Zone 13

Regulations and Information

- 1) Only persons with Zone 13 hunt permits may enter Zone 13.
- 2) Zone 13 permit holders must hunt within 300 feet (100 yards) of the steel post marking the blind site.
- 3) Capacity of each blind is 3 persons. This includes adult and junior licensed hunters and non-shooters.
- 4) **All persons in a party going to an assigned blind are required to hunt from the same blind and leave from the check station at the same time.**
- 5) Zone 13 permit holders may hunt only within their assigned site and nowhere else on the wildlife area. To change hunting assignment, they may exchange their permit at the check station if space is available.
- 6) Zone 13 blinds are assigned on a first come, first served basis at the check station. A reservation does not reserve a specific blind.
- 7) The name of all hunters entering Zone 13 shall be entered on their permits. No issuing of new permits or changing blinds will be made after 3:00 PM.
- 8) Pheasant hunting is permitted in Zone 13 between the hours of 10 AM and 3 PM on waterfowl/pheasant shoot days. Pheasant hunting is permitted all day on pheasant hunt days not open to waterfowl hunting.
