NOTICE OF CHANGE OF LOCATION OF ADOPTION HEARING FOR

Commercial Pacific Herring Eggs on Kelp (OAL Notice Number Z-2020-0428-01)

On May 8, 2020, the Fish and Game Commission (Commission) provided notice of its intent to amend sections 163 and 164, Title 14, California Code of Regulations (CCR), concerning commercial Pacific Herring Eggs on Kelp regulations that implement the California Pacific Herring Fishery Management Plan. The notice was published in California Regulatory Notice Register 2020, No. 19-Z.

At the time the notice was published, the location for the June 24, 2020 adoption hearing was indicated as the Holiday Inn Orange County Airport, 2726 S. Grand Avenue, Santa Ana, California 92705.

In response to the COVID-19 pandemic and physical distancing guidelines, and in compliance with Executive Order N-29-20, the Commission has changed the location and format of the June 24, 2020 adoption hearing to a teleconference and webinar. As a result, at a **teleconference and webinar to be held on June 24, 2020, at 10:00 a.m.**, or as soon thereafter as the matter may be heard, the Commission will consider adoption of the proposed regulations.

By participating in the teleconference, any person interested may present statements relevant to these actions at the June 24, 2020 hearing.

The original notice, initial statement of reasons, and proposed regulatory language, are posted on the Commission's website at <https://fgc.ca.gov/>.
