

## 2021 Events

All week or ongoing

County	Organization	Time	Location	Details	Registration required?
Statewide	<a href="#">California Department of Fish and Wildlife</a>	Any time	Anywhere	Use the California Department of Fish and Wildlife (CDFW)'s Invasive Species App (through EDDMaps) to record invasive species in your local park or natural area.	No
Statewide	UC Integrated Pest Management		Online	Invasive Species Resource Round-Up on the Pest in the Urban Landscape Blog: <a href="https://ucanr.edu/blogs/UCIPMurbanpests/index.cfm">https://ucanr.edu/blogs/UCIPMurbanpests/index.cfm</a>	No
See below for more events during the week!					

**Saturday, June 5**

County	Organization	Time	Location	Details	Registration required?
Alameda	Friends of Five Creeks	10:00am-12:00pm	Log seating area on Codornices Creek at 8th St, north end of 8th St, across from 1101 8th St., Berkeley, on Berkeley-Albany border	Join all-volunteer Friends of Five Creeks for a small, family-oriented walk and work party to help and enjoy Codornices Creek, our area's only trout stream. You'll do light work and learn about plants animals you see, human history, and the challenges and joy of keeping vibrant nature in cities. Spring brings burgeoning plants and flowers -- and the need to control weeds that don't play well with others. Since June 5 is both National Trails Day and part of California Invasive Species Week, we'll talk about the value of completing the creekside trail and the importance of keeping varied vegetation for the sake of wildlife. Numbers are limited -- registration required. Families are especially welcome -- Kids should be able to follow directions and be around reasonably sharp tools. Wear sturdy shoes with good traction. We recommend long pants. We supply gloves, tools, and good company. Please email f5creeks@gmail.com if you have questions.	Yes. <a href="https://www.eventbrite.com/e/have-fun-help-and-get-to-know-the-creek-next-door-tickets-154101247981">https://www.eventbrite.com/e/have-fun-help-and-get-to-know-the-creek-next-door-tickets-154101247981</a>
Los Angeles	Palos Verdes Peninsula Land Conservancy	9:00-12:00	Abalone Cove Reserve: 5970 Palos Verdes Dr South, Rancho Palos Verdes, Ca 90275	Join the Palos Verdes Peninsula Land Conservancy at Abalone Cove Reserve for our Outdoor Volunteer Day on Saturday June 5th and 12th from 9am to 12pm! We will be planting native shrubs and removing invasive weeds in order to improve wildlife habitat for protected species such as the California gnatcatcher and cactus wren! Open to all ages and skill levels. Rated: easy-moderate, includes a short hike to the work area.	Yes. <a href="http://www.pvplc.volunteerhub.com">www.pvplc.volunteerhub.com</a>

County	Organization	Time	Location	Details	Registration required?
Los Angeles	TreePeople	8:00am-12:00pm	See website	Come join TreePeople for a habitat restoration event in the Santa Monica Mountains and Angeles Forest! Caring for this newly planted woodland increases rainwater capture, cleans water draining to the ocean, bolsters air quality, lowers wildfire risk and heals fractured habitat connectivity.	Yes. <a href="http://www.treepeople.org/calendar">www.treepeople.org/calendar</a>
Monterey	Elkhorn Slough Reserve	1:00-2:00pm	Virtual Event - Streamed on Facebook	How is a seed like a corkscrew or a firework? Find out during a virtual microscope discovery lab! As part of California Invasive Species Action Week, we are investigating seeds up close, to learn more about how they spread and how we can reduce invasive species that impact local habitats. Come discover the many innovative ways seeds disperse! This event will be streamed live here on Facebook. To view the stream, visit this event page on the event date and time: <a href="https://www.facebook.com/events/235745084975385">https://www.facebook.com/events/235745084975385</a> . To get reminders, just respond to the event page or follow @ElkhornSloughReserve on Facebook!	No

**Monday, June 7**

County	Organization	Time	Location	Details	Registration required?
All	Cal-IPC & UC Cooperative Extension	12:00-1:00pm	Online	“Community Science to Manage Green Crabs”: Learn how a collaborative team of academic researchers and community scientists initiated a local eradication program for European green crabs in Marin County.	Yes. <a href="https://ucanr.edu/sites/invasivelunch/2021/">https://ucanr.edu/sites/invasivelunch/2021/</a>

**Tuesday, June 8**

County	Organization	Time	Location	Details	Registration required?
All	Cal-IPC & UC Cooperative Extension	12:00-1:00pm	Online	“Weeds After Wildfire and What You Can Do to Help”: Learn how the National Park Service has been controlling weeds in areas burned by a fire in the Santa Monica Mountains, and how the California Native Plant Society’s Fire Followers project is engaging community scientists.	Yes. <a href="https://ucanr.edu/sites/invasivelunch/2021/">https://ucanr.edu/sites/invasivelunch/2021/</a>
San Diego	San Diego Weed Management Area	9:00am-1:00pm	Online	The San Diego Weed Management Area will be hosting our annual summer symposium. Speakers will cover topics including managing early detection and rapid response weeds, management in difficult areas and on difficult weeds, new weeds in the county and laws and regulations regarding herbicide uses.	Yes. <a href="https://ucanr.edu/survey/survey.cfm?surveynumber=34954">https://ucanr.edu/survey/survey.cfm?surveynumber=34954</a>

**Wednesday, June 9**

County	Organization	Time	Location	Details	Registration required?
All	Cal-IPC & UC Cooperative Extension	12:00-1:00pm	Online	“Eyes on the Lake - Leveraging the Power of Citizen Science to Keep Tahoe Blue”: Learn how volunteers help manage invasive species by engaging visitors and locals in shared stewardship.	Yes. <a href="https://ucanr.edu/sites/invasivelunch/2021/">https://ucanr.edu/sites/invasivelunch/2021/</a>

**Thursday, June 10**

County	Organization	Time	Location	Details	Registration required?
All	CDFW Nimbus Fish Hatchery	10:00-10:45am	Online	"Take Action Against Invasive Species!": Find out what an invasive species is and how to fight back against their spread.	Yes. <a href="#">Register here.</a>
All	Cal-IPC & UC Cooperative Extension	12:00-1:00pm	Online	"Can participatory science help to monitor invasive shothole borers?": Learn about beetles that are killing thousands of trees in Southern California.	Yes. <a href="https://ucanr.edu/sites/invasivelunch/2021/">https://ucanr.edu/sites/invasivelunch/2021/</a>

**Friday, June 11**

County	Organization	Time	Location	Details	Registration required?
All	Cal-IPC & UC Cooperative Extension	12:00-1:00pm	Online	"The Invasive <i>Spartina</i> Project: Restoring Native Tidal Marsh Habitat and Promoting Resilience in a Changing Bay Ecosystem": Learn how restoration of tidal marshes along San Francisco Bay can provide critical habitat for wildlife and act as a buffer against sea level rise for Bay shoreline communities.	Yes. <a href="https://ucanr.edu/sites/invasivelunch/2021/">https://ucanr.edu/sites/invasivelunch/2021/</a>

**Saturday, June 12**

County	Organization	Time	Location	Details	Registration required?
Humboldt	California State Parks	9:00am-12:00pm	Trinidad State Beach	California State Parks invites volunteers to Trinidad State Beach on Saturday, June 12th, 2021 from 9am to noon for a habitat restoration event focused on invasive species English Ivy, Hedera helix, removal in the beautiful Sitka spruce forest. Please meet at the corner of Anderson Lane and Stagecoach Road in Trinidad. Removing invasive species is a moderate activity and participants are encouraged to wear sturdy shoes for walking off trail, bring a lopper if you have them, a hat, work gloves, and water. We have extra gloves and tools for volunteers. Work locations are less than a ½ mile hike from the trailhead. All participants will receive one free day use pass to Patrick’s Point State Park. All ages welcome.	No
Los Angeles	Palos Verdes Peninsula Land Conservancy	9:00am-12:00pm	Abalone Cove Reserve: 5970 Palos Verdes Dr South, Rancho Palos Verdes, Ca 90275	Join the Palos Verdes Peninsula Land Conservancy at Abalone Cove Reserve for our Outdoor Volunteer Day on Saturday June 5th and 12th from 9am to 12pm! We will be planting native shrubs and removing invasive weeds in order to improve wildlife habitat for protected species such as the California gnatcatcher and cactus wren! Open to all ages and skill levels. Rated: easy-moderate, includes a short hike to the work area.	Yes. <a href="http://www.pvplc.volunteerhub.com">www.pvplc.volunteerhub.com</a>
