INFORMATION FOR WATERFOWL AND PHEASANT HUNTERS

1. Once a hunter has left the parking lot, he may possess **no more than 25 shotgun shells.** **FEDERALLY APPROVED NONTOXIC SHOT IS REQUIRED FOR ALL HUNTING ON DEPARTMENT OF FISH AND WILDLIFE LANDS.**
2. All hunters must check in and obtain an entry permit through the Kesterson Unit check station on Highway 140. The check station will start issuing permits two and one-half hours before shoot time.
3. Sign up for the lottery drawing will be from 6:00 P.M. to 9:00 P.M. the evening before a hunt day with the lottery drawing conducted shortly after 9:00 PM. Results will be posted outside the Kesterson check station.
4. All hunters are required to return all permits before leaving the wildlife area at the drop box, or return permits to the Kesterson check station.
5. Hunters must have in possession valid hunting licenses, stamps, and area permits while on the wildlife area.
6. Hunters must park in designated parking lots. No camping is permitted in the field.
7. No new permits will be issued or hunt assignments changed after 3:00 PM.
