INTERSTATE WILDLIFE VIOLATOR COMPACT

The Interstate Wildlife Violator Compact (IWVC) is an agreement between 47 states, which allows for the reciprocal recognition of hunting, fishing and trapping license suspensions. If your license privileges have been suspended by another state, the suspension may be recognized here in California. For example, if your sport fishing, hunting or trapping privileges have been suspended in Colorado for five years, your privileges may also be suspended for five years in California or any of the states participating in the IWVC. The purchase of licenses or tags during the term of the suspension is a violation of the law and may result in prosecution.

DEADLINE TO APPLY FOR THE BIG GAME DRAWING

You may apply at any CDFW license sales office, license agent or online at CDFW's website at www.ca.wildlifelicenses.com/InternetSales. Telephone license sales are also available at (800) 565-1458. All applications for the Big Game Drawing must be submitted and the sales transaction completed before midnight on June 2, 2020.

HUNTING LICENSE REQUIREMENTS

- A Two-Day Nonresident California Hunting License issued after the 1999/2000 license year;

Applicants that have previously purchased a hunting license through CDFW's ALDS will already have the required proof of hunter education evidence in their customer profile. To ensure the appropriate customer profile is retrieved at a license agent, the CDFW recommends hunters provide the license agent with a previously issued ALDS license.

In addition, the license must contain the following information about the licensee: true name, residence address, date of birth, height, weight, color of eyes, color of hair, and sex.

LICENSE PROVISIONS

A valid California hunting license is required to take any bird or mammal. Hunters must carry licenses and be prepared to show them upon request to any peace officer. Guns and other equipment used in hunting must be shown upon request.

A 2-Day Nonresident California Hunting License is valid only for taking resident and migratory game birds, resident small game mammals, fur-bearing mammals and non-game mammals. A 2-Day Nonresident California Hunting License is not valid to hunt big game.

To qualify for a junior hunting license, a hunter must be less than 16 years of age as of July 1, of the license year for which they are applying.

DISABLED VETERAN AND RECOVERING SERVICE MEMBER HUNTING LICENSES

CDFW offers reduced fee hunting licenses for Disabled Veterans and Recovering Service Members.

Honorably discharged disabled veterans (resident or nonresident) with a 50 percent or greater service-connected disability are eligible for a reduced fee hunting license. Applicants must submit a letter from the Veterans' Administration documenting that you were honorably discharged from the US military and have a service-connected disability rating of 50 percent or greater.

Recovering service members are eligible for a reduced fee hunting license while undergoing medical treatment, recuperation, or therapy, and are in an outpatient status while recovering from a serious injury or illness related to the member's military service. Applicants must submit a letter from your commanding officer or military medical doctor verifying your eligibility as a recovering service member, including the expected recovery date in your verification letter.

To prequalify, applicants must submit the document of eligibility along with a photocopy of your personal identification and GO ID by fax to (916) 419-7585 or by secure document upload. To upload your documentation, please email your request to LRB@wildlife.ca.gov and follow the link provided in the response. You may also apply by mail or in person at any CDFW license sales office. For more information please contact your nearest CDFW license sales offices or visit our web site at www.wildlife.ca.gov/licensing/hunting. Hunting tags and validations must be purchased at full price.

UPLAND GAME BIRD AND CALIFORNIA DUCK VALIDATION

Any person (except junior hunters) must have an Upland Game Bird Validation when hunting pheasant, dove, turkey, quail, grouse, ptarmigan, snipe, band-tailed pigeon, partridge or

chukar. A California Duck Validation authorizes any person to hunt waterfowl in California (along with the Federal Duck Stamp and free HIP Validation). CDFW knows that many hunters collect the physical stamps, hunters who purchase these validations can claim their collectible stamp online at the address printed on their current hunting licenses. Stamps will be mailed after July 1 of the next license year.

HARVEST INFORMATION PROGRAM (HIP) VALIDATION REQUIREMENT

If you plan to hunt migratory game birds (ducks, geese, coots, dove, band-tailed pigeon, snipe, gallinules or black brant) you must complete a Harvest Information Program (HIP) survey. To take the survey you must request a HIP validation at any CDFW license sales office, license agent, or online. There is no charge for the HIP validation. Hunters may be cited for hunting migratory game birds without a HIP validation in their immediate possession.

DUPLICATE LICENSES

Your customer record contains a history of all your license purchases. If you lose your license or additional validations, you can go to any CDFW license sales office, license agent, online or by telephone sales and purchase a duplicate license and validations.

DISABLED ENTITLEMENTS

The CDFW offers the following free disabled entitlements to any resident or nonresident hunter that meets the qualifications. These entitlements must be certified by a licensed physician and submitted to the CDFW's License and Revenue Branch. Hunters that qualify for these entitlements must also have a valid California hunting license in possession while hunting.

Disabled Archer Permit

A disabled archer permit is available to any hunter who has permanent loss, significant limitation, or diagnosed disease or disorder, which substantially impairs one or both upper extremities preventing the hunter from drawing and holding of a bow in a firing position. The Disabled Archer Permit authorizes the disabled archer to use a crossbow or device which holds a string and arrow in the firing position, to assist in the taking of birds and mammals under the conditions of an archery tag or during archery season.

Certification from a licensed physician is required. If the physician indicates on the initial application that the disability is permanent, hunters may renew the permit every year at any CDFW license sales office, license agent, online or by telephone sales.

If the disability is temporary, the physician is required to enter the end date of the disability on the application. Temporary permits may be renewed at any CDFW's license sales office, license agent, online or by telephone sales every year until the temporary disability end date; once the end date has passed, re-certification is required.

Disabled Muzzleloader Scope Permit

A disabled muzzleloader scope permit is available to any visually impaired hunter having a permanent loss, significant limitation, or diagnosed disease or disorder, which substantially impairs the vision of a hunter, preventing the hunter from viewing and aligning the sights of a muzzleloader rifle with the target in order to hunt deer. The Disabled Muzzleloader Scope Permit allows the hunter to use a 1X scope on a muzzleloader rifle while hunting

under the conditions of a muzzleloader deer hunt tag. Hunters must renew the permit each license year, but hunters may provide a copy of their previously issued permit to the CDFW's License and Revenue Branch to renew annually.

Mobility Impaired Disabled Persons Motor Vehicle Hunting License

A Mobility Impaired Disabled Persons Motor Vehicle Hunting License is available for any mobility impaired disabled hunter who must use a motor vehicle to pursue game. The Mobility Impaired Disabled Persons Motor Vehicle Hunting License allows a hunter to discharge a firearm from a vehicle that is stopped and its engine turned off. To qualify a person must be either permanently or fully confined to a wheelchair, a single or double amputee above the knee or double amputee below the knee, or depend upon the aid of a walker, crutches, etc. to walk. Certification from a licensed physician is required. The license is only available from the CDFW's License and Revenue Branch.

Duplicate Hunter Education Certificates

Duplicate hunter education certificates can be issued to any person who completed and passed a hunter education class. DEER TAG CLASSIFICATIONS

Deer tags are issued for a specific hunt. Each hunt has a tag quota – the total number of tags that can be issued. Deer hunts are categorized into three different classifications (premium, restricted and unrestricted) based on the prior year's demand for the tag. Hunt classification determines tag issuance method and other rules as follows:

PREMIUM DEER HUNTS are any hunt where the quota filled on or before the first business day after July 1, of the previous year. Hunters may only obtain one premium hunt tag per license year. To apply for a premium deer hunt tag, hunters must apply in the Big Game Drawing using a First-Deer Tag Drawing Application. Except junior hunters who may also apply for premium Apprentice Hunts using a Second-Deer Tag Drawing Application.

Premium Deer Tags for 2020 are:

General Zone Hunts: C, D9, D12, D14, and D17;

X Zone Hunts: X1, X2, X3A, X3B, X4, X5A, X5B, X6A, X6B, X7A, X7B, X8, X9A, X9B, X9C, X10 and X12;

Restricted tags are issued upon request until the tag quota for the hunt is filled.

BIG GAME DRAWING INFORMATION

All premium deer hunt tags and elk, pronghorn and bighorn sheep tags are distributed through the CDFW Big Game Drawing.

See instructions for applying in the 2020 Big Game Drawing for your elk, pronghorn, and bighorn sheep tags.

For the 2020 Big Game Drawing, 18 is the maximum number of preference points for any species a hunter can have. The CDFW started tracking preference points in 2002. To look up your preference points totals log on to your customer profile at www.ca.wildlifelicenses.com/InternetSales and click on "View My Drawing Application/Preference Points."

APPLYING IN THE BIG GAME DRAWING

Applicants can apply for the Big Game Drawing at any CDFW license sales office, license agent, online at www.ca.wildlifelicenses.com/InternetSales or by telephone sales at (800) 565-1458. All transactions for Big Game Drawing entries must be completed before midnight on June 2, 2020. Applicants applying for preference points only must also submit their applications by the same date and time.

You will need to purchase a California hunting license and the appropriate Big Game Drawing Tag Applications:

- First-Deer Tag Application (junior hunters may apply for Apprentice Deer Hunts on a Second-Deer Tag Drawing Application). See page 30 for deer tag hunt codes.
- Elk Tag Drawing Application, see page 48 for elk hunt codes.
- Pronghorn Tag Drawing Application, see page 53 for pronghorn hunt codes.
- Bighorn Sheep Tag Drawing Application, see page 54 for bighorn sheep hunt codes.
- Fund-raising Drawing Application – Open Zone Deer tag, Grizzly Island, Northeastern California Pronghorn tag and Desert Bighorn Sheep tag, see page 19.

1. Retrieving Your Customer Record

- a. If applying at a CDFW license sales office or a license agent, provide a previous ALDS issued license for the agent to scan.
- b. If applying online or by telephone sales, use the GO ID (printed above your 'STATE ID') from a previously issued ALDS license to retrieve your customer record. See instructions on page 16 for more information on applying online.

2. Applying for Another Person

If you are applying for someone else or party members, bring their previously issued ALDS license or their identification number and date of birth.

3. Proof of Hunter Education Requirement

Hunter education information must already be on file in your ALDS profile. For new applicants, please bring your required proof of hunter education with you to the license agent. **NOTE:** Hunters who have purchased hunting items via ALDS already have hunter education on file.

4. Items to Purchase

- a. Purchase your 2020-21 California hunting license.
- b. Provide the sales clerk the 2020 hunting items you would like to apply for (see the list of items from the previous column) and the hunt code for each tag application for which you want to apply. **NOTE:** For deer, you should confirm the correct order of your hunt choices.

APPLYING AS A PARTY

The maximum number of party members for deer is six (6). For elk and pronghorn, only residents may apply as a party of two. Hunters cannot apply as a party for bighorn sheep. You will receive a different Drawing Receipt and Party Number for each species for which you are applying. Make sure you are giving the correct Party Number from each Drawing Receipt to the correct hunting party.

When applying for a deer, elk, or pronghorn drawing tag application you will be prompted as to whether you are:

- a. Applying alone or creating a new party (party leader).
- b. Joining an existing party.

The first member of the party is considered the leader. They will be prompted for their hunt choice(s) and a Party Number will be printed on their Drawing Receipt at the end of the sales transaction. **NOTE:** A Party Number is printed on every Drawing Receipt.

The party leader must provide the Party Number to additional members to 'authorize' them to join the party. **NOTE:** CDFW license sales staff and license agents do not have access to a party leader's Party Number.

When other party members apply they must tell the sales clerk they are joining an existing party, and provide the Party Number to the sales clerk (or enter it themselves if applying online). **NOTE:** If other members of the party are applying in the same sales transaction,

they will not need the party number and can just indicate to the sales clerk that they are joining that person's party.

When the Party Number is entered in the drawing application screen it will bring up the hunting party and hunt choice information. The sales clerk should confirm that this is the correct party and hunt choice with the purchaser. If this is not the correct party, the sales clerk can cancel and re-enter the Party Number. If correct, the sales clerk can confirm, and this will link the new member to the party. (**NOTE:** If applying online, the confirmation screen will display for the customer with the options to cancel or confirm).

Hunters joining an existing party will be assigned the same tag choices in the same order as the party leader and all party members will be linked in the drawing together.

Party applications can be made up of transactions submitted in the same sales transaction or through several transactions. In addition, hunters can submit their drawing applications at any CDFW license sales offices, license agents, online, or by telephone sales.

IMPORTANT: Applicants will receive a Drawing Receipt for each species for which they are applying. If you were issued a first deer tag instead of a Drawing Receipt, at the license agent, you were not entered into the Big Game Drawing. You will not earn a preference point and will not be drawn for a premium deer tag.

Check Your Drawing Receipt Carefully!

Hunters should verify the information on their Drawing Receipt before leaving the sales counter. The receipt will include the applicant's name, hunt choice(s), accumulated preference points, and a Party Number. If any of the information is incorrect, the sales clerk must cancel the Drawing Receipt document and 're-sell' the application with the correct information.

License agents have only four hours to cancel a sale. If the transaction has exceeded the four-hour limit when the discrepancy is found, the applicant must contact CDFW's License and Revenue Branch prior to the June 2

deadline at LRB@wildlife.ca.gov to make any corrections.

APPLYING FOR THE BIG GAME DRAWING ONLINE

Apply early! Don't be left out! The deadline to apply is midnight on June 2, 2020.

You must have proof of hunter education on file to purchase hunting items online. If you do not have hunter education on file, you must provide proof of hunter education to a license agent or a CDFW license sales office. You may also contact CDFW by fax at (916) 419-7587 or e-mail LRB@wildlife.ca.gov and provide proof of hunter education and GO ID, or your personal identification number. After your hunter education is updated in ALDS, you will be able to purchase hunting licenses now and in the future.

How to Apply Online

1. Using your last name, date of birth, and ID number (GO ID, CDL, or other ID used to create profile) log into your profile www.ca.wildlifelicense.com/InternetSales and click on the "Purchase Licenses" link at the top of the page.
2. From the Menu box on the left side of the screen, select 2020 Hunting.
3. Add the 2020 hunting license to your cart.
4. Scroll down to the Drawings section. In the Drawings section,
 - Click on "Add to Cart" to select the desired Drawing Application.
 - Note: Adult hunters MUST use a **First Deer Tag Drawing Application** when applying for deer in the Big Game Drawing. The item 'First Deer Tag' (in the TAGS section) cannot be used to apply for the Big Game Drawing for deer.
 - If you are joining an existing hunting party, select "Join Party". You will need the Party Number of the party you wish to join. See page 15 for more information on applying as a party.
 - If you are applying alone, or if you are the first person in your party to apply, select "Apply Alone or Create New Party."
 - Enter your hunt choices in the boxes provided.
 - Click "Submit" to complete hunt choice entry.
5. Repeat step 4, for each species for which you are applying.
6. Add any other items you wish to purchase to the cart.
7. Select "View Cart" to review the items you've selected and confirm your tag choices.
8. Click on "Continue to Checkout" to start the checkout process and enter your payment

information. Enter your email address if you want confirmation of your purchase emailed to you.

9. Check the box to certify that you are 18 years of age and authorize the purchase. The transaction will not be processed if this box is not checked, which means you will not be entered in the Big Game Drawing.
10. Select "Complete Transaction." The "Transaction Complete" page will appear, stating that your order has been received and processed. Click on "Download Receipt/Licenses" so you may print your drawing receipts for your record.

TIP

MOST COMMON MISTAKES WHEN APPLYING IN THE DRAWING

- Online customers forget to click on the "Submit Payment" button to process the transaction. You can double check your purchase by logging back into your profile and view your license sales history at the top of the page.
- Online customers "Add to Cart" a first deer tag instead of the First Deer Tag Drawing Application located under the "Drawings" list.
- Customers leave the license sales agent with a deer tag instead of a Deer Drawing Receipt. The drawing receipt shows the hunt choices you applied for in the drawing.
- A customer who does not retrieve their existing profile, creates a duplicate profile, and is not connected to their preference points or hunter education. Therefore the customer is not able to purchase a hunting license and cannot apply in the drawing.
- Customers don't apply early and miss the deadline to apply.

DRAWING RESULTS

The CDFW has 10 business days after the deadline to conduct the drawing. Applicants may look up their drawing results on or around June 17, 2020 by entering their customer information on CDFW's website at www.ca.wildlifelicense.com/InternetSales and click on "View My Draw Application/Preference Points" at the top of the page. Applicants will also see their new preference point totals by clicking on the tab "Preference Point." On the same day, drawing results will be available by phone during regular business hours from CDFW license sales offices.

NOTIFYING APPLICANTS

Deer tags awarded through the Big Game Drawing will be mailed to successful applicants as soon as possible after the drawing. If you do not receive your tag by July 2, 2020, please contact your nearest CDFW license sales office.

Unsuccessful deer tag applicants will also be mailed unsuccessful deer tag notices by July 2, 2020. Notices will list available deer tags as of the notice date. It is not necessary to have the drawing notice to claim an available tag; hunters may go to any CDFW license sales office, license agent, online or by telephone sales to claim available deer tags. Hunters may use their California hunting license to retrieve their customer record.

Unsuccessful nonresidents may request a refund of the difference between the fees paid for a nonresident and a resident Deer Tag Drawing Application, if the application was submitted and a deer tag was not issued or if a nonresident deer tag is issued, and all of the following conditions are met:

1. The deer license tag is not a premium tag.
2. The deer license tag is returned prior to the earliest opening date for the hunt.
3. The tag quota has not been filled for the hunt.

Refund requests shall be submitted on or before March 1, each year, to CDFW's License and Revenue Branch, 1740 N. Market Blvd., Sacramento, CA 95834. If the deadline to submit the request for refund falls on a weekend or holiday, requests will be accepted until the close of business on the first state business day following the deadline to submit the request.

Successful elk, pronghorn and bighorn sheep applicants and alternates should receive their payment notices in the mail by July 2, 2020; unsuccessful applicants will not be notified by mail.

It is not necessary to have the successful tag letter to claim your tag; hunters may go to any CDFW license sales office or online to purchase your elk or pronghorn tag.

HOW THE DRAWING WORKS

Under a Modified Preference Point System drawing, tag quotas for each hunt are split into two portions: one portion awarded by preference point drawings; the other portion awarded in Draw-By-Choice drawings. Quota splits vary, depending on the species, total number of available tags, and other special criteria (such as those for Apprentice Hunts, elk, pronghorn and Bighorn sheep).

CDFW will conduct the drawing within 10 business days of the application deadline.

After the application deadline, when all applicant information has been verified, the computer will:

- Assign each person (or party) a unique random number. Party members receive the same random number as the party leader.
- Determine the preference point value for party applications by averaging all party members' preference points (total preference points of the party divided by the number of party members). Preference point averages are not rounded up or down (CCR T14-708.14(e)).

Steps in the Premium Deer Tag Drawing:

- Sort all applications according to the first choice tag, then preference point totals, and then random number.
- Award tag choices to applicants with the most preference points, in random number order only (starting with the lowest random number to the highest random number). Tags are awarded until the preference quota is met.
- After the preference point round is completed, unsuccessful applicants are resorted by hunt choice and random number order (starting with the lowest random number to the highest random number), and the computer begins awarding tags based on applicant's first-choice without consideration of accumulated preference points, until all draw-by-choice tag quotas fill or until all applicants have been processed.
- All remaining unsuccessful applicants are then sorted by second choice tag, in random number order (starting with the lowest random number to the highest random number) and the computer conducts a second round of drawings for any zones and hunts with tags remaining without consideration of accumulated preference points.
- All remaining unsuccessful applicants are sorted once again by third choice tag, in random number order (starting with the lowest random number to the highest random number), and any remaining tags are awarded without consideration of accumulated points.
- Applicants unsuccessful for any of their hunt choices will be notified of available tags so they may reapply.

Deer tag party applications are not split to meet the tag quota if the number of party members exceeds the number of available tags (CCR T14-708.15(a)(2)). Therefore, when there are fewer tags available than the number of members in a party, the computer bypasses that application and moves on to the next application where party count is equal to or less than the remaining quota.

Steps in the Elk, Pronghorn and Bighorn Sheep Tag Drawings:

The draw-by-choice round of the drawing is conducted first then the preference point round.

Alternates are selected in the preference point round and parties may be split when awarding the final tag. The party leader will be awarded the tag and the party member will become the first alternate for that hunt. Applicants drawn as alternates will be awarded unclaimed tags on an individual basis, in the order drawn.

TAG QUOTA SPLITS

Quota splits are established in regulations adopted by the Fish and Game Commission based on CDFW science-based proposals and public input. Please check the Commission's web site at www.fgc.ca.gov for information on how to become involved in the regulation-setting process.

Premium Deer Hunt Tags

- Ninety percent (90%) of the individual zone or hunt tag quota shall be awarded using a Preference Point drawing.
- Ten percent (10%) of the individual zone or hunt tag quota shall be awarded using a Draw-by-Choice drawing.
- For zones or hunts with quotas less than ten (10) tags, one (1) tag shall be awarded using a Draw-by-Choice drawing.

Apprentice Deer Hunt Tags

- Fifty percent (50%) of the hunt tag quota shall be awarded through a Preference Point drawing.
- Fifty percent (50%) of the hunt tag quota shall be awarded through a Draw-By-Choice drawing.

Elk, Pronghorn and Bighorn Sheep Tags

- For quotas of one (1), the tag shall be awarded using a Draw-By-Choice drawing.
- For quotas of two (2), one (1) tag shall be awarded using a Preference Point drawing, and one (1) tag shall be awarded using a Draw-By-Choice drawing.
- For quotas of three (3), two (2) tags shall be awarded using a Preference Point drawing, and one (1) tag shall be awarded using a Draw-By-Choice drawing.
- For quotas of four (4) or more, seventy-five percent (75%) of the quota shall be awarded using a Preference Point drawing. The remaining portion of the quota shall be awarded using a Draw-By-Choice drawing.

RANDOM DRAWING FOR FUND-RAISING BIG GAME TAGS

Fund-raising random drawing tags generate dedicated funding for wildlife management programs that benefit big game species. In 2019, fund-raising random drawing tags generated more than \$200,000 for big game management in California.

Fund-raising Random Drawing Tag Basics:

- Any resident or nonresident who will be age 12 or older as of July 1, 2020 may apply for the deer, pronghorn and elk tag.
- Any resident or nonresident who will be age 16 or older as of July 1, 2020 may apply for the bighorn sheep tag.
- No limit on the number of applications you can submit.
- Does not use or affect your preference points.
- Winners are awarded a tag at no additional cost.
- A hunting license is not required to apply, but must be purchased if drawn.
- Apply from April 15, 2020 through June 2, 2020 at license agents, CDFW license sales offices, online at www.ca.wildlifelicense.com/InternetSales or by telephone at (800) 565-1458.
- Tags are awarded by random lottery which is run within 10 business days of the deadline. Winners are notified by phone.

HARVEST TAG REPORTING

MANDATORY HARVEST REPORTING FOR ALL DEER TAG HOLDERS

Any person who is issued a deer tag must submit a harvest report card (CCR T14-708.5(b)):

- Successful hunters must submit a completed report within 30 days of taking a deer;
- Unsuccessful hunters; and
- Hunters who did not hunt must submit a completed report by answering the applicable questions on the harvest report card and submit the report by January 31.

TWO WAYS TO SUBMIT YOUR HARVEST REPORT:

Online

Log in to your internet sales profile at www.ca.wildlifelicenses.com/InternetSales and follow the steps below:

1. Click the **"Harvest Reporting"** menu. Menu items are listed below your name and GO ID number. If you are using a mobile device, the list of menu items is the square box (with three lines) in the upper left corner of your screen.
2. Click **"Start Report"** button next to the tag you would like to report on. If you have **two of the same zone/hunt tag**, or you have **a duplicated tag**, you are required to key in the **Document Number** (located below the barcode). This is to ensure you are reporting the correct tag.
3. Answer the question **"What would you like to report?"** Pick the response from the drop box. Click on the **"Next"** button when you have answered (all) the required questions.
4. The data you entered will be re-displayed for you to review. Once you've reviewed the data, select the **"Confirm Data and Submit Report"** button to submit the report.
5. A pop-up window to confirm that your report is complete and accurate will open. Click on the **"Ok"** button to finish the reporting.
6. The confirmation number will be generated for you to write on your tag. You will still need to retain the tag until March 1. Tags reported online must be surrendered to CDFW upon demand.

By Mail

Mail your deer tags to the address below:

CDFW Wildlife Branch

PO Box 944209

Sacramento, CA 94244-2090

ELK, PRONGHORN & BIGHORN SHEEP

ELK, PRONGHORN & BIGHORN SHEEP HUNTING INFORMATION

For the 2020 Big Game Drawing, 18 is the maximum number of preference points for any species a hunter can have. To look up your preference points totals log on to your customer profile at www.ca.wildlifelicense.com/InternetSales and click on 'View My Draw Application/Preference Points' at the top of the page.

By law, you may only submit one application for each species. Any person submitting multiple applications for the same species will be rejected from the drawing and may be prosecuted. All applicants must submit the \$8.13 nonrefundable processing fee for their application.

ELK AND PRONGHORN TAG APPLICATION RESTRICTIONS

Applicants must be 12 years of age or older on or before July 1, 2020, and possess a valid 2020-21 California hunting license. Only one nonresident may be drawn for an elk or pronghorn tag annually.

APPRENTICE ELK & PRONGHORN HUNTS

Applicants must possess a valid 2020-21 California Junior Hunting License. If drawn, junior hunters must be accompanied when hunting, by a licensed adult chaperone at least 18 years of age.

BIGHORN SHEEP TAG APPLICATION RESTRICTIONS

Applicants must be at least 16 years of age or older on or before July 1, 2020, and possess a valid 2020-21 California hunting license and must not have drawn a California bighorn sheep tag in any prior year.

Not more than 10 percent of the bighorn sheep tags shall be awarded to non-residents each year.

Applicants cannot apply as a party for a bighorn sheep tag.

MANDATORY BIGHORN SHEEP HUNT ORIENTATION

Successfully drawn applicants and recipients of fundraising tags must complete the hunter orientation requirement.

APPLYING AS A PARTY

Up to two residents may apply as a party. Nonresidents cannot apply as a party for elk or pronghorn tags. See page 15 for instructions on applying as a party.

If your party is drawn for the last available tag, the party leader will be awarded the tag and the party member

will become the first alternate for that hunt. Parties drawn as alternates will be awarded unclaimed tags on an individual basis, in the order drawn.

Bighorn sheep applicants may not apply as a party.

CHECK YOUR BIG GAME DRAWING RECEIPT CAREFULLY!

All applicants will receive a Drawing Receipt containing the applicants name, hunt choice, accumulated preference points and a Party Number. Applicants should verify the information on their Drawing Receipt before leaving the sales counter. If any of the information is incorrect, the sales clerk must cancel the Drawing Receipt document and 're-sell' the application with the correct information. License agents have only four hours to cancel a sale. If the transaction has exceeded the four-hour limit when the discrepancy is found, the applicant must contact CDFW's License and Revenue Branch prior to the June 2 deadline at LRB@wildlife.ca.gov to make any corrections.

DRAWING RESULTS

Applicants may look up their drawing results on or around June 17, 2020 by entering their customer information on CDFW's website at www.ca.wildlifelicense.com/InternetSales and click on 'View My Draw Application/Preference Points' at the top of the page. On the same day, drawing results will be available by phone during regular business hours from CDFW license sales offices.

Successful elk, pronghorn, and bighorn sheep applicants and alternates should receive notices in the mail by July 2, 2020. Unsuccessful applicants will not be notified by mail.

WILD PIG HUNTING

WILD PIG TAGS

Resident and nonresident hunters, 12 years of age and older, with a valid annual California hunting license may purchase wild pig hunting tags. There is no limit on the number of wild pig tags one person may purchase; however, tag fees are nonrefundable, and tags cannot be transferred from one person to another. For tagging requirements, see page 23.

WILD PIG HUNTING SEASON

Wild pig tags are valid throughout the hunting year, commencing on July 1 and ending on June 30 the following year. There is no daily bag or possession limit for wild pig. For more information on pig hunting and regulations, please go to CDFW's website at www.wildlife.ca.gov/Hunting/Wild-Pig.

LEGAL METHODS OF TAKE

Generally, wild pigs may only be taken using archery equipment, rifles, .40 caliber or greater muzzleloaders, shotguns and pistols, or revolvers. Knives and spears are not legal methods of take for wild pigs in California. Please see the California Hunting Regulations for Mammals and Furbearers (CCR T14-353) for detailed information.

WILD PIG HUNTING OPPORTUNITIES

Cañada de los Osos Ecological Reserve

CDFW provides limited-permit apprentice pig hunting opportunities at Cañada de los Osos Ecological Reserve near Gilroy. The hunts are conducted in coordination with volunteers from the Friends of Cañada de los Osos Ecological Reserve who operate the program.

Hunts are scheduled in the spring and fall, and applicants may only apply online by visiting www.wildlife.ca.gov/Regions/3/Hunts/CDLO. Due to the high demand, hunters who are unable to attend the hunt for which they are drawn must notify our office within 5 days of being notified that they were successfully drawn. Please only apply for hunt dates you can attend.

Successful applicants will be assigned a volunteer from the CDA who will act as their guide for the duration of the hunt. Cañada de los Osos falls within the Ridley-Tree Condor Preservation Area and non-lead ammunition is required for all big game hunts.

SHARE Program for Private Lands Hunting

CDFW provides limited entry permitted hunting opportunities on private and public lands through the SHARE Program. See page 41 for more information and pig hunting opportunities offered through this program.

MORE INFORMATION

Additional information about these hunts and others may be obtained by visiting CDFW's special pig hunts webpage: www.wildlife.ca.gov/Hunting/Wild-Pig#194443-hunts. The CDFW continues to work with resource conservation partners to provide these special pig hunts. Additional special opportunities will be announced on this webpage as they become available.

BEAR HUNTING

BEAR TAGS

To hunt bear in California, all residents and nonresidents must be age 12 or older and have both a valid hunting license and a bear tag. Bear tags can be purchased from any CDFW license sales office, license agent, online, or by telephone sales. Hunters may purchase only one bear tag per hunting license year.

BAG AND POSSESSION LIMITS

No person may possess more than one bear per hunting license year.

BEAR HUNTING SEASONS

Archery bear season in all bear zones opens August 15, 2020, and runs through September 6, 2020.

The general season for black bears opens with the general deer hunting seasons in deer zones A, B, C, D, X8, X9A, X9B, X10 and X12 and extends through December 27, 2020. In the remaining deer X zones, the season opens October 10, 2020, and extends through December 27, 2020. CDFW shall close the season earlier if 1,700 bears have been reported taken. For daily updates on reported bear harvest, visit our website: www.wildlife.ca.gov/Hunting/Bear or call toll-free (888) 277-6398.

SUMMARY OF BEAR REGULATIONS

It is unlawful to take a cub or a sow accompanied by one or more cubs.

It is unlawful to feed or bait bears for the purpose of hunting them. It is unlawful to hunt bear over bait, or within a 400-yard radius of a garbage dump or bait.

Only CDFW employees may validate bear tags. Bear tags must be validated before the bear can be transported except for the purpose of taking it directly to the nearest person authorized to validate the tag. If Department offices are closed, the bear tag shall be validated within one (1) business day of transporting the bear from the point where taken.

Every licensed bear hunter who takes a bear must immediately return the validated report card portion of the bear tag. The tag may be presented to a CDFW office/officer, returned via mail, or reported online at www.wildlife.ca.gov/tagreporting.

Any bear hunter who utilizes the services of a guide must verify that the guide has a valid guide's license and must write the guide's license number on the bear tag in the space provided.

Every licensed bear hunter who is unsuccessful in taking bear must return the report card portion of the bear tag by February 1 **of the current license year**. The tag may be presented to a CDFW office/officer, returned via mail, or reported online at www.wildlife.ca.gov/tagreporting.

It is illegal to sell parts of any bear in California, including portions of legally-taken bears imported from other states. However, you have the right to retain any and all parts of the bear you take, except the skull, which becomes the property of CDFW.

MANDATORY PRESENTATION OF BEAR SKULL

Any person who takes a bear shall present the skull (even if damaged) to a CDFW office/officer within 10 days of taking the bear. The skull shall become the property of CDFW. The portion of the skull not needed for scientific purposes will be returned (CCR T14-367.5). Please see appointment section and office phone numbers on the next page.

IMPORTANT! Place a stick or other object in the bear's jaws so that the mouth remains open. Do not present frozen skulls to have the premolar tooth removed. Premolars break easily when the skull is frozen.

Whether or not you are successful, all bear tags must be returned to the CDFW no later than February 1, 2021. If you fail to return your 2020 bear tag, even if you did not kill a bear, you will be in violation of (CCR T14-708.12(d)).

Please call ahead before bringing your bear skull to a CDFW office.

BEAR TAG VALIDATION AND TOOTH EXTRACTION

If you kill a bear, you must have the tag countersigned (validated) by a CDFW employee. Bear tags must be validated prior to transporting the bear, except for the purpose of taking the bear to the nearest person authorized to validate the tag en route to your home from the point where the bear was taken. All CDFW offices will validate bear tags. The report card portion must be returned immediately after tag validation.

CDFW is requiring a premolar tooth be extracted from EVERY bear taken during the hunting season. This will provide wildlife biologists with sufficient information to refine bear management. The premolar tooth will be processed by cutting it in cross section and examining it under a microscope. The bear's age can then be determined by counting annual growth rings, similar to tree rings. Information on age of harvested bears through tooth aging will be posted online at www.wildlife.ca.gov/Hunting/Bear.

BEAR TAG VALIDATION AND TOOTH EXTRACTION APPOINTMENTS

If you cannot locate a CDFW employee, please call one of the offices listed below and they will provide assistance.

All CDFW offices will validate bear tags.

Please call the following locations for an appointment to have your bear tag validated and/or a tooth pulled. Please leave your bear skull in your vehicle until you check in for your appointment.

DEFINITIONS

Bear cub: A bear less than one year old or weighing less than 50 lbs. CCR T14-365(c).

Bait Related to Bears: Any material capable of attracting a bear. CCR T14-365(e).

Baited Area: Any area where shelled, shucked or unshucked corn, wheat or other grains, salt, or other feed whatsoever capable of luring, attracting, or enticing such birds or mammals is directly or indirectly placed, exposed, deposited, distributed, or scattered, and such area shall remain a baited area for ten days following complete removal of all such corn, wheat or other grains, salt, or other feed. CCR T14-257.5.

Note: Scents sprayed into the air and allowed to disperse over a wide area in the wind generally do not fall within the definition of bait. Scent products that have to be applied directly to a surface such as a rock, tree or bush generally cause the game to come to that specific place, and if they feed on it, it is bait.

USE OF DOGS FOR PURSUIT/TAKE

Effective January 1, 2013, the use of dogs to pursue/take bears is unlawful for sport-hunting purposes.

FREQUENTLY ASKED QUESTIONS

LICENSE REQUIREMENTS

Q. Why do I need to show identification when purchasing a license?

A. When you purchase a license you are required to provide identification or a previously issued ALDS license. This ensures CDFW will have an accurate record of your license history and help CDFW serve you better in:

- Tracking customer preference points for CDFW's annual Big Game Drawing.
- Purchasing duplicate licenses.
- Wildlife management efforts, such as harvest reporting.

CDFW does not share or sell customers' personal information.

Q. I tried to purchase my hunting license online, but the online sales system says 'Evidence of Hunter Education Required'. I have purchased a hunting license through the ALDS before, so why is it not on file?

A. You have created a second customer profile (another GO ID) that is not connected to your license history and hunter education record. Log out of the online license sales system and find a previously issued ALDS hunting license or drawing receipt and log in again. Enter the last name, GO ID, and date of birth as it is printed on your license document. Once you have logged into the account that has your hunter education, you will be able to purchase a hunting license and enter the drawing. If you are unable to resolve this issue yourself, contact the Department's Internet Sales Help Desk at (916) 928-6882 during regular business hours (Monday-Friday, between 8:00 a.m. to 5:00 p.m.) for assistance.

IMPORTANT: To be included in the Big Game Drawing, submit your application by midnight on June 2. If it is June 2 and you are unable to resolve this issue, go to a license sales agent. Provide your proof of hunter education and customer information for the license sales agent and apply for the Big Game Drawing there.

Q. What can I hunt for with a 2-Day Nonresident California Hunting License?

A. The 2-Day Nonresident California Hunting License is only valid for taking resident and migratory game birds, resident small game mammals, fur-bearing mammals and non-game mammals. A 2-Day Nonresident California Hunting License is not valid to hunt big game.

Q. Do I still need to have my license in possession when hunting or fishing?

A. Under California law you are required to carry your license, validation, report card, or tag with you when you are hunting or fishing.

Q. What will happen if I do not report my deer tag(s) or report my tag(s) late?

All deer tag holders who do not report the previous year's deer tag(s) by the regulatory deadline of January 31 or report them late will be assessed a non-reporting penalty of \$21.60 when purchasing their deer tag drawing application or deer tag the following license year.

NOTE: Mandatory reporting applies to every deer tag issued each hunter. Hunters who are issued two deer tags and report one but not the other will still be assessed the non-reporting penalty.

BIG GAME DRAWING

Q. Why did I get drawn for a premium deer tag when I only wanted to apply for a preference point?

A. To apply for a deer preference point, you must tell the license sales clerk that you want to apply for the code PD (Point Deer). You do not need to indicate a hunt code when applying for a preference point only. Preference points are earned for the species and not a particular zone or hunt.

Q. I want to apply for a deer preference point in the Big Game Drawing, but I was issued my first deer tag at the license agent. Will I still earn a preference point?

A. No. If you were issued a first deer tag at the license agent then you were not entered into the Big Game Drawing. You will need to go back to the license agent and tell the sales clerk to cancel the transaction and re-sell you a First Deer Tag Drawing Application with the code PD (Point Deer). The license agent only has four hours to cancel any sales transaction. If it has been more than four hours, contact CDFW's License and Revenue Branch prior to the June 2 deadline at LRB@wildlife.ca.gov.

Q. How can I apply for a deer preference point and get an unrestricted or restricted deer hunt tag?

A. Submit a First Deer Tag Drawing Application with a first choice of PD (Point Deer); and a second choice of an unrestricted or restricted deer tag. If your second choice deer tag is available when the Big Game Drawing is conducted, it will be processed in the second round of the drawing. Please see 'How the Drawing Works' page for more information on the second choice tags.

Q. How can we apply as a party for drawing tags?

A. There are two ways to apply as a party. Members of a party can apply in the same sales transaction or in separate transactions at any CDFW license sales office, license agent, online or by telephone sales. Please see 'How the Drawing Works' page for details on the party application process.

Q. I am the party leader, where can I find my Party Number to give to members of my hunting party so they can join me?

A. The Party Number is located above your hunt choice(s) on your Drawing Receipt for each species for which you applied. Make sure you give the correct Party Number to the correct party members of each species.

Q. I don't have my party leader's Party Number. Will the license agent be able to join us together?

A. No. You must have the Party Number to join another hunter's party. This is done to ensure that only hunters the party leader allows may join his/her party. CDFW license sales offices and license agents cannot provide you with another hunter's Party Number, only the party leader or members of the party can provide you with their Party Number.

Q. Can a junior hunter apply for a premium deer zone and an Apprentice Hunt on the same application?

A. Yes. Junior hunters who wish to apply for an Apprentice Hunt and a premium deer hunt on the same application must use a First-Deer Tag Drawing Application. Either the Apprentice Hunt or Premium deer hunt will be your first choice (which ever you want the most) and the other as your second choice. You will be issued a preference point if you are unsuccessful in receiving your first choice and your second choice tag will be processed in the second round of the drawing (if the hunt you chose has not filled by the second round of the drawing). If the junior hunter applies for an Apprentice Hunt on the First-Deer Tag Drawing Application, they cannot submit a Second-Deer Tag Drawing Application.

Q. My daughter is a junior hunter. We want to apply together for an X zone tag. Can she apply with me for an X zone tag and still apply for an Apprentice Hunt?

A. Yes. You both can apply as a party for the X zone tag using your First-Deer Tag Drawing Application. Your daughter can apply for the Apprentice Hunts using her Second-Deer Tag Drawing Application.

Q. Will a junior hunter earn two deer preference points if he/she is unsuccessful for both deer tag applications for a premium deer hunt and an Apprentice Hunt tag?

A. No. Hunters may only earn one preference point per species (CCR T14-708.14(c)). Junior hunters submitting two applications in the drawing will earn one preference point if they are unsuccessful in their first choice tag on both applications. If they are successful in their first choice tag on either application their preference points will be reset to zero.

Q. If a junior hunter applies for a premium deer hunt on a First-Deer Tag Drawing Application and an Apprentice Hunt on a Second-Deer Tag Drawing Application, how are the tag choices processed in the drawing? Which application has a higher priority?

A. Neither deer tag application has a priority. The computer assigns each deer tag application a unique random number. The preference point value for each application is calculated the same way, the success or non-success of one application does not affect the other application.

Q. How will I know that my tag choices for the drawing were entered correctly?

A. Verify that your tag choices are printed correctly on your Drawing Receipt. You may also verify your tag choices and view all your license items by accessing your customer profile online at www.ca.wildlifelicense.com/InternetSales. Once you are signed in, you will select the 'View My Drawing Applications/Preference Points' link at the top of the page.

Q. When do I lose preference points?

A. You lose all accumulated preference points for a species, as follows:

- Deer - You lose all accumulated preference points when you are drawn for a premium tag as your first choice.
- Elk, pronghorn and bighorn sheep - You lose all accumulated preference points for a species if you are drawn for and pay for the tag.
- You also lose all accumulated preference points for any species if you do not participate in the drawing for that species for five (5) consecutive years.

Q. I did not apply in the Big Game Drawing and it is now past the deadline; will I still be able to earn a preference point for this year?

A. No. You will not earn a preference point for this year and you will not lose your previously accrued preference points. However, a hunter's points are reduced to zero when they have not applied for five (5) consecutive years. A missed application deadline is considered as not applying.

If it is after midnight on June 2, the drawing applications for deer, elk, pronghorn and bighorn sheep will not be available in the "Drawings" list to purchase and apply for the drawing.

Q. If I apply for the Open Zone Deer Fund-raising Random Drawing and win, but already have two deer tags, can I still get the Fund-raising Random Drawing tag?

A. Yes, however, hunters are restricted each year to no more than two deer tags. In this case you would have to surrender either your First-deer or Second-deer tag prior to issuance of the Open Zone Deer Fund-raising tag.

Q. I cannot hunt this year. How can I earn a preference point for deer, elk, pronghorn, and bighorn sheep?

A. At a license agent, CDFW license sales office or by telephone sales at (800) 565-1458, you will need to purchase a California hunting license and inform the sales clerk you are applying in the Big Game Drawing. You will need to indicate to the sales clerk, which drawing application(s) you want to apply for; such as: deer, elk, pronghorn or bighorn sheep. To earn a preference point for deer the code is PD, elk is 499, pronghorn is 799 and bighorn sheep is 599.

If applying online, select the "2020 Hunting" tab and "add to the cart" a California hunting license and in the "Drawing" menu, "add to the cart" the drawing applications you want to apply for and enter the corresponding preference point code as indicated above.

To earn the preference point(s), the transaction must be completed before midnight on June 2.

Q. How can I check my preference point totals in ALDS?

A. Your preference point totals are printed on your Drawing Receipt(s). The receipt will include the applicant's name, hunt choice(s), and accumulated preference points. You can also check your preference points by logging on to your customer profile at www.ca.wildlifelicenses.com/InternetSales and click on the link "View My Draw Application/Preference Points" at the top of the page.

Q. How will CDFW track my preference points?

A. CDFW tracks preference points for current and future drawings using your Get Outdoor (GO) ID. To accurately track your preference points, you must use the same GO ID number to apply in the drawing each year. If you have changes or corrections to your mailing address, you may log into your customer profile and update at www.ca.wildlifelicenses.com/InternetSales. If you have changes or corrections to your name, identification number, such as a driver's license number or date of birth, you must notify CDFW in writing at:

UNLAWFUL ACTIONS

It is the hunter's responsibility to know and follow the law.

The California statutes governing many aspects of hunting, firearms, fishing, and the use of public lands, are found in the California Fish and Game Code (FGC). Hunting and fishing activities are further regulated by the California Code of Regulations, Title 14, Natural Resources (CCR, T14), and the California Penal Code (PC). These documents may be accessed through the Department of Fish and Wildlife website: www.wildlife.ca.gov.

Additionally, California counties and cities have adopted local ordinances which regulate and restrict hunting activities within their jurisdiction.

The Code of Federal Regulations (CFR), governs many aspects of hunting and fishing on federal lands, specific species, and other activities under federal jurisdiction.

IT IS UNLAWFUL TO:

(These are not complete regulations. Some sections are abbreviated.)

Fish and Game Code (FGC)

- Transfer, use, possess or alter any license, tag, stamp, permit, application or reservation. FGC 1052.
- Hunt any game bird or mammal without having the required licenses, tags and/or stamps in possession. FGC 1054.2.
- Damage another's property or injure livestock while hunting. FGC 2004.

PREVENT CHRONIC WASTING DISEASE

CHRONIC WASTING DISEASE

Chronic Wasting Disease is a fatal neurologic disease of deer, elk, and moose. It is caused by a misfolded protein termed a prion and has been detected in 24 states and 2 Canadian provinces. Meat from CWD infected animals should not be eaten. The disease's range continues to slowly expand. Hunter help is needed to stop it from reaching California.

DEER AND HUNTER IMPACTS

A high prevalence of CWD can reduce populations and potentially decrease long-term herd viability. As CWD prevalence increases in an area, the number of hunters seeking tags decreases. This can impact herds by decreasing populations and indirectly through lost funding for wildlife management.

HANDLE GAME WITH CAUTION

Whenever hunting, basic safety and hygiene precautions should be taken to protect yourself from injury or exposure to disease when handling wildlife. Minimize the chance of exposure to or spread of CWD by:

- Wear rubber gloves when field dressing carcasses;
- Bone out meat from the animal;
- Minimize the handling of brain and spinal cord, eyes, spleen, and lymph nodes and avoid consuming these tissues;
- Wash hands and instruments thoroughly after field dressing is completed.

HUNTING OUT OF STATE

It is the responsibility of out-of-state hunters to be aware of all laws and regulations pertaining to the state in which they are going to hunt. Proof of Hunter Education is required. Take note that the California equivalency certificate will not be accepted as evidence of hunter education.

FOLLOW OTHER STATES' REGULATIONS FOR CWD

If you will be hunting out of state in a known CWD endemic area, you should receive information at the time you receive your hunting tag(s) regarding disposal of the carcass remains and mandatory or voluntary CWD testing. It is the Department's recommendation that any deer or elk harvested in a known CWD area be tested for CWD and receive a negative or not detected result prior to consuming.

NO SKULL, NO BACKBONE

You will be checked at the California border when returning and only the following body parts are allowed into California:

- boned-out meat and commercially processed cuts of meat,
- portions of meat with no part of the spinal column or head attached,
- hides with no heads attached,
- clean skull plates (no meat or tissue attached) with antlers attached,
- antlers with no meat or tissue attached,
- finished taxidermy heads,
- upper canine teeth (buglers, whistlers, ivories).

California Code of Regulations, Title 14, § 712 can be summarized in one phrase: "NO SKULL, NO BACKBONE."

WHAT CALIFORNIA IS DOING

- Importation of captive cervids is tightly regulated and highly restricted.
- Import restrictions on hunter-harvested deer and elk carcasses and parts – "NO SKULL, NO BACKBONE"
- Bans on baiting and feeding of Big Game.
- CWD testing at volunteer check stations during hunting season www.wildlife.ca.gov/cwd.

INCREASED SURVEILLANCE

Since 1999, California has tested approximately 4,500 deer and elk for CWD. To date, no CWD has been found in California deer or elk. However, the potential for CWD to spread to California's deer and elk populations still exists and surveillance for the disease remains important. The CDFW will be increasing CWD surveillance efforts throughout the state over the next few years. Hunters are a vital partner in these surveillance efforts and voluntary CWD check stations will be set-up to facilitate surveillance throughout the state. For additional information on surveillance in CA visit www.wildlife.ca.gov/cwd or contact The Wildlife Investigations Laboratory at 916-358-2790 or WILab@wildlife.ca.gov.

DISPOSAL OF MEAT FROM CWD-POSITIVE ANIMALS

If you are notified that your out-of-state animal tested positive for CWD, contact your regional CDFW office (see page 3) or the Wildlife Investigations Laboratory at (916) 358-2790 for information. DO NOT DISCARD, only certain disposal methods are appropriate for CWD. The Department will facilitate incinerating or otherwise properly disposing of any meat or tissues.

LACEY ACT

Transporting illegally taken game across state lines is a violation of the federal Lacey Act (T16, US Code 1406). Such transport, if done in connection with commercial activity, may be classified as a felony.

BRINGING GAME BACK TO CALIFORNIA

In order to bring back your game from another state, you must have the form Declaration for Entry Into California of Game, Fish, Birds, or Animals filled out and carried while you are transporting the game.
