cost disabled veteran hunting license anywhere licenses are sold. You may also apply by mail or in person at any Department of Fish and Wildlife license sales office. For more information on the disabled veterans hunting license, visit www.wildlife.ca.gov/Licensing/Hunting.

RECOVERING SERVICE MEMBER REDUCED-FEE HUNTING LICENSE

Reduced-fee hunting licenses are available for recovering service members. Fish and Game Code, Section 3033, defines a recovering service member as a member of the Armed Forces, including a member of the National Guard or a Reserve, who is undergoing medical treatment, recuperation, or therapy and is in an outpatient status while recovering from a serious injury or illness related to the member's military service.

To prequalify for a recovering service member license, submit a letter from your commanding officer or from a military medical doctor verifying your eligibility as a recovering service member. Please have your commanding officer or military medical doctor include the expected recovery date in your verification letter. Send a photocopy of your personal identification, GO ID and documentation of eligibility by fax to (916) 419-7585 or by secure document upload. To upload documentation, please send an email request to LRB@wildlife.ca.gov and follow the link provided in the response. Once you receive notification from the department that your customer record has been updated, you will be able to purchase

a low cost recovering service member hunting license anywhere licenses are sold. You may also apply by mail or in person at any Department of Fish and Wildlife license sales office. For more information on the recovering service member hunting license, visit www.wildlife.ca.gov/Licensing/Hunting.

VALIDATIONS TO HUNT WATERFOWL AND UPLAND GAME BIRDS

Any person, except a person hunting under the authority of a junior hunting license, who takes ducks, geese, or brant must have a California Duck Validation (FGC 3700.1) in possession. Any hunter who is age 16 or older must possess a Federal Duck Stamp to take ducks, geese or brant. The Federal Duck Stamp must be signed across the face to be valid and may be affixed anywhere on the back of your hunting license or carried separately from your California hunting license. Any person, except a person hunting under the authority of a junior hunting license, who takes upland game birds must have a California Upland Game Bird Validation (FGC 3682.1) in possession. Any person who purchases a California Duck Validation is eligible to claim a free collectible California Duck Stamp. Any person who purchases an Upland game Bird Validation is eligible to claim a free collectible Upland Game Bird Stamp. Visit wildlife.ca.gov/Licensing/Collector-Stamps to claim your collectible stamps.

HIP VALIDATION REQUIRED

If you plan to hunt migratory game birds (ducks, geese, coots, dove, band-tailed pigeon, snipe, gallinules or black brant), you must complete a Harvest Information Program (HIP) survey and possess a free HIP validation. HIP surveys and validations are available at license agents. Hunters may be cited for hunting migratory game birds without a HIP validation in possession.

HUNTING AREA PERMITS/PASSES

Except for persons hunting on most Type C wildlife areas or hunting under the authority of a junior hunting license, all hunters using State-controlled hunting areas during the waterfowl season are required to obtain an entry permit from the hunter checking station. To obtain a permit, hunters must pre-purchase one of the following passes from any CDFW license agent, license sales office or online and present it at the check station:

- **Type A One-Day Pass** – valid for one hunter entry on one Type A area
- **Type A Two-Day Pass** - may be used by one hunter for two entries or two hunters for one entry each;
- **Type A Season Pass** - this nontransferable pass may be used for any available hunt day on any Type A or Type B area; or

- **Type B Season Pass** - this nontransferable pass may be used for any available hunt day on Type B areas only.

No hunting pass required for Type C wildlife areas.

RESERVATION APPLICATION PROCESS

Hunters can apply for waterfowl hunting reservations using an electronic season-long application or a multiple choice application online, at a CDFW license sales office, or at any license agent. Hunters can apply for waterfowl hunting reservations review their hunt choices, and check drawing results online at wildlife.ca.gov/Licensing/Online-Sales.

NO SALES AT CHECK STATIONS

Check stations do not sell any items. Hunters must purchase any needed passes and validations in advance from CDFW license sales offices, license agents, or online. To find a license agent near you or purchase items online visit the CDFW website at: wildlife.ca.gov/Licensing/Online-Sales.

TELEPHONE SALES

Most hunting and sport fishing license items, including validations, drawing applications, and tags, may be purchased via telephone from Active Network's telephone license sales line at (800) 565-1458. To purchase items via telephone, you must have hunter education on file in the ALDS. Items purchased by telephone sales will be delivered by mail within 15 days of purchase.

GET OUTDOORS IDENTIFICATION (GO ID)

All licenses are imprinted with your permanent GO ID number. Your GO ID can be used to retrieve your customer information in the future.

PROTECT YOUR LICENSE FROM HEAT

License documents subjected to extreme or prolonged heat may darken and become difficult to read. To protect your license, keep it away from heat sources.

DUPLICATE HUNTING LICENSES

Under ALDS, your customer record will contain a history of all your license purchases. If you lose your license or additional validations, you can go to any CDFW license sales office or license agent and purchase a duplicate license and validations for a reduced fee.

REFUNDS

California resident and nonresident hunting licenses are nonrefundable.

IT IS UNLAWFUL TO:

- Trespass while hunting. (FGC 2016)
- Litter in or within 150 feet of state waters or place the litter where it can pass into state waters. This includes empty shotgun shells going into state waters and not retrieved. (FGC 5652)
- Hunt or discharge a firearm within 150 yards of a dwelling (safety zone) without permission of the owner or the person in control of the property. (FGC 3004)

- Transport game birds without fully feathered head or wing attached. (CCR T14-251.7)
- Waste the carcass of any game bird or mammal. (FGC 4304)
- Hunt over bait. (CCR T14-257.5, 509)
- Shoot unauthorized nongame birds. (FGC 3800)
- Hunt on a state or federal wildlife area without the proper permit when required. (CCR T14-550, 551)
- Use an electronic calling device when taking waterfowl. (CCR T14-507)
- Use live decoys when hunting waterfowl. (CCR T14-507)
- Use any mammal (except a dog) or an imitation of a mammal as a blind in approaching or taking game birds. (FGC 3502)
- Transfer any license, tag, stamp, permit, application or reservation to another person. (FGC 1052)
- Use or possess any license, tag, stamp, permit, application or reservation that was not lawfully issued to the user; or alter, mutilate deface, duplicate or counterfeit any license, tag, stamp, permit, application or reservation. (FGC 1052)
- Fail to exhibit upon demand to any peace officer, all licenses, tags, and wildlife and devices capable of being used to take wildlife. (FGC 2012)
- Prohibit a Warden from inspecting any boat, market, or receptacle where fish or wildlife may be found. (FGC 1006)
- Hunt without your hunting license in possession. (CCR T14-700)
- Use a fishing or hunting license that is not completely filled out.
- Possess fish or wildlife taken unlawfully. (FGC 2002)
- Take fish or wildlife in violation of any section of law. (FGC 2000)

INTERSTATE WILDLIFE VIOLATOR COMPACT

The Interstate Wildlife Violator Compact (IWVC) is an agreement between 44 states, which allows for the reciprocal recognition of hunting, fishing and trapping license suspensions. If your license privileges have been suspended by another state, the suspension may be recognized here in California. For example, if your sport fishing, hunting or trapping privileges have been suspended in Colorado for five years, your privileges may also be suspended for five years in California or any of the states participating in the IWVC. The purchase of licenses or tags during the term of the suspension is a violation of the law and may result in prosecution.

WATERFOWL REGULATIONS

Summary of Waterfowl Regulation Changes for 2019-2020

- Pintail bag limit decreased to 1 per day
- Most general duck and goose seasons will close January 31.

STATEWIDE AND ZONE WATERFOWL REGULATIONS

502. Waterfowl, Migratory; American Coot and Common Moorhen (Common Gallinule).

(a) Definitions.

- (1) Dark geese. Dark geese include Canada geese, cackling geese, Aleutian geese and white-fronted geese ("specklebelly").
- (2) Large Canada geese. Large Canada geese include western Canada geese ("honker") and lesser Canada geese ("lessers").
- (3) Small Canada geese. Small (about the size of a mallard) Canada geese include cackling geese and Aleutian geese. Both are white-cheeked geese nearly identical in appearance to Large Canada geese. Aleutian geese have a thin white neck ring and Cackling geese have dark breasts. Both species have a high-pitched cackle as opposed to the deeper "honking".
- (4) White geese. White geese include Ross' geese, snow geese and blue phase of both species.

(b) Waterfowl Hunting Zones.

Waterfowl Consumption Health Warnings

The California Environmental Protection Agency's Office of Environmental Health Hazard Assessment (OEHHA) determines whether a public health hazard may exist from consumption of waterfowl taken from certain locations in California based on laboratory testing data. The following advisories have been issued. The guidelines are based on risk estimates that assume long-term consumption; thus, occasional intake of duck meat slightly above the recommended quantitative limits is not expected to produce a health hazard.

GRASSLANDS AREA (Western Merced County)

Because of elevated selenium levels, no one should eat more than 4 oz. of duck meat from the Grasslands area in any two-week period. No one should eat livers of duck from the area.

SUISUN BAY (Contra Costa and Solano counties)

Because of elevated selenium levels, no one should eat more than 4 oz. per week of (greater and lesser) scaup meat or scoter meat in any two-week period. No one should eat livers of duck from the area.

SAN PABLO BAY (Contra Costa, Marin, Solano, Sonoma counties)

Because of elevated selenium levels, no one should eat more than 4 oz. per week of greater scaup or scoter meat in any two-week period from the bay. No one should eat livers of duck from the area.

SAN FRANCISCO BAY

(Alameda, Contra Costa, Marin, San Francisco, San Mateo, Santa Clara counties)

Because of elevated selenium levels, no one should eat more than 4 oz. per week of greater scaup meat from the central bay, or more than 4 oz. per week of greater scaup meat from the south bay in any two-week period. No one should eat livers of duck from the area.

505. DECOYS.

The use of live birds as decoys is prohibited.

506. SHOOTING HOURS.

Shooting hours for migratory game birds, including mourning doves, white-winged doves, band-tailed pigeons, American coots, common moorhens, common snipe (jacksnipe), and waterfowl for all of California shall be from one-half hour before sunrise to sunset.

Exception: In areas open to hunting on, over or adjacent to the waters of Morro Bay, San Luis Obispo County, the shooting time shall be from 7:00 a.m. to sunset.

507. PROVISIONS RELATED TO THE TAKING OF MIGRATORY GAME BIRDS (as defined in Section 502 but also includes mourning doves, white-winged doves, band-tailed pigeons, and snipe.)

(a) Authorized Methods

Only the following methods may be used to take migratory game birds:

- (1) Falconry.
- (2) Bow and Arrows or Crossbows. Only arrows or crossbow bolts with flu-flu fletching may be used except that conventionally fletched arrows may be used to take waterfowl sitting on the water from scullboats or similar watercraft.
- (3) Muzzle-loading Shotguns.
- (4) Shotguns 10 Gauge or Smaller. Shotguns 10 gauge or smaller using shot shells only and incapable of holding more than three shells in the magazine and chamber combined may be used, except no shotgun larger than 12 gauge shall be used in areas open to hunting on, over or adjacent to the waters of Morro Bay, San Luis Obispo County. If a plug is used to reduce the capacity of a magazine to fulfill the requirements of this section, the plug must be of one piece construction incapable of removal without disassembling the gun. Shotgun shells may not be used or possessed that contain shot size larger than T shot in steel or other nontoxic shot approved by the U.S. Fish and Wildlife Service. All shot shall be loose in the shell.

(b) Use of Dogs.

Dogs may be used to take and retrieve migratory game birds.

(c) Prohibition on Electronically operated Devices. Electronic or mechanically-operated calling or sound-reproducing devices are prohibited when attempting to take migratory game birds. It is unlawful to use devices that are either electronically-powered, or activated by

anything other than natural wind, to directly or indirectly cause rotation of decoy wings or blades that simulate wings, when attempting to take waterfowl between the start of the season and November 30th.

(d) Live Decoy Prohibition.

The use of live decoys is prohibited when attempting to take migratory game birds.

507.1 NONTOXIC SHOT REQUIREMENT FOR WATERFOWL, AMERICAN COOT AND COMMON MOORHEN HUNTING.

Only bismuth-tin, steel, copper-plated steel, nickel-plated steel, tin-plated steel, zinc-plated steel, zinc chloride-plated steel, zinc chromate plated steel, iron-tungsten, iron-tungsten-nickel, tungsten-bronze, tungsten-iron-copper-nickel, tungsten-matrix, tungsten-polymer, tungsten-tin-iron, tungsten-tin-bismuth, tungsten-tin-iron-nickel, and tungsten-iron-polymer or other nontoxic shot approved by the U.S. Fish and Wildlife Service may be used or possessed for waterfowl, American coot and common moorhen hunting statewide.

NOTE: The U.S. Fish and Wildlife Service reviews and may approve applications for other types of non-toxic shot throughout the year. Other non-toxic shot types that may have been approved after the publication of this booklet may be found at: <http://www.fws.gov/migratorybirds/CurrentBirdIssues/nontoxic.htm>

507.5. SCULL BOATS.

Migratory game birds may not be taken by a scull boat or similar watercraft while under motorized power. The motor shall be removed from its mountings before any take or approach is attempted.

This section shall not prohibit shooting migratory game birds from scull boats or similar watercraft with motor attached if beached or anchored; nor shall it prohibit the use of a motor for the sole purpose of picking up dead or injured birds.

509. CONCURRENCE WITH FEDERAL REGULATIONS.

- (a) The regulations adopted by the United States through its Secretary of Interior under the Migratory Bird Treaty Act, as amended annually in Part 10, subparts A and B, and Part 20, Title 50, Code of Federal Regulations, are hereby adopted and made a part of this Title 14 except where said federal regulations are less restrictive than the provisions of Chapter 7 of this Title 14 (sections 500-509), the provisions of Chapter 7 prevail.
- (b) Any violations of the regulations adopted pursuant to subsection (a) are violations of this section.
- (c) It shall be unlawful for any person aged sixteen years or older to take any migratory waterfowl

unless at the time of such taking the person carries in his or her immediate possession an unexpired Federal migratory-bird hunting and conservation stamp validated by his or her signature written by him or herself in ink

across the face of the stamp or an unexpired Federal migratory-bird hunting and conservation electronic stamp, issued in his or her name prior to any taking of such birds.

UPLAND GAME BIRD, SMALL GAME MAMMAL, AND CROW REGULATIONS

Summary of Upland Game Regulation Changes for 2019-2020

- Effective July 1, 2019, nonlead ammunition is required when taking any wildlife with a firearm anywhere in California.
- Greater sage-grouse hunting is closed for the 2019-2020 season. In 2017, the Fish and Game Commission adopted quotas of zero for all sage grouse hunting zones due to declining population estimates conducted by the California Department of Fish and Wildlife and this closure remains in effect.

DRAWING PROCESS FOR SPECIAL UPLAND GAME WILD BIRD HUNTS

Drawing application for the specially managed wild upland game bird hunt may be purchased online, at license agents, at CDFW license sales offices or by calling (800) 565-1458.

To apply hunters must have a valid California hunting license. Adult hunters must also purchase an Upland Game Bird Validation to hunt upland game birds. Hunters may select their top three choices and may only apply once for each available hunt date for each area. Hunters must be successfully drawn through this random drawing application to participate in pheasant, chukar, quail, wild turkey and dove special hunts. For additional information and hunting opportunities go to <http://wildlife.ca.gov/Hunting/Upland-Game-Birds/Hunts>.

The Apprentice Pheasant Hunts for beginning hunters will continue to be applied at <https://nrm.dfg.ca.gov/ApprenticeHunts/Default.aspx>.

257. RESIDENT SMALL GAME DEFINED.

"Resident small game" means the following resident game birds: Chinese spotted doves, Eurasian collared-doves, ringed turtle-doves of the family Columbidae, California quail and varieties thereof, Gambel's or desert quail, mountain quail and varieties thereof, sooty (blue) grouse, ruffed grouse, sage grouse, white-tailed ptarmigan, Hungarian partridges, red-legged partridges, including the chukar and other varieties, ringnecked pheasants and varieties, and wild turkeys of the order Galliformes; and the following game mammals: jackrabbits and varying hares (genus *Lepus*), cottontail rabbits, brush rabbits, pigmy rabbits (genus *Sylvilagus*), and tree squirrels (genus *Sciurus* and *Tamiasciurus*).

310.5. SHOOTING HOURS FOR UPLAND GAME BIRDS.

The shooting hours for all upland game birds, except for pheasants and the spring wild turkey season, shall be from one-half hour before sunrise to sunset. The shooting hours for pheasants shall be from 8:00 a.m. to sunset. The shooting hours for the spring wild turkey season shall be from one-half hour before sunrise to 5:00 p.m.

311. METHODS AUTHORIZED FOR TAKING RESIDENT SMALL GAME.

(Refer to Section 507, page 20, for authorized methods of take for migratory game birds, i.e. mourning doves, white-winged doves, band-tailed pigeon, and snipe.)

The take or attempted take of any resident small game with a firearm shall be in accordance with the use of nonlead projectiles and ammunition pursuant to Section 250.1.

Only the following may be used to take resident small game:

- (a) Shotguns 10 gauge or smaller using shot shells only and incapable of holding more than three shells in the magazine and chamber combined. If a plug is used to reduce the capacity of a magazine to fulfill the requirements of this section, the plug must be of one piece construction incapable of removal without disassembling the gun;
- (b) Shotgun shells may not be used or possessed that contain shot size larger than No. BB, except that shot size larger than No. 2 may not be used or possessed when taking wild turkey. All shot shall be loose in the shell.
- (c) Muzzle-loading shotguns;
- (d) Falconry;

- (e) Bow and arrow (see Section 354 for archery equipment regulations);
 - (1) It shall be unlawful to take wild turkey by use of hunting arrows and crossbow bolts unless fitted with a broad head type blade which will not pass through a hole seven-eighths inch in diameter. Mechanical/retractable broad heads shall be measured in the open position.
- (f) Air rifles powered by compressed air or gas and used with any caliber of pellet, except that wild turkey may only be taken with a pellet that is at least 0.177 caliber;
- (g) In addition to the methods listed in (a), (b), (c), (d), (e), and (f) above, firearm rifles and pistols may be used for taking rabbits and squirrels only; except in Los Angeles County where rifles and pistols may not be used;
- (h) In San Diego and Orange counties only, rabbits may be taken at any time during the open season by means of box traps. Such traps shall not exceed 24 inches in any dimension, shall be tended at least once every 24 hours, and shall show the name and address of the trap owner. All rabbits taken under this section shall be immediately killed and become a part of the daily bag limit;
- (i) Electronic or mechanically-operated calling or sound-reproducing devices are prohibited when attempting to take resident game birds;
- (j) Coursing dogs may be used to take rabbits;
- (k) Archers hunting during any archery season may not use or possess a firearm while in the field engaged in archery hunting during an archery season except as provided in subsection (1).
 - (1) Nothing in this section shall prohibit the lawful possession of a concealed firearm by an active peace officer listed in Chapter 4.5 (commencing with Section 830) of Title 3 of Part 2 of the Penal Code or a retired peace officer in lawful possession of an identification certificate issued pursuant to Penal Code Section 25455 authorizing the retired officer to carry a concealed firearm. Nor shall this section prohibit the lawful possession of a concealed firearm pursuant to a concealed carry permit issued pursuant to Penal Code Section 26150 or 26155.
- (l) The use of live decoys is prohibited when attempting to take resident game birds;
- (m) Pistols and revolvers may be used to take sooty and ruffed grouse in those counties only and for the season described in Section 300(a)(1)(E).
- (n) Crossbows, except for provisions of Section 354(d) and (g).
- (o) Dogs may be used to take and retrieve resident small game.

PUBLIC USES ON STATE AND FEDERAL LANDS

Lands Pass Program

- Since the 1990s, a lands pass has been required on certain CDFW lands for each visitor, 16 years or older, who is not carrying a valid hunting or fishing license.
- Currently lands passes are required on Ash Creek Wildlife Area, Bass Hill Wildlife Area, Battle Creek Wildlife Area, Boden Canyon Ecological Reserve, Butte Valley Wildlife Area, Canebrake Ecological Reserve, Gray Lodge Wildlife Area, Hollenbeck Canyon Wildlife Area, Hope Valley Wildlife Area, Horseshoe Ranch Wildlife Area, Los Banos Wildlife Area, Mouth of Cottonwood Creek Wildlife Area, North Table Mountain Ecological Reserve, San Felipe Valley Wildlife Area, San Jacinto Wildlife Area, Shasta Valley Wildlife Area, Upper Butte Basin Wildlife Area, Volta Wildlife Area, Willow Creek Wildlife Area, and Woodbridge Ecological Reserve.
- In the future, additional properties listed in subsections 551(w) and 630(c) may reinstate the lands pass requirement. An up-to-date list of properties that require a lands pass is maintained at www.wildlife.ca.gov/licensing/lands-pass. If you do not have access to the internet, please call 916-445-0411, and let the receptionist know you have a question regarding lands passes.
- Lands passes can be obtained on-line at www.ca.wildlifelicense.com/Internet-Sales/ and printed at home, by phone at (800) 565-1458, or in-person (sales agent and CDFW sales office locations at www.wildlife.ca.gov/Licensing).
- Purchase lands passes in advance of your visit as they are not sold on-site and cell/Wi-Fi may be unavailable.

MOBILITY IMPAIRED HUNTER REQUIREMENTS AND INFORMATION

A number of State Wildlife Areas and National Wildlife Refuges have hunting blinds designated for use by mobility impaired hunters. A "mobility impaired hunter" is defined as any person who has been issued a Department of Motor Vehicles "Disabled License Plate"; "Permanent Parking Placard Identification Card"; "Disabled Veteran License Plate"; or valid "Mobility Impaired Disabled Persons Motor Vehicle Hunting License" (FG form 1460). The blue plastic "Disabled Parking Placard" may not be substituted for the required "Identification Card" which bears the name of the mobility impaired person. Disabled hunters must provide the registration certificate for DMV issued disabled license plates.

DISABLED ACCESSIBLE BLIND SITES EXIST AT THE FOLLOWING AREAS:

National Wildlife Refuges: Sacramento (3), Delevan (3), Merced (1), Kern (2), Kesterson (1). State Wildlife Areas: Gray Lodge (4), Grizzly Island (2), Imperial/Sonny Bono Salton Sea (4), Mendota (6), Los Banos (2), San Jacinto (2), Shasta Valley (1), North

Grasslands Wildlife Area (2), Upper Butte Basin (5), Yolo Bypass (1). Additional areas with Disabled access to assigned ponds: Colusa; and Sutter. Details regarding facilities at each location can be obtained by phoning the information number listed in this booklet for each area. Disabled accessible blind sites not filled through the reservation draw conducted by the department's License and Revenue Branch, will be filled through an on-site lottery draw or by a disabled only first-come, first-served waiting list or line. Disabled hunters, who enter the first-come, first-served waiting list or line, may not enter any other first-come, first-served list or line, on the wildlife area or refuge for that hunt day.

PLAN AHEAD BEFORE VISITING A WILDLIFE AREA!

IMPORTANT: Check stations do not sell any license items, permits or passes. Be sure to purchase any needed licenses, passes and validations from a CDFW license sales office, a license agent or online at www.wildlife.ca.gov/Licensing/Online-Sales.

RESERVATION SYSTEM

Reservations to hunt on specified State-controlled hunting areas during the waterfowl and pheasant seasons are issued by drawing. Resident, junior and nonresident hunters with annual hunting licenses may apply. Hunters may apply as many times per season as desired but no more than once for each area for each shoot day. Season-long and multiple choice reservation applications may be submitted through the Automated License Data System online, at CDFW license sales offices and license agents. Each reservation assures entry to the area selected for the date issued. Reservations may not be transferred to another person. Refunds will not be issued for emergency area closures due to unforeseen weather or other conditions. Reservations for areas that are closed due to flooding will not be accepted at other areas. Numbered reservations will be honored in numerical order, at the time the check station starts issuing permits for the hunt day, except for Grizzly Island and Mendota Wildlife Areas, where reservations are processed in order of vehicle position. Reservation holders must be present at the time their reservation number is called.

HOW TO APPLY

Reservation applicants may purchase season-long and multiple choice applications through the Automated License Data System at department license sales offices, license agents, or on the internet for any or every available Saturday, Sunday and/or Wednesday. To be included in the drawing, completed applications must be submitted at least 17 days before the hunt date requested.

Disabled hunters may apply for a drawing to hunt at disabled accessible hunting sites by entering the hunt code for the desired disabled accessible hunting site on their reservation application. To apply, hunters must meet the requirements to hunt at a disabled accessible hunting site (see page 20). Hunters who apply for a disabled accessible hunting site at a given area may not apply for any other reservation draw for that area on that date.

NATIONAL WILDLIFE REFUGE REGULATIONS

Check the appropriate webpage for each refuge and the signage on each refuge to ensure you have the most up-to-date information on refuge regulations. The website for the National Wildlife Refuges is <http://www.fws.gov/refuges/>.

550. GENERAL REGULATIONS FOR PUBLIC USE ON ALL DEPARTMENT OF FISH AND WILDLIFE LANDS.

- (a) All department land, except for fishing access and public access lands, is closed to visitor access and use until and unless the land is opened for a use or uses through regulations adopted by the commission in sections 550, 550.5, 551, 552, 630, and 702 of these regulations. The commission determines whether proposed designations and uses are consistent with the authorizing and reference statutes listed at the end of this section and the purposes for which the lands were acquired. Each proposed designation or use is subject to review pursuant to state and federal regulatory requirements prior to being authorized.
- (b) Definitions.
 - (1) "Department land" is defined as:
 - (A) any state-owned real property over which the department has jurisdiction and management authority;
 - (B) real property over which the department has management authority through a current lease, memorandum of understanding, management agreement, or similar document;
 - (C) real property designated by the commission as a wildlife area (Section 551 of these regulations);
 - (D) real property designated by the commission as an ecological reserve (Section 630 of these regulations);
 - (E) real property held or administered by the department as a fishing access;
 - (F) real property held or administered by the department as a public access;
 - (G) real property designated by the commission as a public shooting area.
 - (2) "Compatible uses" is defined as visitor uses that are consistent with the purposes and management of a particular department land. Predominant compatible uses on department lands are hunting, fishing, wildlife viewing, wildlife photography, environmental education and/or environmental research.
 - (3) "Environmental education" is defined as:
 - (A) department administered or sponsored interpretive programs offered to the public; or
 - (B) activities to increase the understanding and appreciation of wildlife and the natural environment conducted by organized youth or school groups.
 - (4) "Environmental research" is defined as the field study of biological, physical, or cul-

tural processes or values with the primary purpose of improving the understanding of the natural environment.

- (5) "Visitor" is defined as any person, other than a department employee or designee performing official duties, who enters department land.
 - (6) "Entry permit" is defined as a permit which allows entry to specified department land for department-authorized activities where general access is restricted per subsection 550(c)(2)(D). Entry permits may require payment of a fee to the department.
 - (7) "Hunting Pass" is defined as a proof of payment of a fee that must be presented by a visitor in order to obtain an entry permit to hunt on specified Department lands.
 - (8) "Lands Pass" is defined as a proof of payment of a fee for entry for authorized uses other than hunting that is required of visitors who are not carrying a valid hunting, fishing or trapping license on Department lands listed in subsections 551(w) and 630(c).
 - (9) "Special use" is defined as an activity, use, event or gathering on department land that is not authorized in sections 550, 551 or 630 of these regulations but which may be allowed with written authorization from the department; typically in the form of a Special Use Permit. When allowed, special uses occur on a limited basis as defined in the Special Use Permit or other authorizing document. An authorized special use on department land shall not conflict with the normal uses, purposes or management of the department land.
 - (10) "Reservation" is defined as a randomly drawn application that assures entry onto a wildlife area, when presented with the appropriate entry pass as specified in Section 550.5(c), if applicable.
 - (11) "Fishing" for the purposes of department land is defined as angling as defined in Section 1.05 of these regulations, or as taking fish on department wildlife areas using bow and arrow fishing tackle as defined in Section 1.23 of these regulations.
 - (12) "Hunting" for the purposes of department land is defined as the legal take (as take is defined in Fish and Game Code Section 86) of wildlife species pursuant to sections 550, 550.5, 551, 552, and 630 of these regulations, in addition to the general hunting regulations for seasons and method of take. The provisions of sections 550, 550.5, 551, 552, and 630 shall have precedence over general hunting regulations on department land where there may be differences between them.
 - (13) "Camping" for the purposes of department land is defined as an overnight or after-hours visitor stay which may include a vehicle, trailer, motor home, boat, tent, or any other type of vehicle or shelter.
 - (14) "Wildlife viewing" for the purposes of department land is defined as pedestrian use of roads or designated trails when and where authorized by the department.
 - (15) "Dog training" for the purposes of department land is defined as the noncommercial act of training a hunting dog to improve the dog's performance in hunting migratory or upland game birds and retrieval of downed game, and to enhance the hunting experience.
 - (16) "Dog trial" for the purposes of department land is defined as an organized competitive or scored event for testing hunting dog performance.
 - (17) "Upland game birds" for the purpose of department land is defined as the upland game bird species listed in Fish and Game Code Section 3683.
- (c) Visitor Entry and Responsibilities.
- (1) Visitors are responsible for knowing and complying with all regulations pertaining to fishing, hunting, and use of department land. These regulations are incorporated by reference into and become a condition of all visitor entry, passes, entry permits, and special use permits. Failure to comply with any such regulations is a violation of this section.
 - (2) Visitor entry onto department land is at the discretion of the department, which may limit entry as it deems appropriate, to manage and protect fish, wildlife, native plants, habitats and other natural resources. Entry may require payment of a fee, a pass and/or an entry permit as provided in subsection 550.5(c).
 - (A) Visitor entry, where authorized or designated, is for activities authorized according to sections 550, 550.5, 551, 552, or 630 of these regulations. It shall be unlawful to enter or use department land without complying with the applicable sections of these regulations.
 - (B) All visitors shall present and show valid entry permits, season or annual passes, licenses, and all fish and game taken on department land at the checking station or upon the request of any department employee. Visitors shall

- return all entry permits to the checking station or point of entry upon leaving department land.
- (C) Visitor entry is authorized only from sunrise to sunset except during department-authorized hunting or fishing opportunities when access to hunting and fishing sites at other times may be permitted.
- (D) The department may close all or portions of department land to visitors entirely, seasonally, or to specific activities or uses, and may limit the number of visitors entering an area for safety reasons, to reduce crowding, to avoid or reduce environmental disturbance, to limit the take of species, or to protect natural or cultural resources. Designated closures and use restrictions for specific properties are provided in sections 551(for wildlife areas) and 630(for ecological reserves) of these regulations.
1. The department may close any department land, or portion thereof, to any or all visitor use or access, without notice, by posting closed signs.
 2. No visitor(s), other than those possessing written authorization from the department, shall enter or access any department land or portion thereof which is closed to visitors, including areas posted with closed signs and seasonally closed areas. This restriction does not apply to department employees or designees in the performance of official duties.
- (E) On department land where entry and exit sites are designated by the department, no visitor shall enter or leave the land except at those designated sites.
- (F) It shall be unlawful for a visitor to enter any department land or portion thereof where the department has restricted visitor entry without a valid entry permit or pass. Subsection 550.5(c) specifies how to obtain an entry permit or pass.
1. Where a fee is required for entry, a pass must be purchased in advance through the department's Automated License Data System. Passes are sold by license agents, department license sales offices, or online at www.wildlife.ca.gov.
 2. Where an entry permit is required for hunting, a hunting pass must be presented with photo identification at the time of entry for issuance of an entry permit. Entry permits are available and issued by the department only at the area checking station, point of entry, or by mail for successful special drawing applicants.
 3. Rules regarding entry and reservation fees required for hunting on certain wildlife areas are in subsection 550.5(c) and Section 702 of these regulations.
 4. Where a fee is required for entry for authorized uses other than hunting, a Lands Pass must be purchased in advance. Additional rules for Lands Passes are in subsection 550.5(c) of these regulations.
- (3) Daily Entry Permit Revocations, Refusals, and Ejections. Employees of the department are authorized to refuse entry or issuance of entry permits, revoke permits and/or eject any visitor from department land for violation of any regulations, drug or alcohol intoxication, disorderly conduct, or for any reason when it appears that the general safety or welfare of the property or persons thereon is threatened. The decision and duration of revocation, in such respect, of any department employee assigned management or enforcement responsibilities for the area shall be final.
- (A) Visitors found to violate any such refusal, revocation or ejection may be cited and fined.
 - (B) Visitors affected by this subsection may appeal such actions to the commission.
- (4) Penalties.
- (A) A visitor's failure to comply with sections 550, 551, 552 or 630 of these regulations may result in any or all of the following:
 1. denial of permission to enter department lands;
 2. revocation of any pass and/or permit already issued;
 3. ejection from department lands for up to one calendar year from the date of discovery; and
 4. citation or arrest under applicable provisions of the Fish and Game Code or these regulations.

- (B) proceeding under any of the above provisions shall not preclude the exercise of any other remedy.
- (d) Special Use Permits. Any person, group, organization, agency or company wishing to request approval of a special use, as defined in subsection 550(b)(9), on any department land shall submit a Permit Application for Special Use of Department Lands and the permit fee as specified in Section 702 of these regulations to the department. Additional regulations that apply to Special Use Permits are located in Section 550.5 of these regulations. Department review and issuance is dependent upon staffing availability. If the department determines that the requested special use can be conducted in a manner that is not in conflict with current uses, management, or purposes of the department land on which the special use is proposed, the department may issue a special use permit.
- (1) The department will charge fees to recover the department's reasonable costs to review and issue Special Use Permits.
 - (2) Conditions of issuance of the Special Use Permit may include a requirement to reimburse the department for any staff time or other costs related to the special use.
 - (3) All permittees shall observe and comply with all local, state and federal laws, regulations, requirements, terms, and conditions applicable to the special use.
 - (4) The Special Use Permit must be approved in writing by the department and in possession of the permittee prior to entering, and during the use of, department land.
- (e) Environmental Education. Environmental education activities on department land shall be conducted only under written authorization from the regional manager or designee and coordinated with the area manager.
- (1) If a purpose of the environmental education activity is to generate revenue for a person, entity or organization, the written authorization shall be in the form of a Special Use Permit.
- (f) Research. Environmental research on department land shall be conducted only under written authorization from the regional manager or designee. Authorization may be given if the department determines that the environmental research and associated activities are compatible with current uses, management and purposes of the property. Conditions of approval may include, but are not limited to:
- (1) proof of all necessary collecting permits;
 - (2) submission of written progress reports to the department;
 - (3) a schedule of activities and deliverables;
- (4) provision of electronic copies of geospatial and all other field data and reports in a digital format specified by the department; and
 - (5) submission of copies of Natural Diversity Database field data forms for species tracked by the department.
- (g) Protection of Resources. Except for the take of fish and/or wildlife in compliance with general and site-specific hunting and fishing regulations, or under written authorization from the department to conduct environmental research or environmental education, no visitor shall:
- (1) mine or disturb geological formations, archeological, cultural or anthropological artifacts, structures, or resources;
 - (2) take or disturb any bird nest, or eggs thereof;
 - (3) cut, saw, trim, remove, or disturb any plant, mammal, fish, mollusk, crustacean, amphibian, reptile, soil, sand, gravel, rock, mineral, or any other form of plant or animal life on department land, except that non-woody vegetation may be cut and used for temporary hunting blinds; or
 - (4) construct or build any type of structure, including those made of vegetation (except as provided in subsection 550(g)(3)) or any other type of material, on department land except as may be specifically authorized by a Special Use Permit.
- (h) Fishing. Fishing (as defined in subsection 550(b)(11)) on department land shall be allowed except as otherwise stated in subsections 551(o), 551(y) or 630(e) of these regulations, or when the area is closed according to these regulations or posted by the department with signs that prohibit entry or fishing.
- (1) Fishing shall be conducted in accordance with general fishing regulations, except that it shall be limited to fishing from the shore unless boating facilities and/or areas for boats or other floating devices are designated or as allowed in subsections 551(o), 551(y) or 630(e) of these regulations.
 - (2) No visitor shall take fish (as defined in Fish and Game Code Section 45) from department land for commercial purposes.
- (i) Regional Manager's Authority.
- (1) The regional manager or his designee shall have the authority to place temporary restrictions on visitor use of department land for the purposes of protecting public health and safety or natural resources when circumstances warrant additional restrictions, and where such restrictions

are not provided in sections 550, 550.5, 551, 552, and 630 of these regulations.

- (2) On state wildlife areas, the regional manager may authorize junior pheasant hunts during or outside the general pheasant season and may authorize junior turkey hunts during the regular season.
- (3) For Lower Sherman Island Wildlife Area only, the Regional Manager may determine whether decoys may be left in the field.

Note: *Any decoys left in the field and all blinds on Lower Sherman Wildlife Area are available for use onsite by any hunter on a first come, first-served basis on all shoot days.*
- (j) Wildlife viewing, hiking, and photography are allowed on department land except when the property or portion of the property is specifically closed.
 - (1) Photography, videography, or filming of any type for commercial (profit or sale) purposes on or of department land requires a Special Use Permit from the department and a permit from the California Film Commission, pursuant to Government Code section 14998.8, et seq. The department shall not authorize or issue a Special Use Permit for any commercial photography, videography, or filming of any type without a valid permit from the California Film Commission.
- (k) Introduction of Species. Visitors are prohibited from releasing, introducing, or transplanting animal or plant species, including domestic or domesticated species, onto or within department land or waters without a valid permit issued by the department except as authorized for dog training in a designated area.
- (l) Feeding of Wildlife. Visitors are prohibited from feeding fish or wildlife except as part of an otherwise legal activity, such as fishing in compliance with general fishing regulations, and Section 550(h).
- (m) Pets. Visitors are prohibited from bringing pets, including but not limited to dogs and cats, onto department land except on a leash of less than ten feet or inside a motor vehicle, unless otherwise prohibited or restricted in subsections 551(o) or 630(h) of these regulations, or by prohibitions posted on the department land. Visitors may use dogs for hunting during an open season for an authorized species pursuant to subsection (n) of this section, unless otherwise prohibited.
- (n) Use of Dogs for Hunting, Training and Dog Trials. The department may prohibit or restrict dog training, dog trials, or the use of dogs for any purpose on any department land. While in parking lots or checking stations, dogs must be leashed. While engaged in authorized hunting, training or dog trials, dogs may be off leash. On wildlife areas, while in transit between parking lots or check stations and the areas where authorized hunting, training or dog trials take place, dogs may be off leash but must be kept within ten feet of their owner or handler. On ecological reserves, when not engaged in authorized hunting, training or dog trials, dogs must be controlled per subsection (m) of this section.
 - (1) Dog training is allowed only on department lands with designated dog training areas as identified in subsections 551(i) and 630(i) of these regulations and, pursuant to those subsections, may require written authorization.
 - (2) Dog trials are authorized on department land identified in subsection 551(i) of these regulations and require a Special Use Permit pursuant to subsection 550.5(d) of these regulations.
 - (3) The use of dogs for hunting mammals or training or trialing to prepare for or simulate hunting mammals on department land is subject to the provisions of Section 265 of these regulations.
 - (4) Additional site-specific regulations pertaining to dogs apply as specified in subsection 551(o) of these regulations.
- (o) Horses, Pack Stock, and Horseback Riding. Recreational use of horses is allowed on department lands designated as wildlife areas except when the area is specifically closed or as specified in subsection 551(l) of these regulations. The recreational use of horses is prohibited on all other department lands except lands with department-designated horse trails or areas identified in subsection 630(g) of these regulations.
- (p) Camping, Motorhomes, and Camp Trailers.
 - (1) No visitor shall camp, including on a boat, on any department land except on those wildlife areas where the department has designated campsites or camping areas, as provided in subsection 551(m) and Section 552 of these regulations. Within these wildlife areas, camping shall occur only in the department-designated campsites or areas. Camping, where authorized, may be conducted for up to seven consecutive nights and for a total of no more than fourteen nights per calendar year.
 - (2) The department may provide written authorization to camp outside of designated camping areas for authorized research, monitoring or management purposes. Such written authorization shall be in the

- immediate possession of the authorized person(s) at all times while on department land.
- (3) Campers, camp trailers and motorhomes are prohibited on department lands except on those lands with department-designated camp trailer or motorhome accessible camping or parking areas.
- (A) Visitors who wish to camp must register their camper, camp trailer or motorhome at the checking station or appropriate office and are limited to one camper, camp trailer or motorhome per registrant in the parking area. Utility trailers and cargo trailers are prohibited in designated camper, camp trailer and motorhome accessible camping and parking areas unless specifically authorized under a Special Use Permit.
- (B) Parking areas are for visitor use only. The visitor responsible for the registered camper, camp trailer or motorhome shall show proof of use of the area within the previous seven days upon request. Failure to do so may result in citation and removal of the truck and camper, camp trailer or motorhome at the owner's expense.
- (C) Campers, camp trailers and motorhomes over 30 feet in length are prohibited on all department lands.
- (D) Tow vehicles for camp trailers must be stowed in designated vehicle parking lots.
- (4) Camping is prohibited on all department lands designated as ecological reserves.
- (q) Fires.
- (1) Except as further restricted in subsection 551(n) of these regulations, fires are restricted to portable gas stoves, charcoal briquette barbecues, or fireplaces or pits developed by the department for visitor use, within department-designated campsites or camping areas on those lands designated as wildlife areas.
- (2) Visitors are prohibited from using any form of fire on other department lands, including but not limited to wildlife areas that do not include designated campsites or camping areas and those lands designated as ecological reserves.
- (3) No fire shall be left unattended and all fires shall be completely extinguished by the visitor before leaving the site.
- (r) Hazardous Substances. No visitor shall apply, leave, dump, bury, release or dispose of any pesticide, herbicide, or hazardous substance, material or waste in, on, or from department land.
- (s) Farming or Grazing. Unauthorized farming or grazing (including but not limited to cattle, horses, sheep, goats, and hogs) and associated activities on department land are prohibited.
- (t) Vandalism. No visitor shall tamper with, damage, destroy or remove any property not their own when such property is located within any department land.
- (u) Signs and Markers. No visitor shall tamper with, deface, damage, destroy or remove any barrier, sign, signpost, trail marker, or signboard on any department land. No visitor shall place any sign, flagging, or marking of any kind on any department land without prior written authorization from the department.
- (v) Litter. It shall be unlawful to leave, deposit, drop, dump, bury, or scatter any bottles, cans, glass (including broken glass), feathers, hides, carcasses, targets, shells, casings, vegetation, earth, rock, waste, sewage, cigarettes, cigars, or other debris or trash ("refuse") on any department land except in a receptacle or area designated for that purpose. Where no designated receptacles are provided, visitors must remove all refuse from the area.
- (1) Visitors shall remove all of their personal equipment and belongings from department land daily. Failure to do so may result in unremoved items being deemed litter and disposed of.
- (w) Fireworks/Explosives. No visitor shall import, possess or use fireworks, explosives or incendiary devices of any type on any department land unless authorized under permit by the department for management purposes.
- (x) Possession and Use of Alcohol, Marijuana, and Controlled Substances.
- (1) No visitor shall possess, use, or be under the influence of alcohol while in the field hunting. For the purpose of this section, "in the field" is defined as all areas of department land except designated parking and camping areas. Visitors under the influence of alcohol to a level determined to be unsafe may be cited and ejected per section 550(c)(3).
- (2) No visitor shall possess, use, or be under the influence of marijuana on any department land. Visitors in possession of medical marijuana cards and/or other legal authorization to possess marijuana for medical purposes (per Health and Safety Code sections 11362.7 through 11362.83) may only possess marijuana in that visitor's transport vehicle. Visitors with authorization to possess marijuana may not use it or be under

its influence on department land. Visitors using or determined to be under the influence of marijuana on department land, or in possession of marijuana in violation of this section, may be cited and ejected per section 550(c)(3).

- (3) No visitor shall possess, use, or be under the influence of any illicit controlled substance on any department land. Visitors possessing, using or under the influence of any illicit controlled substance on any department land may be cited and ejected per section 550(c)(3). Illicit controlled substances for purposes of this regulation are those substances where no medical authorization exists and no legal authorization allows possession for legitimate use of the substance.
- (y) Motor Vehicles.
- (1) Visitors are prohibited from driving or operating any motor vehicle or trailer on department lands except on designated roads.
 - (2) Visitors are prohibited from stopping any motor vehicle between designated parking areas to drop off passengers or hunting equipment.
 - (3) On department lands where auto tour routes are provided, visitors shall use any pullouts or wide spots along the route to stop and view wildlife rather than block the road for other visitors.
 - (4) Designated parking areas are for visitor use only. Parking motor vehicles and trailers outside of designated parking areas is prohibited except for special use or research permittees who may be authorized otherwise. Utility, flatbed, cargo, or similar trailers are prohibited on department lands except as authorized under a Special Use Permit.
 - (5) No visitor shall operate a motor vehicle carelessly in willful disregard of the rights or safety of others, or without due caution, or at a speed or in a manner likely to endanger any person, property, natural resources, or wildlife on department lands.
 - (6) Operators of motor vehicles shall not exceed 15 mph, unless otherwise posted, and shall comply with traffic and other signs posted on department lands.
 - (7) The use of off highway vehicles (OHV's), all-terrain vehicles (ATV's), motorcycles, and snowmobiles is prohibited on all department land, except where authorized and designated in subsection 551(k) of these regulations.
- (z) Boats and Swimming.
- (1) The department may restrict the use and operation of boats, boat motors, and floating devices ("boating") on department lands to protect natural resources or provide for the orderly operation of compatible uses on these areas. Boating restrictions may include but are not limited to, prohibitions on use and operation or, if boating is allowed, limiting boat speeds and/or motor size and type. During the times waterfowl are present, the provisions of Section 251 of these regulations, which prohibits pursuit or shooting of birds or mammals from a motor driven vehicle (including but not limited to motorboats, airboats, or sailboats) also apply.
 - (2) Boats and floating devices are generally allowed on wildlife areas, except as restricted or prohibited in subsection 551(l) and Section 552 of these regulations. Boats are generally prohibited on ecological reserves except as provided in subsection 630(f) of these regulations. Where boats and/or floating devices are allowed on department land, they shall be used subject to the following regulations:
 - (A) no visitor shall operate a vessel carelessly in willful disregard of the rights or safety of others, or without due caution, or at a speed or in a manner likely to endanger any person, property, or wildlife;
 - (B) where launch sites are designated by the department, all boats must be launched and removed from those sites;
 - (C) any boat trailer shall remain attached to the tow vehicle and be stowed in a designated parking area;
 - (D) all visitors shall remove their boats or floating devices from the water or beach when instructed to do so by an employee of the department. Any peace officer may remove the boat or floating device of any visitor who has been instructed to remove it from the water or beach and fails to comply with that instruction;
 - (E) the use of boats or other floating devices may be restricted to certain zones designated by the department;
 - (F) boat speed shall not exceed five miles per hour unless otherwise posted; and
 - (G) any peace officer may remove any boat or floating device that is left unattended on department land or in the water in excess of 72 hours.

- (3) Swimming is prohibited on department lands except where designated and authorized in subsection 630(f) of these regulations.
- (aa) Aircraft. No visitor shall operate any aircraft, hovercraft, or hot air balloon within department lands except as authorized by a Special Use Permit issued by the department.
Note: *For the purpose of these regulations, "any aircraft" includes but is not limited to, drones.*
- (bb) Bicycles and bike riding are prohibited on department lands except where authorized and designated in subsection 551(j), Section 552, and subsection 630(g) of these regulations.
- (1) On department lands where trails or roads have been designated for bicycles, no visitor shall ride, operate, leave, or park a bicycle except on those designated areas.
- (cc) Firearms, Archery, and Other Propulsive Equipment.
- (1) Nothing in this section shall prohibit the lawful possession of a concealed firearm by an active peace officer listed in Chapter 4.5 (commencing with Section 830) of Title 3 of Part 2 of the Penal Code or a retired peace officer in lawful possession of an identification certificate issued pursuant to Penal Code Section 25455 authorizing the retired officer to carry a concealed firearm. Nor shall this section prohibit the lawful possession of a concealed firearm pursuant to a concealed carry permit issued pursuant to Penal Code Section 26150 or 26155.
- (2) Possession, discharge, and use of firearms or archery equipment is prohibited on department lands except within department-designated hunting areas or shooting sites, or with a permit issued by the department, or as authorized for dog training in a designated area, or when fishing with bow and arrow tackle as defined in subsection 550(b)(11) and allowed in subsection 550(h), or when dispatching a trapped animal per subsections 465.5(g)(1) and 550(ee) of these regulations. This prohibition includes air or gas operated devices or guns and all other propulsive devices.
- (3) General (Non Hunting) Uses
- (A) The use of glass or porcelain targets is prohibited on all department lands. Clay targets shall be used only at designated shooting sites where their use is allowed.
- (B) Designated shooting sites are open daily from sunrise to sunset unless otherwise listed in subsections 551(v) or 630(j) of these regulations.
- (C) Except as otherwise provided, an adult supervised youth may possess and discharge a BB gun on any wildlife area. A BB gun is not an authorized method of take and may not be used to take wildlife on any wildlife area. A BB gun is defined as an air and/or spring-actuated rifle similar to Daisy BB gun models 96 (Timberwolf), 105 (Buck), or 1938 (Red Ryder), firing a spherical BB no larger than 0.177 inches in diameter (4.5 mm) at a muzzle velocity no greater than 350 feet per second. For the purpose of this section a youth is defined as a visitor under the age of 16.
- (4) Hunting Method of Take. Where hunting is allowed, it shall be conducted in accordance with general hunting regulations and subject to sections 550, 550.5, 551, 552, and 630 of these regulations.
- (A) Possession or discharge of shotguns larger than twelve gauge is prohibited on all department lands designated as Type A or Type B wildlife areas.
- (B) Except for bow and arrow tackle as defined subsection 550(b)(11) and allowed in subsection 550(h), or as otherwise provided, no rifles, pellet or BB guns, combination rifle-shotguns, pistols, archery equipment, or revolvers shall be possessed in the field or discharged on any Type A or Type B wildlife areas. All legal firearms and archery equipment may be used on Type C wildlife areas unless prohibited in subsection 551(r) of these regulations. Firearms and archery equipment may be used on ecological reserves where hunting is authorized in subsection 630(d) of these regulations, subject to any restrictions therein.
- (C) The use or possession of shot size larger than T in steel or BB in non-toxic (other than steel) shot is prohibited on all department lands and national wildlife refuges. On those department lands where big game species may be hunted, shotguns with slugs may be used.
- (D) A hunter shall not possess more than 25 shot shells while in the field on Type A wildlife areas during the waterfowl season unless otherwise

provided for in subsection 551(o) of these regulations. Subsection 551(o) also specifies additional wildlife areas where a hunter shall not possess more than 25 shot shells in the field during the waterfowl season. Only those visitors possessing a valid hunting permit for that day may possess ammunition in the field.

- (E) It shall be unlawful to take wildlife except in compliance with the non-toxic shot and certified nonlead projectile requirements of Section 250.1 of these regulations.
 - (F) Except for bow and arrow tackle defined in subsection 550(b)(11) and allowed in subsection 550(h), archery equipment shall not be used during the waterfowl and pheasant seasons on Type A or Type B wildlife areas, unless provided in subsection 551(u) of these regulations.
 - (G) Loaded firearms, as defined in Fish and Game Code Section 2006 or Section 25850 of the Penal Code, are prohibited in parking lots, visitor areas, checking stations, and any other facility on department lands.
- (dd) Falconry.
- (1) On ecological reserves, falconry is prohibited.
 - (2) On Type C wildlife areas, raptors may be used to take legal game in accordance with general hunting and falconry regulations.
 - (3) On Type A and Type B wildlife areas, raptors may be used to take legal game only from the first Saturday following the end of the waterfowl season through the end of the falconry pheasant season. Raptors may be used only on Saturdays, Sundays, and Wednesdays.
- (ee) Trapping: Trapping is allowed on Type C wildlife areas, subject to furbearer and trapping provisions in sections 460 through 467 and property-specific closures or restrictions in subsections 551(o) and 551(r) of these regulations.

550.5 RESERVATIONS, ENTRY PERMITS, FEES, PASSES, AND SPECIAL USE PERMITS.

- (a) Reservations for Hunting Activities.
 - (1) Reservations for waterfowl and pheasant hunting are available for Type A wildlife areas for all authorized shoot days of the season. On Type B wildlife areas, reservations are required for the opening weekend

of waterfowl season and may be required for the opening of pheasant season.

- (A) Reservations shall be issued by random drawing. Applications are available through the Automated License Data System at license agents, department license offices and online. To find the locations of department license agents, department license offices or to apply for a reservation on-line, go to the department's website at www.wildlife.ca.gov. Applicants must possess an annual or lifetime hunting license valid for the hunting season for which they are applying. Two-day nonresident hunting licenses shall not be used to apply for reservation drawings. To be included in a reservation drawing, applications must be received by the department through the Automated License Data System or at the address specified on the application at least 17 days prior to the hunt date. Late, incomplete, or incorrect applications will not be included in the drawing. The fee to apply for a reservation is specified in Section 702 of these regulations. The application fee is non-refundable.
- (B) Unless otherwise provided in Section 551 of these regulations, the reservation system only serves to assure entry onto a wildlife area and does not necessarily constitute a method for prioritization over other users.
- (C) Multiple Applications.
 - 1. An applicant is limited to one application for each wildlife area for each authorized shoot day. Shoot days are specified under subsections 551(e), 551(o), 551(p), 551(q), 551(s), and 552(a) of these regulations.
 - 2. The department may eliminate applications that are not in compliance with these regulations from any reservation drawing. Persons who submit more than one application for the same shoot day for the same wildlife area may be barred from hunting on department-operated areas for a period of one year following the date the department discovers the violation. Any reservation issued as a result of such improper submission, or to any person currently barred

- from the department-operated areas, shall be void (not valid).
- (D) Unless otherwise stated on the hunting reservation or on information mailed with the reservation, each successful reservation applicant shall be granted a one-day entry permit during the waterfowl or pheasant season. The entry permit shall be issued to the successful applicant for the date and wildlife area stated on the hunting reservation upon the applicant presenting a one-day, two-day, or season pass. Verification of the successful applicant/reservation holder shall require identification per subsection 700.4(c) of these regulations. Unless otherwise provided, the reservation will expire one and one-half hours before shoot time for the date stated on the reservation. For some wildlife areas, the department will number reservations in the order in which they are drawn. These reservations will be accepted at checking stations in numerical order. The reservation holder must be present at the time the number is called in order to have priority over other, lower-priority reservations.
- (E) Except as provided in subsection 550.5(a)(1)(F) or subsection 551(x) of these regulations, a reservation shall be valid for entry for up to six visitors who must hunt as a party. No more than two visitors in a hunting party may be adult hunters (18 years of age or older as of July 1 of the licensing year). Each adult may be accompanied by up to two hunters holding junior licenses or two non-shooters irrespective of age, or one of each. All hunters must be in possession of a valid hunting license. Non-shooters are defined as visitors who accompany a reservation holder in the field or remain at a designated parking area. Non-shooters shall not discharge or possess ammunition or a firearm on the wildlife area.
- (F) When hunting a designated hunting zone, assigned pond, or blind area, a reservation will assure entry only for the number of visitors (adult hunters, junior hunters, and/or non-shooters) that does not exceed the capacity of the designated zone, assigned pond or blind area.
- (b) Reservations for Wildlife Viewing. Reservations for wildlife viewing may be available for certain department lands during peak viewing periods or when guided tours are offered. The department may limit the number of reservations available for each of these opportunities.
- (c) Entry Permits, Fees, and Passes.
- (1) Where the department has determined that entry permits are required per subsection 550(c)(2) of these regulations and/or that fees are necessary to offset the department's costs of providing public recreational opportunities, an appropriate pass must first be purchased for a fee through the department's Automated License Data System at a license agent, department license office or on the department's website at www.wildlife.ca.gov. An entry permit will be issued only when an appropriate hunting pass is presented at the checking station or point of entry.
 - (2) Passes for hunting during the waterfowl season are sold as one day, two day, or Type A or Type B season hunting passes. Applicable fees are listed in subsection 702(b) of these regulations.
 - (3) Entry permits and hunting passes are required for waterfowl hunting on all Type A wildlife areas.
 - (4) Entry permits and proof of either a Type A or Type B season hunting pass are required for waterfowl hunting on all Type B wildlife areas. One or two day passes are not accepted at Type B wildlife areas.
 - (5) Entry permits and/or passes or special drawings may be required for hunting on Type C wildlife areas where the department has determined that restricted access is necessary per subsection 550(c) of these regulations (see subsection 551(q) of these regulations).
 - (6) Each visitor must have a valid entry permit in their immediate possession while on department lands that require an entry permit.
 - (7) Visitors with a valid junior hunting license are exempt from purchasing a daily or annual hunting pass but will only be issued an entry permit when accompanied by an adult and upon presenting a valid junior hunting license issued in that visitor's own name. An adult is defined as a person 18 years old or older. An adult hunter or non-shooter may accompany up to two junior hunters on department lands.
 - (8) Any visitor 16 or 17 years of age presenting a valid junior hunting license issued in his or her own name will be issued an entry

permit and may hunt independently. Hunters 16 or 17 years of age who hunt without an adult shall not be accompanied by any visitor 15 years of age or younger.

- (9) Any required entry permits will be issued on a first-come, first served basis and/or by a reservation drawing to be held at a designated department office. The department shall inform the commission in writing and the public via the news media when limits imposed under this section differ substantially for a specific area from the prior year. Such notification shall include: the land affected; the time period; the reason for the limitation or closure; the number of entry permits to be issued; and the method of issuance.
- (10) Entry permits are non-transferable. Forgery, duplication, alteration or fraudulent use of entry permits, passes, or processes for obtaining them, is prohibited. Any person who violates these regulations may be barred from department lands for one calendar year from the date the department discovers the violation.
- (11) A Daily or Annual Lands Pass for Authorized Uses Other than Hunting (Lands Pass) is required for visitor entry on department lands listed in subsections 551(w) and 630(c) of these regulations. A Lands Pass must be purchased in advance and carried by each visitor, on their person, while on the subject property. Information about how to purchase a Lands Pass is explained in 550.5(c)(1) of these regulations. Exceptions to the Lands Pass requirements are as follows:
- (A) Visitors carrying a valid California sportfishing, hunting, or trapping license issued in the visitor's own name are not required to purchase a Lands Pass.
- (B) Participants in school or organized youth group field trips, or visitors who are under 16 years of age are not required to obtain a Lands Pass.
- (12) In addition to the sources listed for purchasing passes in subsection 550.5(c)(1), Lands Passes may be purchased at the Elkhorn Slough Ecological Reserve Visitor Center at the time of entry during business hours.
- (d) Special Use Permits. Special uses, as defined in subsection 550(b)(9) of these regulations, on department lands require written authorization from the department. Such authorization will typically be in the form of a Special Use Permit (per subsections 550(d) and 550(n)(2) of these regulations). The department shall not issue Special Use Permits for activities or uses that conflict with the current uses, management or purposes of a department land, would have a significant environmental effect, or would constitute an unlawful use of state resources under Government Code Section 8314.
- (1) Types of Special Use.
- (A) Type 1 Special Use. A Type 1 special use is an activity that meets all of the following criteria:
1. involves 30 or fewer visitors on site;
 2. involves ten or fewer (0-10) animals (such as dogs or horses) or bicycles (or other pedaled vehicles) in total;
 3. does not require the use of animals, bicycles, vehicles, or large equipment outside of designated parking areas, roads, trails, or other areas authorized for visitor use; and
 4. does not require use of the site for more than one calendar day during normal operating hours of the department land.
- (B) Type 2 Special Use. A Type 2 special use is a hunting dog trial or testing event or activity.
- (C) Type 3 Special Use. A Type 3 special use is an activity that meets any one of the following criteria:
1. involves more than 30 visitors on site;
 2. involves more than ten animals or bicycles in total;
 3. requires the use of animals, bicycles, vehicles, or large equipment outside of designated parking areas, roads, trails, or other areas authorized for visitor use; or
 4. requires use of the site for more than one calendar day or outside of normal operating hours of the department land.
- (2) Application Process for Special Use Permits.
- (A) Application for a Special Use Permit shall be made on the "Permit Application for Special Use of Department Lands", as specified in Section 702 of these regulations. Failure to disclose fund-raising or commercial activities or other information per the instructions on the application may result in a citation and fine.
- (B) Applications and Special Use Permit fees shall be submitted at least 45 calendar days prior to the date of the

requested activity or event to the appropriate regional office. The permit fees for Type 1, Type 2, and Type 3 Special Uses are specified in Section 702 of these regulations.

1. If a special use event or activity is entirely canceled, Type 1 and Type 2 permit fees are refundable. Type 3 permit fees are refundable until 10 calendar days prior to the scheduled start of the special use, after which the permit fee will be forfeited if the permittee cancels the special use. Cancellations prior to 10 days before the start of a Type 3 special use must be provided to the area manager in writing.
 2. All Special Use Permit fees are refundable if the department does not approve a special use permit application or does not have adequate staff available to review an application.
- (3) Special Use Permit Application Review Process
- (A) Evaluation Criteria. Criteria used to evaluate Special Use Permit applications shall include, but not be limited to, the following:
1. Will the proposed special use create a greater potential hazard or liability to the State, resources, or the public than typical operations within the department land on which the special use is proposed?;
 2. Is the special use a compatible use as defined in subsection 550(b)(2)?;
 3. Can the use be conducted so as not to conflict with the current uses, management or purposes of the property?;
 4. Will the special use require the exclusive use of part or all of a property?;
 5. Will the special use interfere with other visitors' use of the property?;
 6. Will additional department staffing or staff time be required to prepare for, monitor or assist with, or return department land to its previous condition following the special use?;
 7. Will the permittee charge any fees and, if so, will the proposed fees exceed those the department charges for licenses, day use fees, or passes?;
8. Will any items, products, or services be sold?; and,
 9. Has the applicant complied with the terms and conditions of any prior Special Use Permit issued by the department?.
- (B) Notification of Approval of Special Use Permit. If the department intends to issue a Special Use Permit, it will provide written notification to the applicant. The notification will provide an itemized explanation of any fees, charges or deposits that need to be paid, as well as terms and conditions that need to be accepted by the applicant/permittee, in order for a Special Use Permit to be finalized and valid. Payment instructions will be included with the notification.
- (C) Notification of Denial of Special Use Permit. If the department intends to deny issuance of a Special Use Permit, it shall provide written notification to the applicant that the application for a Special Use Permit is denied and include the reason(s) for the denial in the notification.
- (4) Possible Costs In Addition to the Special Use Permit Fee.
- (A) For department lands that normally require a fee for a Lands Pass or entry permit, the Lands Pass or entry fee will be required in addition to the Special Use Permit fee. Whether the daily use or entry fee for each special use participant will be paid directly to the department by the participants or by the permittee will be determined as part of the development of the Special Use Permit.
- (B) Additional Anticipated Costs. If the regional manager or his designee determines in advance that department staff will need to conduct work outside of normal duties or hours to prepare for the special use, monitor or assist with the special use, or return department land to its previous condition following the special use, payment of the additional anticipated cost to the department will be added to the Special Use Permit fee specified in Section 702 of these regulations and required to be paid as a condition of the department issuing a Special Use Permit. The additional cost shall be based on

- the estimated number of hours, the job classification of state personnel required to conduct the work, and the department's costs for employee benefits, overhead, mileage, and use of department equipment and supplies.
- (C) **Cleaning or Damage Deposit.** Depending on the anticipated need for cleaning or repair to department property, including land, infrastructure and/or equipment, the department may charge the applicant a cleaning or damage deposit in an amount determined by the regional manager or his designee. Costs to return department property to its previous condition following the special use shall be deducted from this deposit. The regional manager or his designee shall determine whether all, a portion or none of the deposit is refunded based on department costs to clean up or repair damage.
- (D) **For-Profit or Fund Raising Activities.** Any person, entity, or organization is prohibited from holding, sponsoring, leading, or otherwise conducting a recreational, educational, or other activity occurring wholly or partially within or on any department land for the purpose of generating revenue or fund raising without adequate compensation for the use of State resources. Unless an event is sponsored or co-sponsored by the department, payment to the department of a guaranteed minimum fee or percentage of the gross revenue of the event shall be a condition of any Special Use Permit that authorizes activities on department land that are intended to generate revenue or raise funds. The rate or amount of compensation shall be specified in the draft Special Use Permit. The criteria used to determine the rate or amount of compensation shall include, without limitation:
1. the extent of the department land to be used;
 2. the duration, size and scope of the event;
 3. the anticipated impact on department resources and facilities;
 4. prevailing fees for comparable facilities in the locality;
 5. amount and type of permittee's equipment and materials to be used on the department land;
 6. the number of people, vehicles, bicycles, and/or domestic animals on the department land because of the special use;
 7. the amount of gross revenue the permittee expects to generate from the event;
 8. the cost of services or time required of or by the department;
 9. whether the applicant is a non-profit organization with tax-exempt status under section 501(c), Subtitle A of the U.S. Internal Revenue Code; and
 10. any other considerations as appropriate.
- (5) **Terms and Conditions of Special Use Permits.**
- (A) To protect human health and safety, natural or cultural resources, or department facilities, the regional manager or his designee may impose special conditions in addition to the standard terms and conditions included in the Permit Application for Special Use of Department Lands as specified in Section 702. The department must provide notice of any special conditions as part of the notification of approval referenced in subsection 550.5(d)(3)(B) of these regulations.
- (6) **Acceptance of the Terms and Conditions of Special Use Permits and Payment of Fees.**
- (A) Type 1 or Type 2 Special Use Permit. The notification of approval for a Type 1 or Type 2 Special Use Permit will include a Special Use Permit signed by the wildlife area or ecological reserve manager and the regional manager or his designee. The Special Use Permit will include an attachment titled: Attachment B: Applicant Acceptance of Terms, Conditions and Costs as specified in Section 702. The Special Use Permit is not valid unless the permittee accepts the terms and conditions of the Special Use Permit by signing and submitting the signed original of Attachment B and the full payment of the permit fee and all other costs indicated on the permit to the appropriate regional office at least five calendar days before the beginning of the event or activity. The permittee should make and keep a copy of the signed Attachment B with the Special Use Permit. Conducting a special use event or activity without a valid permit is a violation of subsec-

tions 550(c)(2)(A) and 550.5(d)(8) of these regulations.

(B) Type 3 Special Use Permit. The notification of approval for a Type 3 Special Use Permit will include a draft permit (not valid). The draft Special Use Permit will include an attachment titled: Attachment B: Applicant Acceptance of Terms, Conditions and Costs as specified in Section 702. In order to receive a final, valid Special Use Permit, the applicant must accept the terms and conditions of the Special Use Permit by signing Attachment B, and send the signed original draft permit and the full payment of the permit fee and all other costs indicated on the permit to the appropriate regional office at least ten calendar days before the beginning of the event or activity. After the Special Use Permit is signed by the wildlife area or ecological reserve manager and the regional manager or his designee, it will be mailed back to the permittee as the valid permit. Conducting a special use event or activity without a valid permit is a violation of subsections 550(c)(2)(A) and 550.5(d)(8) of these regulations.

- (7) Valid Special Use Permit. A valid Special Use Permit includes the completed application, including the permit section of the form signed by the wildlife area or ecological reserve manager and the regional manager or his designee, and any and all attachments referenced in the Special Use Permit. In order for a Special Use Permit to be valid, all costs that are required to be paid in advance, as indicated on the permit, must be paid-in-full by the permittee.
- (8) Possession of Special Use Permit. The permittee or their representative shall have the valid Special Use Permit in his immediate possession and on-site during the special use and shall present it to any department employee upon request.
- (9) Authorized Activities. Only the activities or uses specifically authorized in the Special Use Permit are permitted. Issuance of a Special Use Permit does not grant visitors any right to conduct activities not covered by the Special Use Permit. Conducting activities or uses not covered by the Special Use Permit shall result in revocation of the Special Use Permit, and may result in a citation and fine.
- (10) Termination of Special Use Permit. The regional manager or his designee may terminate any Special Use Permit when the

department deems termination necessary for human health and safety, protection of natural or cultural resources or department facilities. In addition, any Special Use Permit may be cancelled without notice in the event of a disaster or unforeseen emergency.

- (11) Revocation of Special Use Permit. The regional manager or his designee may revoke a Special Use Permit and deny future Special Use Permit applications for violation of any rules or regulations of the department or conditions of a Special Use Permit.

551. ADDITIONAL VISITOR USE REGULATIONS ON DEPARTMENT LANDS DESIGNATED AS WILDLIFE AREAS.

- (a) The areas listed in Section 551 have been designated by the commission as wildlife areas. - (e) Types of Wildlife Areas:
- (1) "Type A" wildlife areas are defined as wildlife areas which have restricted hunter access during waterfowl season, and require a hunting pass to be purchased in advance and exchanged for an entry permit at the wildlife area, per subsections 550.5(c) and 702(b) of these regulations. Reservations are available per subsection 550.5(a) of these regulations during waterfowl season. Species open for hunting are waterfowl, coots, moorhens, snipe, pheasant, and dove, unless otherwise specified in subsection 551(s). Except as provided in subsection 551(p) and Section 552 of these regulations, shoot days are Saturdays, Sundays, and Wednesdays during waterfowl season, youth waterfowl hunt days authorized in Section 502 of these regulations, and daily during the September dove season only. All Type A wildlife areas are closed to hunting on Christmas Day.
 - (2) "Type B" wildlife areas are defined as wildlife areas which have restricted hunter access during waterfowl season and require a Type A or Type B season hunting pass to be purchased in advance and presented for an entry permit at the wildlife area, per subsection 550.5(c) and Section 702 of these regulations. Reservations are required for opening weekend per subsection 550.5(a) of these regulations. Species open for hunting include waterfowl, coots, moorhens, snipe, pheasant, and dove, unless otherwise specified in subsection 551(s). Except as provided in subsection 551(p), shoot days are Saturdays, Sundays, and Wednesdays during waterfowl season and daily during the September dove

season only. All Type B wildlife areas are closed to hunting on Christmas Day, except as provided in subsection 551(o).

- (3) "Type C" wildlife areas are defined as wildlife areas that, except as provided in subsections 551(q) and 551(t), are open daily for hunting all legal species and do not require the purchase of a hunting pass for entry.
- (4) For Perris Reservoir State Recreation Area, the fee to obtain an entry permit for hunting shall be the day-use fee determined by the California Department of Parks and Recreation (www.parks.ca.gov).
- (f) Shooting Hours:
 - (1) Waterfowl: Except as provided in subsections 551(p) and 551(q), waterfowl shooting hours on all wildlife areas shall be from one half-hour before sunrise to sunset (pursuant to Section 506 of these regulations).
 - (2) Other Species: Except as provided in subsections 551(p), 551(q), and 551(s), species other than waterfowl may be taken where

authorized only during the legal shooting hours for the taking of each species as specified in sections 250.5, 310, 310.5, 352, and 474 of these regulations.

- (g) Deferred Openings: When the department considers such deferral desirable to protect agricultural crops from waterfowl, it may defer opening a wildlife area to visitor access until, in the opinion of the department, the danger of crop damage in the immediate region is abated.
- (h) Assigned Hunting Zones: In order to assure proper hunter dispersal and promote safety, the department may subdivide the open hunting portion of any wildlife area into zones, assign hunters to zones and/or designate where hunters shall park.

NOTE: The remainder of Section 551, Title 14, CCR includes regulations that apply only to individual wildlife areas. These regulations are organized primarily by type of public use in the following pages of this booklet. To see the same property-specific regulations organized under the name of each wildlife area, go to: www.wildlife.ca.gov/Lands/Regulations

630. ADDITIONAL VISITOR USE REGULATIONS ON DEPARTMENT LANDS DESIGNATED AS ECOLOGICAL RESERVES.

- (a) The areas listed in this section have been designated by the commission as ecological reserves. A legal description of the boundaries of each ecological reserve is on file at the department's headquarters, 1416 Ninth Street, Sacramento. All ecological reserves are maintained for the primary purpose of developing a statewide program for protection of rare, threatened, or endangered native plants, wildlife, aquatic organisms, and specialized terrestrial or aquatic habitat types. Visitor uses are dependent upon the provisions of applicable laws and upon a determination by the commission that opening an area to such visitor use is compatible with the purposes of the property. Visitor use is subject to the regulations below, in sections 550 and 550.5 of these regulations, as well as any other commission regulations that may apply. These regulations are incorporated by reference into and become a condition of entry, passes, and/or permits. It is the responsibility of all visitors to know and understand these regulations prior to entry. Ecological reserves that are marked with an asterisk (*) in subsection 630(b) are adjacent to or share sensitive marine environments with Marine Protected Areas (MPAs), Marine Managed Areas (MMAs), and/or Special Closures that are defined in Section 632 of these regulations. The general regulations for MPAs, MMAs, and Special Closures are in subsection 632(a) of these regulations, and site-specific regulations for each area are in subsection 632(b) of these regulations. The designated names of the MPAs in subsection 632(b) of these regulations generally correspond with the names of adjacent or overlapping ecological reserves. For example, Fagan Marsh Ecological Reserve shares marine waters with the Fagan Marsh State Marine Park and Moro Cojo Ecological Reserve is adjacent to the Moro Cojo State Marine Reserve.

OTHER LAWS RELATED TO HUNTING

DEFINITION OF TAKE.

"Take" means hunt, pursue, catch, capture, or kill or attempt to hunt, pursue, catch, capture, or kill. (Fish and Game Code Section 86.)

ACCESS AND TRESPASS

Access to some lands and waters may be controlled by owners or administering agencies of private lands, Indian lands or reservations, waters impounded by dams, and other lands and waters. Also county ordinances may control the use of lands and waters administered by the county. In all cases it is advisable to check with the landowner or the administering agency for current regulations and to determine whether entry permits are required to be obtained for hunting or fishing on such lands. Hunters must obtain written permission from landowners before entering private property. TRESPASS: If the land you hunt on is not your own, it belongs to someone else. Make sure you have a legal right to be there. Contact the owner or person who administers the property, and secure written permission to hunt. A hunting license does not entitle you to enter private property. "It is unlawful to enter any lands under cultivation or enclosed by a fence, belonging to, or occupied by, another, or to enter any uncultivated or unenclosed lands, including lands temporarily inundated by waters flowing outside the established banks of a river, stream, slough, or other waterway, where signs forbidding trespass are displayed at intervals not less than three to the mile along all exterior boundaries and at all roads and trails entering such lands, for the purpose of discharging any firearm or taking or destroying any mammal or bird, including any waterfowl, on such lands without having first obtained written permission from the owner of such lands, or his agent, or the person in lawful possession thereof. Such signs may be of any size and wording, other than the wording required for signs under Section 2017, which will fairly advise persons about to enter the land that the use of such land is so restricted." Section 2016, Fish and Game Code.

DISCHARGING FIREARMS OR OTHER DEADLY WEAPONS

It is unlawful for any person, other than the owner, person in possession of the premises, or a person having the express permission of the owner or person in possession of the premises, to hunt or to discharge while hunting, any firearm or other

deadly weapon within 150 yards of any occupied dwelling house, residence, or other building or any barn or other outbuilding used in connection therewith. The 150-yard area is a "safety zone." (See Section 3004, Fish and Game Code.)

PUBLIC ROAD OR OTHER WAY OPEN DEFINED

"Public road or other way open", particularly, with respect to safety regulations, includes any roads, dirt or otherwise, trails, open fields, parking lots, etc., open to public access.

PROHIBITION ON LOADED RIFLE OR SHOTGUN IN VEHICLE

It is always unlawful to: Place on, or carry or possess a loaded rifle or shotgun in any vehicle or conveyance or its attachments which is standing on or along or is being driven on or along any public highway or other way open to the public. A rifle or shotgun shall be deemed to be loaded for the purposes of this section when there is an unexpended cartridge or shell in the firing chamber but not when the only cartridges or shells are in the magazine.* The provisions of this section shall not apply to peace officers or members of the armed forces of this state or the United States, while on duty or going to or returning from duty. Fish and Game Code Section 2006.

*NOTE: Hunters should be aware that subdivision (a) of Section 25850 of the Penal Code provides that:

- (a) A person is guilty of carrying a loaded firearm when the person carries a loaded firearm on the person or in a vehicle while in any public place or on any public street in an incorporated city or in any public place or on any public street in a prohibited area of unincorporated territory

Penal Code 16840(b)(1) A firearm shall be deemed to be "loaded" when there is an unexpended cartridge or shell, consisting of a case that holds a charge of powder and a bullet or shot, in, or attached in any manner to, the firearm, including, but not limited to, in the firing chamber, magazine, or clip thereof attached to the firearm.

LITTER

It is unlawful to deposit, permit to pass into, or place where it can pass into the waters of the state, or to abandon, dispose of, or throw away, within 150 feet

of the high water mark of the waters of the state, any cans, bottles, garbage, rubbish, or the viscera or carcass of any dead mammal, or the carcass of any dead bird. (Section 5652, Fish and Game Code.)

SAFETY

It is always unlawful to: Place on, or carry or possess a loaded rifle or shotgun in a vehicle or conveyance or its attachments on any public road or other way open to the public; Hunt while intoxicated; Shoot at any game bird from a powerboat, sailboat, motor vehicle, or aircraft while under power or still moving from use of sail or motor (See Section 251); Shoot any firearm from or upon a public road or highway.

FIREARMS

It is always unlawful to: Fail to send a complete written report to the department within 48 hours after killing or wounding while hunting, any human being, or domestic animal belonging to another, or after witnessing such killing or wounding; Use a shotgun larger than 10 gauge; Use, for the taking of any game bird, a shotgun capable of holding more than three shells in the magazine and chamber combined; Use or possess shotshells containing shot size larger than No. T in steel when hunting migratory game birds; Use shot that is not loose in the shell for taking resident small game and migratory game birds; Possess a machine gun, silencer, shotgun with barrel less than 18 inches in length, or rifle with barrel less than 16 inches in length.

PARKS AND REFUGES

It is unlawful to hunt in any National Park or Monument, in State of California Beaches and Parks or Monument areas, or in any State Game Refuge, or to shoot into such an area any weapon capable of taking any bird.

Possess in any State Game Refuge any bird or mammal or part thereof, or any weapon capable of taking any bird. However, possession of firearms or bows and arrows by persons traveling through game refuges on a public highway or other public thoroughfare or right of way is permitted when the firearms are taken apart or encased and unloaded, and the bows are unstrung. National Parks and Monuments have special regulations regarding the possession of weapons, game and the running of hunting dogs. Check with federal officials before entering these areas.

TAGS AND LICENSES

It is always unlawful to: Hunt any game bird or mammal without having the required licenses, tags and/or stamps in possession; Change, mutilate,

or transfer any license, tag, or stamp; Have in possession while hunting any license belonging to another person.

GAME RESTRICTIONS

It is always unlawful to: Use any light to assist in taking any game bird or game mammal; Sell or barter game taken under authority of a hunting license.

RESPECT FOR AUTHORITY

It is always unlawful to damage other's property while hunting.

CHAPTER 1. GENERAL PROVISIONS AND DEFINITIONS

250.5. SHOOTING TIME.

In these orders whenever a specific clock time is mentioned, such time is meant to be legal California time for the date specified: i.e., during the days when California is on Pacific Daylight Saving Time, Pacific Daylight Saving Time is intended; when California is legally on Pacific Standard Time, Pacific Standard Time is intended. When reference is made to sunrise or sunset time, such reference is to the sunrise or sunset time at the location of the hunter.

251. PURSUING OR SHOOTING BIRDS AND MAMMALS FROM MOTOR-DRIVEN AIR OR LAND VEHICLES, MOTORBOATS, AIRBOATS, SAILBOATS OR SNOWMOBILES.

- (a) General Prohibition: No person shall pursue, drive, herd, or take any bird or mammal from any type of motor-driven air or land vehicles, motorboat, airboat, sailboat, or snowmobile, except:
- (1) When the motor of such motorboat, airboat, or sailboat has been shut off and/or the sails furled and its progress therefrom has ceased, and it is drifting, beached, moored, resting at anchor, or is being propelled by paddle, oar or pole.
 - (2) When used by the landowner or tenant of private property to drive or herd game mammals for the purpose of preventing damage to private property.
 - (3) Pursuant to a license from the department issued under such regulations as the commission may prescribe (see subsection 251(b) below).
- (b) Mobility Disabled Persons Motor Vehicle License (see Title 14, Section 251(b) at the

251.1. HARASSMENT OF ANIMALS.

Except as otherwise authorized in these regulations or in the Fish and Game Code, no person shall harass, herd or drive any game or nongame bird or mammal or furbearing mammal. For the purposes of this section, harass is defined as an intentional act which disrupts an animal's normal behavior patterns, which includes, but is not limited to, breeding, feeding or sheltering. This section does not apply to a landowner or tenant who drives or herds birds or mammals for the purpose of preventing damage to private or public property, including aquaculture and agriculture crops.

251.5. GAME BIRDS, GAME MAMMALS, FURBEARERS AND NONGAME ANIMALS, POSSESSION OF.

- (a) Migratory game birds may not be held beyond the period provided by the federal regulations and in accordance with the daily bag and possession limits prescribed by these regulations. (See section 500.)
- (b) Live mountain lions may be possessed only under terms of a permit issued by the department pursuant to section 2150 of the Fish and Game Code or if the owner can demonstrate that the mountain lion was in his/ her possession on or before June 6, 1990 under a permit issued pursuant to section 3200 of said code.
- (c) Every game bird, game mammal, furbearer or nongame animal taken under the authority of a hunting or trapping license and reduced to possession by the hunter or trapper shall be immediately killed and become a part of the daily bag limit.

251.7. POSSESSION, TRANSPORTATION AND IMPORTATION OF GAME BIRDS.

- (a) No person may possess any birds taken in this state in excess of the daily bag and possession limits. The exception to this is for the purpose of transportation, cleaning, storage (including temporary storage), shipment, or taxidermy services, where an individual may possess game birds taken by another hunter provided that they are tagged by the hunter who has lawfully taken them. The tag must contain the hunter's name, address, hunting license number, kinds and numbers of game birds taken, date and location of kill, and signature.
- (b) All birds, including migratory game birds, possessed or transported within California

must have a fully feathered wing or head attached until placed into a personal abode or commercial preservation facility or being prepared for immediate consumption. Doves must have a fully feathered wing attached.

- (c) Migratory game birds imported into California shall be accompanied by a declaration of entry as prescribed in Section 2353 of the Fish and Game Code.
- (d) Only one possession limit of migratory game birds may be possessed per individual after the close of the season for that species.

252. BAG AND POSSESSION LIMIT DEFINED.

"Bag and possession limit" means the daily bag limit of each kind of resident and migratory game birds, game mammals and furbearing mammals which may be taken and possessed by any one person unless otherwise authorized.

258. SEASON DEFINED.

"Season" means that period of time during which resident and migratory game birds, game mammals and fur-bearing mammals may be taken. All dates are inclusive.

260. PROHIBITION AGAINST TAKING OTHER THAN MIGRATORY GAME BIRDS AND QUAIL IN PICACHO STATE RECREATION AREA.

Notwithstanding any other provisions of these regulations, in Picacho State Recreation Area only migratory game birds and quail may be taken or possessed as prescribed in Sections 301, 500, 501 and 502 of these regulations.

260.1. PROHIBITION AGAINST HUNTING OTHER THAN DURING SEPTEMBER-JANUARY ON PROVIDENCE MOUNTAINS STATE RECREATION AREA.

Notwithstanding any other provisions of these regulations, in Providence Mountains State Recreation Area hunting is permitted only during the period September 1 to January 31.

260.2. HUNTING RESTRICTIONS ON LAKE OROVILLE STATE RECREATION AREA.

Game species may be taken on the Lake Oroville State Recreation Area only as follows:

- (a) No hunting of any type is permitted between February 1 and September 14 except for wild turkeys only, during the spring turkey hunting

season as provided in Section 306 of these regulations.

- (b) No waterfowl or deer hunting is permitted at any time.
- (c) Game species may be taken only during their respective open seasons or portions thereof falling within the period September 15 through January 31; and as provided in (a) above; and as otherwise provided by state Parks and Recreation area regulations (see area regulations).

260.3. PROHIBITION AGAINST TAKING OTHER THAN MIGRATORY GAME BIRDS ON SAN LUIS RESERVOIR STATE RECREATION AREA.

Notwithstanding any other provision of these regulations, in San Luis Reservoir State Recreation Area, only migratory waterfowl may be taken or possessed as prescribed in Section 502 of these regulations.

260.4. PROHIBITION AGAINST TAKING OTHER THAN WATERFOWL AND RESIDENT SMALL GAME ON PERRIS RESERVOIR STATE RECREATION AREA.

Notwithstanding any other provision of these regulations, in Perris Reservoir State Recreation Area only waterfowl and resident small game may be taken or possessed as prescribed in Section 551 of these regulations.

260.5. PROHIBITION AGAINST TAKING OTHER THAN WATERFOWL, AMERICAN COOTS, COMMON MOORHENS AND COMMON SNIPE WITHIN HARRY A. MERLO STATE RECREATION AREA.

Notwithstanding any other provision of these regulations, in Harry A. Merlo State Recreation Area, only waterfowl, American coots, common moorhens and common snipe may be taken or possessed as prescribed in Section 502 of these regulations.

SPECIAL CLOSURES

262. PROHIBITION AGAINST HUNTING ON PORTIONS OF FRANK'S TRACT STATE RECREATION AREA.

That portion of Frank's Tract State Recreation Area lying southwest of the following line is closed to hunting: Beginning at a point on Little Frank's Tract 2,000 feet north of the Piper Slough; southeast 2,000 feet east of the Piper Slough levee to the junction of the Holland Island levee.

FGC 3681. HUMBOLDT BAY

This section applies the Humboldt Bay area on Mondays, Tuesdays, Thursdays, and Fridays. See game warden before shooting on these days:

"In Districts 8 and 9, it is unlawful to take ducks or geese in any manner below the incoming or outgoing tidewater's edge or from any blind, boat, floating device, island, islet, or exposed tidal flat except on Saturdays, Sundays, Wednesdays, holidays and the opening and closing days during the prescribed open season except that the use of boats is permitted to retrieve crippled or dead birds."

In addition, hunters should be aware that there is a special waterfowl closure for south Humboldt Bay.

11016. FISH AND GAME DISTRICT 8.

The following constitutes Fish and Game District 8: The waters and tidelands to high-water mark of Humboldt Bay lying north of a straight line running east from the center of apron at the approach of the south jetty at the entrance of Humboldt Bay to the east shore line of the bay including the entrance of Humboldt Bay not included in District 7, and excluding all rivers, streams and sloughs emptying into the bay.

11017. FISH AND GAME DISTRICT 9.

The following constitutes Fish and Game District 9: The waters and tidelands to high-water mark of Humboldt Bay lying south of a straight line running east from the center of apron at the approach to the south jetty at the entrance of Humboldt Bay to the east shore line of the bay, excluding all rivers, streams and sloughs emptying into the bay.

FEDERAL REGULATIONS RELATED TO HUNTING MIGRATORY GAME BIRDS

The following is a synopsis of Federal Regulations that pertain to the hunting of migratory game birds. Persons requiring more information should go to <http://www.fws.gov/hunting/whatres.html>, where they will find a complete version of 50 CFR Part 20. When State law is different from the following Federal law the hunter must comply with the most restrictive law.

WHAT TERMS DO I NEED TO UNDERSTAND?

Migratory Birds are birds protected by federal law as a result of treaties signed with other countries. Protected migratory birds are listed in Title 50 Code of Federal Regulations, Section 10.13. This list includes almost all birds found in the United States with the exception of the house sparrow, feral pigeon (commonly called rock dove), European starling, Eurasian collared-dove, mute swan, and upland game birds (which are protected by state laws).

All migratory birds are protected. However, a subset of migratory birds classified as migratory game birds and may be hunted in accordance with State and Federal regulations. The list of migratory game birds includes species of ducks, geese (including brant), swans, doves and pigeons, cranes, rails, coots, gallinules and moorhens, woodcock and snipe, if there is an open season.

Daily bag limit means the maximum number of migratory game birds of a single species or combination (aggregate) of species permitted to be taken by one person in any one day during the open season in any one specified geographic area for which a daily bag limit is prescribed.

Aggregate daily bag limit means the maximum number of migratory game birds permitted to be taken by one person in any one day during the open season when such person hunts in more than one specified geographic area and/or for more than one species for which a combined daily bag limit is prescribed. The aggregate daily bag limit is equal to, but shall not exceed, the largest daily bag limit prescribed for any one species or for any one specified geographic area in which taking occurs.

Possession limit means the maximum number of migratory game birds of a single species or a combination of species permitted to be possessed by any one person when lawfully taken in the United States in any one specified geographic area for which a possession limit is prescribed.

Aggregate possession limit means the maximum number of migratory game birds of a single species or combination of species taken in the United States permitted to be possessed by any one person when taking and possession occurs in more than one specified geographic area for which a possession limit is prescribed. The aggregate possession limit is equal to, but shall not exceed, the largest possession limit prescribed for any one of the species or specified geographic areas in which taking and possession occurs.

Personal abode means one's principal or ordinary home or dwelling place, as distinguished from one's temporary or transient place of abode or dwelling such as a hunting club, or any club house, cabin, tent or trailer house used as a hunting club, or any hotel, motel or rooming house used during a hunting, pleasure or business trip.

Migratory bird preservation facility means:

- (1) Any person who, at their residence or place of business and for hire or other consideration; or
- (2) Any taxidermist, cold-storage facility or locker plant which, for hire or other consideration; or
- (3) Any hunting club which, in the normal course of operations; receives, possesses, or has in custody any migratory game birds belonging to another person for purposes of picking, cleaning, freezing, processing, storage or shipment.

Normal agricultural planting, harvesting, or post-harvest manipulation means a planting or harvesting undertaken for the purpose of producing and gathering a crop, or manipulation after such harvest and removal of grain, that is conducted in accordance with official recommendations of State Extension Specialists of the Cooperative Extension Service of the U.S. Department of Agriculture.

Normal agricultural operation means a normal agricultural planting, harvesting, post-

harvest manipulation, or agricultural practice that is conducted in accordance with official recommendations of State Extension Specialists of the Cooperative Extension Service of the U.S. Department of Agriculture.

Normal soil stabilization practice means a planting for agricultural soil erosion control or post-mining land reclamation conducted in accordance with official recommendations of State Extension Specialists of the Cooperative Extension Service of the U.S. Department of Agriculture for agricultural soil erosion control.

Baited area means any area on which salt, grain, or other feed has been placed, exposed, deposited, distributed, or scattered, if that salt, grain, or other feed could serve as a lure or attraction for migratory game birds to, on, or over areas where hunters are attempting to take them. Any such area will remain a baited area for ten days following the complete removal of all such salt, grain, or other feed.

Baiting means the direct or indirect placing, exposing, depositing, distributing, or scattering of salt, grain, or other feed that could serve as a lure or attraction for migratory game birds to, on, or over any areas where hunters are attempting to take them.

Manipulation means the alteration of natural vegetation or agricultural crops by activities that include but are not limited to mowing, shredding, discing, rolling, chopping, trampling, flattening, burning, or herbicide treatments. The term manipulation does not include the distributing or scattering of grain, seed, or other feed after removal from or storage on the field where grown.

Natural vegetation means any non-agricultural, native, or naturalized plant species that grows at a site in response to planting or from existing seeds or other propagules. The term natural vegetation does not include planted millet. However, planted millet that grows on its own in subsequent years after the year of planting is considered natural vegetation.

WHAT HUNTING METHODS ARE ILLEGAL?

No persons shall take migratory game birds:

- With a trap, snare, net, rifle, pistol, swivel gun, shotgun larger than 10 gauge, punt gun, battery gun, machinegun, fish hook, poison, drug, explosive, or stupefying substance;
- With a shotgun of any description capable of holding more than three shells, unless it is plugged with a one-piece filler, incapable of

removal without disassembling the gun, so its total capacity does not exceed three shells.

- From or by means, aid, or use of a sinkbox or any other type of low floating device, having a depression affording the hunter a means of concealment beneath the surface of the water;
- From or by means, aid, or use of any motor vehicle, motor-driven land conveyance, or aircraft of any kind, except that paraplegics and persons missing one or both legs may take from any stationary motor vehicle or stationary motor-driven land conveyance;
- From or by means of any motorboat or other craft having a motor attached, or any sailboat, unless the motor has been completely shut off and/or the sails furled, and its progress therefrom has ceased;
- By the use or aid of live birds as decoys; although not limited to, it shall be a violation of this paragraph for any person to take migratory waterfowl on an area where tame or captive live ducks or geese are present unless such birds are and have been for a period of 10 consecutive days prior to such taking, confined within an enclosure which substantially reduces the audibility of their calls and totally conceals such birds from the sight of wild migratory waterfowl;
- By the use or aid of recorded or electrically amplified bird calls or sounds, or recorded or electrically amplified imitations of bird calls or sounds.
- By means or aid of any motor driven land, water, or air conveyance, or any sailboat used for the purpose of or resulting in the concentrating, driving, rallying, or stirring up of any migratory bird; By the aid of baiting, or on or over any baited area, where a person knows or reasonably should know that the area is or has been baited.

WHAT HUNTING METHODS ARE LEGAL?

It is legal to take migratory game birds including waterfowl and coots, on or over the following lands or areas that are not otherwise baited areas:

- Standing crops or flooded standing crops (including aquatics);
- Standing, flooded, or manipulated natural vegetation; flooded croplands; or lands or areas where seeds or grains have been scattered solely as the result of a normal agricultural planting, harvesting, post-harvest manipulation or normal soil stabilization practice;

- From a blind or other place of concealment camouflaged with natural vegetation;
- From a blind or other place of concealment camouflaged with vegetation from agricultural crops, as long as such camouflaging does not result in the exposing, depositing, distributing or scattering of grain or other feed; or
- Standing or flooded standing agricultural crops where grain is inadvertently scattered solely as a result of a hunter entering or exiting a hunting area, placing decoys, or retrieving downed birds.
- It is legal to take migratory game birds, except waterfowl, coots and cranes, on or over lands or areas that are not otherwise baited areas, and where grain or other feed has been distributed or scattered solely as the result of manipulation of an agricultural crop or other feed on the land where grown, or solely as the result of a normal agricultural operation.
- Wanton waste of migratory game birds. No person shall kill or cripple any migratory game bird without making a reasonable effort to retrieve the bird, and retain it in his actual custody, at the place where taken or between that place and either (a) his automobile or principal means of land transportation; or (b) his personal abode or temporary or transient place of lodging; or (c) a migratory bird preservation facility; or (d) a post office; or (e) a common carrier facility.

Non-toxic Shot No person may take ducks, geese (including brant), or coots while possessing shot (either in shotshells or as loose shot for muzzleloading) other than approved non-toxic shot. For a list of approved non-toxic shot, see (<http://www.fws.gov/migratorybirds/CurrentBirdIssues/nontoxic.htm>)

Opening Day of a Season No person on the opening day of the season shall possess any freshly killed migratory game birds in excess of the daily bag limit, or aggregate daily bag limit, whichever applies.

Field Possession Limit No person shall possess, have in custody, or transport more than the daily bag limit or aggregate daily bag limit, whichever applies, of migratory game birds, tagged or not tagged, at or between the place where taken and either (a) his automobile or principal means of land transportation; or (b) his personal abode or temporary or transient place of lodging; or (c) a migratory bird preservation facility; or (d) a post office; or (e) a common carrier facility.

Tagging requirement No person shall put or leave any migratory game birds at any place (other than at his personal abode), or in the custody of another person for picking, cleaning, processing, shipping, transportation, or storage (including temporary

storage), or for the purpose of having taxidermy services performed, unless such birds have a tag attached, signed by the hunter, stating his address, the total number and species of birds, and the date such birds were killed. Migratory game birds being transported in any vehicle as the personal baggage of the possessor shall not be considered as being in storage or temporary storage.

Custody of birds of another No person shall receive or have in custody any migratory game birds belonging to another person unless such birds are properly tagged.

Termination of possession Subject to all other requirements of this part, the possession of birds taken by any hunter shall be deemed to have ceased when such birds have been delivered by him to another person as a gift; or have been delivered by him to a post office, a common carrier, or a migratory bird preservation facility and consigned for transport by the Postal Service or a common carrier to some person other than the hunter.

Gift of migratory game birds No person may receive, possess, or give to another, any freshly killed migratory game birds as a gift, except at the personal abodes of the donor or donee, unless such birds have a tag attached, signed by the hunter who took the birds, stating such hunter's address, the total number and species of birds and the date such birds were taken.

Transportation of birds of another No person shall transport migratory game birds belonging to another person unless such birds are properly tagged.

Species identification requirement No person shall transport within the United States any migratory game birds, except doves and band-tailed pigeons, unless the head or one fully feathered wing remains attached to each such bird at all times while being transported from the place where taken until they have arrived at the personal abode of the possessor or a migratory bird preservation facility.

Marking package or container No person shall transport by the Postal Service or a common carrier migratory game birds unless the package or container in which such birds are transported has the name and address of the shipper and the consignee and an accurate statement of the numbers of each species of birds therein contained clearly and conspicuously marked on the outside thereof.

Migratory Bird Hunting and Conservation Stamp The law requires that each waterfowl hunter 16 years of age and older must carry on his person a Migratory Bird Hunting and Conservation Stamp (Federal Duck Stamp) that is validated by the hunter signing the stamp in ink across the face of the stamp.

More restrictive regulations may apply to National Wildlife Refuges opened to public hunting. For additional information on refuge specific regulations see <http://www.fws.gov/refuges/>

HUNTER EDUCATION: *Passing on the Tradition*

ADVANCED HUNTING CLINICS

CDFW's Advanced Hunting Clinics focus on the "how-tos" of hunting

The advanced hunting clinics focus on the basics of hunting. The series includes sessions on how to hunt turkey, upland game, waterfowl, and big game. Topics covered in each clinic include type of firearm, ammunition, importance of sighting in the firearm, gauging distance, scouting, tracking, field dressing, shoot-don't shoot scenarios, hunter ethics, landowner-hunter relationships, conservation, and safety. The goal of this series of hunting clinics is to develop ethical, conservation-minded, successful hunters through education... taking the hunter a step beyond the basic Hunter Education course.

Contact Lt. Alan Gregory at Alan.Gregory@wildlife.ca.gov for more information.

NUTRIA:

Eating and destroying the wetlands needed by waterfowl and other native species.

Invasive nutria also threaten California's levees, flood control, irrigation and other water infrastructure through their extensive burrowing and rapid reproduction.

HOW HUNTERS CAN HELP:

Report nutria sightings, preferably accompanied by a photo or video and the animals' location, to CDFW at invasives@wildlife.ca.gov or by phone at (855) 440-9530.

HOW TO DISTINGUISH NUTRIA:

Often confused with beaver and muskrat, nutria have the following distinguishing characteristics:

- White whiskers (in addition to white muzzle)
- Round, rat-like tail
- Dark black ears with golden-colored fur below
- Body length up to 2 feet
- Weighs up to 25 pounds
- Partially webbed hind feet

Recruit. Retain. Reactivate.

CDFW's R3 Program aims to increase statewide participation in hunting, angling and the shooting sports.

The new R3 website will be a centralized events calendar and resource center for hunting and fishing in California.
