

**Meeting of the California Fish and Game Commission**  
**April 15-16, 2020**  
**Instructions for Participating in the Teleconference**

**REVISED at 9:10 AM on 4/16/20**

This meeting of the California Fish and Game Commission will be held entirely via teleconference, consistent with Executive Order N-29-20. The public may provide public comment during the public comment periods and listen or observe remotely in accordance with the Bagley-Keene Open Meetings Act.

**1. How to Listen to the Meeting (no public comment)**

*If you do not wish to make a public comment, please use this option.*

As always, if you want to watch a “live stream” of the meeting (also referred to as a live webcast), please visit [www.fgc.ca.gov](http://www.fgc.ca.gov) the day of the meeting. Since everyone is participating remotely, there will not be a live video, just audio with a screen that shows the agenda items. You will also be able to follow the presentations via the live webcast.

**2. How to View Presentations**

Presentations to be made during the meeting will be available on Tuesday, April 14 in a separate PDF document at <https://fgc.ca.gov/Meetings/2020>. Presentations will also be viewable on the live webcast (see #1).

**3. How to Provide Public Comment – No Pre-registration Required**

*Please use this option if you want to make a comment or do not have an internet connection that allows you to view the webcast.*

When you first join the call, you will be placed on mute; you will hear music until the operator begins the call. Once the call begins and the Commission is ready to start hearing public comment on agenda items, President Eric Sklar will ask who would like to comment.

If you would like to comment, *please press #2 on your phone to “raise your hand”* and alert the operator that you would like to speak. The operator will unmute phone lines one-by-one. ***When it is your turn to speak, you will hear an automated recording that “your line has been unmuted.”***
