U.S. FISH AND WILDLIFE SERVICE
San Luis National Wildlife Refuge Complex

The Refuge hunting program is operated by the California Department of Fish and Wildlife in cooperation with the U.S. Fish and Wildlife Service.

BLUE GOOSE UNIT

REFUGE HUNTING REGULATIONS

The hunting of geese, ducks, coots, and moorhens is permitted on designated areas of the refuge subject to the following conditions: (map on reverse):

1. You may possess not more than 25 federally approved nontoxic shotgun shells once you have left the parking lot.
2. Vehicles may stop only at designated, assigned parking areas. The dropping of passengers or equipment or stopping between designated parking areas is prohibited.
3. All permits must be completed and returned immediately upon completion of your hunt, before using any tour routes or leaving the refuge vicinity.
4. You may not transport loaded firearms while walking or bicycling between parking areas and spaced blind units.
5. Use or possession of alcoholic beverages while in the field is prohibited.
6. Hunters are restricted to their assigned blind, except for retrieving downed birds, placing decoys, or traveling to and from the parking area. You may not shoot from outside the blind.
7. The taking of snipe, dove, quail, and pheasant is prohibited.
8. Hunters must possess valid hunting licenses, stamps, and area permits while in the field.
9. Fires are prohibited.
